Carlson,2017-02-08 The Old Testament prophets are a neglected treasury of biblical examples for pastoral preaching Too often the prophets are misunderstood as focusing on future or social justice issues This book shows that the prophets are essentially preachers very good ones whom we must learn from By comparing recent rhetorical analysis of the prophets to some of the best of current preaching literature this book shows that the prophets preached the way that we ought to preach It will help you to hear the prophets the same way that a pastor benefits from listening to a seasoned and exceptionally gifted preacher We can benefit not only from what the prophets say but how they say it By seeing how the prophets grab and keep their listeners how they enhance clarity and relevancy how they make truth come alive and how they persevere in their ministry you too can learn to preach like the prophets Ireland Christopher Somerville,2007 In depth site descriptions and background information more than 270 vivid color photographs 26 detailed full color maps mapped walking and driving tours specially commissioned artwork complete visitor information plus hotels restaurants and more back cover The SAGE Encyclopedia of Alcohol Scott C.
