Doyle, 2023-10-19 Martin Doyle Books Editor of The Irish Times offers a personal intimate history of the Troubles seen through the microcosm of a single rural parish his own part of both the Linen Triangle heartland of the North's defining

industry and the Murder Triangle the Badlands devastated by paramilitary violence He lifts the veil of silence drawn over the horrors of the past recording in heartrending detail the terrible toll the conflict took more than twenty violent deaths in a few square miles and the long tail of trauma it has left behind Neighbours and classmates who lost loved ones in the conflict survivors maimed in bomb attacks and victims of sectarianism both Catholic and Protestant entrust Doyle with their stories Writing with a literary sensibility he skillfully shows how the once dominant local linen industry serves as a metaphor for communal division but also for the solidarity that transcended the sectarian divide To those who might ask why you would want to reopen old wounds the answer might be that some wounds have never been allowed to heal **The Good Thief's**

advice Good Leaders in Turbulent Times is for those nightmare times when everything seems to be falling apart around us With engaging humour and deep wisdom it tells the stories of leaders who drift into crisis struggle deep in wild waters digest their experiences and move on to find new ways of living and working The wise words they discover along the way will be as valuable for you as for them An energising and liberating book Jane Keeper Social Worker Former Director of Operations at REFUGE A must read for anyone seeking to lead with courage empathy and conviction in today s unpredictable and challenging world Ambassador Salwah Dallalah Director Conference Affairs Services UNFCCC and IAEA A wise and compassionate look at living through leadership crises and difficult relationships and moving from surviving to thriving Ros Oakley Co Founder and First Chief Executive Association of Chairs The next best thing to being in the room with Martin You will find him on every page Greg Dalder Bereavement Counsellor Arizona Now in his sixth decade working in civil society Martin Farrell has held senior positions at organizations including Save the Children and the British Red Cross Since his first assignment with the UN in 2002 he has been in demand as an international facilitator and crisis coach He is a Certified Professional Facilitator Emeritus *Surfing the Appalachian Vortex* Mark Hartenbach,2018-10-29 2nd Edition of the American poetry classic by Mark Hartenbach *Letters* John Barth,1994 Basically Barth takes several people from his early novels and has them all starting to write to each other and to him their letters and experiences directing the plot And what starts out as what could be a too cute literary trick winds up being extremely revealing as the characters pour themselves into the letters regardless of whom they re writing to as the plot skips and slips through time On one level it acts as a sequel to those early novels continuing their stories and although it s not really required to read those books I m not going to pretend it doesn t help The best thing to do would be to read those old novels in one block and then move onto this I read them some years ago so I was a little fuzzy on the finer points But I picked it up But Barth captures the voices of his old characters well and even if you didn t know who was writing what letter you could tell And thus they tell the recipient and us about their hopes and fears they mingle together they lie they come unglued and by the end you sort of get a tapestry of their thoughts There s a plot weaving through here but sometimes it becomes hard to connect it with six different people discussing different angles of it with you but I just went with it and enjoyed the writing for what it was Michael Battaglia at Amazon com *Screams in the Dark* Carol Exline,2007-08-01 For years Cassie Grandville has been haunted by nightmares ever since her sister disappeared in the dark woods The 20th anniversary of Lainey s disappearance has stirred the ghosts of the past and someone lurking in the dark has returned for the other sister **Flawed Banner** Max Hennessy,2022-05-23 A desperate hunt for a man who could turn the tide of the Second World War As the Nazi hordes of Germany overrun France devouring the free world with fascist fervour the fate of the Allied resistance looks grim But things might be about to change A young intelligence officer James Woodyatt is shipped across the Channel to find a First World War hero an old man who may have been a spy and who may be in possession of Nazi secrets that could devastate their regime A scintillating romp
