*Rediscovering God's Grand Story* James M. Roseman, 2017-09-15 In the passage to modernity we in the West have lost the ability to see things whole We've closed our minds to all things transcendent and default to unbelief and can't make sense of the persistent echoes of the voice of God that reverberate in our souls In *Rediscovering God's Grand Story* James Roseman picks up the strands of science philosophy history the arts and theology and reweaves the tapestry to see a coherent story that makes the best sense of the world and provides real meaning and significance to our lives *God's Grand Myth* We see that the signals of transcendence that confound our culture of doubt are a universal language and vocabulary of the heart echoing the voice of God and in the very Judeo Christian story we so readily jettison is found the Author enabling us to see the world whole again This essay tells why the story and promise of Christianity is so hard to hear today but won't go away Could it be that as T S Eliot wrote in the mid twentieth century at the end of all our exploring will be to arrive where we started and know the place for the first time
