**Guilty Until Proven Innocent** Arthur Frederick Ide,1991 *Recent Acquisitions* Ohio State University. College of Law. Library,1992 **Who's Who in the South and Southwest 2000-2001** Marquis Who's Who,Marquis Who's Who Staff,2000-11 **The New Yorker** ,1992 **Henry Wade's Tough Justice** Edward Gray,2010-11 Charles Chatman believed he would die in a Texas prison He was sent there at age 21 convicted of raping a 52 year old white woman in his neighborhood and sentenced to 99 years The victim had picked his picture out of a line up and the jury had ignored the testimony of his witnesses that he was at work when the rape occurred His court appointed attorney made feeble efforts to defend him He had served 27 years when Michelle Moore a public defender working with the Innocence Project of Texas arranged a DNA test which proved him innocent and District Judge John Creuzot ordered him released from prison Richard Miles was more fortunate After he had served 14 years of a 40 year sentence for murder investigators for Centurion Ministries discovered police reports which had been hidden from him and his attorney Ed Gray A new trial was ordered then the sole witness who had identified Miles recanted his testimony and claimed that he had been instructed to lie by a Dallas prosecutor Over 250 prisoners in the U S have been exonerated in the last 20 years some on death row and others serving long sentences DNA testing has freed the majority proof of false identification and misconduct by police and prosecutors the others Dallas County with one percent of the U S population has accounted for 25 wrongful convictions ten percent of the total Henry Wade Dallas County District Attorney for 32 years ran the most aggressive and successful prosecutor s office in the country Ed Gray as Assistant District Attorney and criminal defense attorney had a ringside seat to the Henry Wade era In these pages he explains how some of the innocent were convicted TOUGH JUSTICE is the first book which attempts to portray the career and the history of Henry Wade the most famous prosecutor in the history of Texas and perhaps the United States After graduating from the University of Texas Business School and Southern Methodist University School of Law Ed Gray was a civil law firm associate when he was appointed to represent an indigent defendant in Dallas District Court in 1969 In his first trial Ed won a Not Guilty verdict and a job offer from District Attorney Henry Wade He was quickly promoted to Felony Court where he led the Dallas D A s office in trials and convictions for the next four years He was lead counsel in 15 murder trials 13 attempted murder and aggravated assault trials 8 rape trials and 49 robbery trials resulting in sentences as high as death and 1200 years and only one Not Guilty verdict Ed Gray has been a board certified criminal defense attorney since 1975 and has tried 525 criminal jury trials in state and federal courts *A Texas Style Witch Hunt Justice Denied the Darlie Lynn Routier Story* David Pietras,2013-12 In 1997 a court found Darlie Lynn Routier guilty of probably the worst of human crimes killing two of her natural children in cold blood Motive is still a mystery but the prosecution painted her as a shrewish materialistic young woman who sensing her lavish lifestyle crumbling slew her two sons Damon and Devon in a mad attempt to resuscitate her and her husband s personal economy The following story relates the events of the murder and

those leading up to her sensational trial resulting in her conveyance to death row in Dallas where she awaits death through lethal injection. The evidence against Darlie was damaging and in retrospect her defending counsel had little hope for her acquittal. But had the prosecutor revealed all of the evidence some people feel Darlie would have been a free woman. But recent findings in her case have cast a doubt over her guilt at least over the legalities that brought her to death row. And had the prosecutor revealed all of the evidence some people feel Darlie would have been a free woman. Therefore the final chapter in this book is dedicated to the most recent controversy that may result in a new trial for Darlie Lynn Routier. And to finally prove that Darlie Lynn Routier was a victim of a Texas Style Witch Hunt.

**Guilty Till Proven Innocent** Penny White, 2017-08-18. As British expats author Penny White and her husband Harry had been living the Florida dream for several years until through no fault of their own they found themselves on the wrong side of the law. They suffered wrongful arrest and incarceration. If found guilty they each faced a hundred and thirty years in prison. A situation based on lies told by a former business partner and his aggressive attorney. In *Guilty Till Proven Innocent* White shares the story of how in a dramatic TV style raid on their Florida home by armed masked police their lives changed forever. White narrates their experience including spending time in jail and fighting the charges lobbied against them. This true story calls into question the American courts and White asks for a further review into a justice system that fails to uphold the tenets of liberty, freedom and justice for all not just for those who can afford good but expensive attorneys.

**The Justice Motive** Christina Fletcher, 2020-12-18. Danielle Dani Bynum has had more than her fair share of involvement in the criminal justice system. She's been on all sides of the spectrum including being a defendant on trial for murder and a few years later representing her clients for murder. Dani has now crossed the line and works as an assistant prosecuting attorney in St. Louis City. Her first couple of years on the job was a breeze until her supervisor the Circuit Attorney gave her two high profile cases that changed her life forever. Brandi Evans is accused of murdering her husband Pastor Lamar Evans. One of St. Louis's former top defense attorneys is the prosecutor on her case and she knows she'll need someone willing and capable of going to war against Dani Bynum to fight her case. Brandi is desperate to prove her innocence but with all the evidence pointing towards her and a possible justice motive she's in what she believes is a hopeless fight for her life. Kenzo Garrett is charged with committing the heinous crime of abuse against his son. He's had a few run-ins with the law in the past including a child endangerment charge for distributing narcotics in front of a minor. He also has a conviction of child neglect for failing to report the abuse of his son by his son's mother that he wasn't aware of. After being home for a year and completing his parole he's faced with trouble again. He's accused of harming his son once dropping him off after a weekend visit. The CPS worker and prosecutor make his life hell and have already decided that because of his criminal record he's guilty until otherwise proven innocent. Dani believed when she became a prosecutor she would be making a difference but discovers she bit off more than she can chew. She gets caught up in a web of lies, deceit and a scandal that has her convicting individuals she's not so sure are guilty. What

will the outcome be for Brandi and Kenzo Are they guilty or innocent      **The Advocate** ,2003-08-19 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States
