Gun For Sale An Entertainment:

The Works of Graham Greene, Volume 3 Mike Hill, Jon Wise, 2022-03-24 Over a 60 year career Graham Greene was a prolific and widely read writer Completing a series of volumes which constitutes the only full bibliographical guide to Greene s published and unpublished writings this book features updated listings of the scholarship associated with his work details of recent audio and visual presentations and adaptations as well as nine essays on lesser known aspects of Greene s work Featuring new material from the recently expanded Graham Greene archive which will be of particular interest and relevance to Greene scholars it also covers contents of other archives in the UK and elsewhere in a series of mini essays

The Works of Graham Greene Jon Wise, Mike Hill, 2012-04-12 A complete and up to date reference guide to the published writings of Graham Greene from his literary writings to published letters and interviews **A Preface to Greene** Cedric, M.A. Ph.D. (Professor) Watts, 2014-09-25 Lively informed and thorough this survey of the life and works of Graham Greene opens with a biographical account setting the writer in context of his times and describing and exploring the influences tensions and contradictions that occur throughout his work The second half of the book devotes itself to the art of Greene discussing his writing techniques recurring themes and imaginative preoccupations Within this section thorough critical analyses are given of three works Brighton Rock The Power and the Glory and the film The Third Man The book concludes with a reference section which comprises a gazeteer a biographical list and a bibliography Suggestions for further reading and a list of films encourage the student to explore the works of Greene more widely **A Gun for Sale** Graham Greene, 1965 **Mystery Classics on Film** Ron Miller, 2017-02-20 Watching the screen version of a classic mystery novel can be disappointing By necessity or artistic license or possibly just ego changes are often made by the filmmakers many of them ineffective or even detrimental This book focuses on the screen adaptations of 65 famous mysteries and examines how the filmmakers either succeeded or failed in the telling of the story Interviews with several famous mystery writers are included with their comments on how filmmakers treated their work *Graham Greene's Thrillers and the 1930s* Brian Diemert, 1996 In Graham Greene s Thrillers and the 1930s Brian Diemert examines the first and most prolific phase of Graham Greene s career demonstrating the close relationship between Greene s fiction and the political economic social and literary contexts of the period Situating Greene alongside other young writers who responded to the worsening political climate of the 1930s by promoting social and political reform Diemert argues that Greene believed literature could not be divorced from its social and political milieu and saw popular forms of writing as the best way to inform a wide audience Diemert traces Greene s adaptation of nineteenth century romance thrillers and classical detective stories into modern political thrillers as a means of presenting serious concerns in an engaging fashion He argues that Greene s popular thrillers were in part a reaction to the high modernism of writers such as James Joyce Gertrude Stein and Virginia Woolf whose esoteric experiments with language were disengaged from immediate social concerns and inaccessible to a large segment of

the reading public **The Quest for Graham Greene** W. J. West, 2002-08 Dot coms will come and dot coms will go but one thing is for sure technology and the Internet have forever changed the way we communicate and do business Two computer scientists from Minnesota are at the vanguard of the revolution Their creation is collaborative filtering and it s turning out to be an incredibly subtle and effective tool for every company that uses it To test CF John Riedl and Joseph Konstan built two online companies GroupLens and MovieLens These Internet sites allowed users to customize their preferences for movies and news The results were astounding MovieLens could recommend a movie with 90% accuracy almost insuring that the recommendation would prove enjoyable And the potential application for other companies is amazing anyone from Land s End to Clinique can use CF to build customer profiles and sell products goods and services to consumers The authors analyze dozens of brick and mortar and Internet companies including Kraft Zagat Expedia and Wine com examining what these companies are doing right and what they re doing wrong They then map out a broad range of strategies that any company can employ to raise revenue and customer loyalty and satisfaction WORD OF MOUSE will be the first book to bring collaborative filtering to the business community **The National Union Catalog, Pre-1956 Imprints** Library of Congress, American Library Association.
