Teaching and the Case Method Louis B. Barnes,Carl Roland Christensen,Abby J. Hansen,1994 This third edition of Teaching and the Case Method is a further response to increased national and international interest in teaching teachers and learning as well as the pressing need to enhance instructional effectiveness in the widest possible variety of settings Like its predecessors this edition celebrates the joys of teaching and learning at their best and emphasizes the reciprocal exchange of

wisdom that teachers and students can experience It is based on the belief that teaching is not purely a matter of inborn talent On the contrary the knowledge skills and attitudes that make for excellence in teaching can be analyzed abstracted and learned One key premise of Teaching and the Case Method is that all teaching and learning involve a core of universally applicable principles that can be discerned and absorbed through the study and discussion of cases      **Snapshots of My Father, John Silber** Rachel Devlin,2022-11-15 For anyone who knew him Silber was a genuinely unforgettable character And as his daughter s memoir attests the man who was so fascinating as a public figure was no less compelling and memorable behind the scenes a captivating memoir The Boston Globe Jeff Jacoby This is an extensively illustrated memoir of John Silber who entirely transformed Boston University as its president and was a controversial yet intellectually formidable candidate for governor of Massachusetts Here Rachel Devlin looks at her family and her father s trajectory from Texas to Boston and what life became like there she examines his personality and temperament and she describes his later years the hardships he weathered and his continued accomplishments out of the public eye As the title implies each chapter is like a snapshot taken from a daughter s perspective peering into the past she saw Silber championed freedom of speech believing all sides should be heard especially on college campuses He was also the father of seven children The author often meets people who want to hear what he was like as a father and to tell her their own stories about him Here is her clear eyed vision of this authentic man of principle who had a drive to achieve great things      **The Role of the Arts in the Education of Individuals with Special Needs** ,1987      *Guitar Smart* Jeffrey L.
