revolver first caught on with the Texas Rangers Southern dueling culture transformed into something wilder and less organized in the Lone Star State The collapse of the Confederacy and the presence of a thin veneer of Northern occupiers turned the heat up further And the explosion in the cattle business after the war took that violence and pumped it out from Texas across the whole of the West The stampede of longhorn cattle brought with it an assortment of rustlers hustlers gamblers and freelance lawmen who carried a trigger happy honor culture into a widening gyre a veritable blood meridian When the first newspapermen and audiences discovered what good copy this all was the flywheel of mythmaking started spinning It s never stopped The Gunfighters brilliantly sifts the lies from the truth giving both elements their due And the truth is sufficiently wild for any but the most unhinged tastes All the legendary figures are here and their escapades are told with great flair good bad and ugly Like all great stories this one has a rousing end as the railroads and the settlers close off the open spaces for good the last of the breed Butch Cassidy and the Sundance Kid really do get on a boat for South America ending their era in a blaze of glory Burrough knits these histories together into something much deeper and more provocative than simply the sum of its parts To understand the truth of the Wild West is to understand a crucial dimension of the American story     **Encyclopedia of Western Gunfighters** Bill O'Neal,1979 Sifting factual information from among the lies legends and tall tales the lives and battles of gunfighters on both sides of the law are presented in a who s who of the violent West     **The Oregon Gun** Lee Franks,2007-09-24 Brad Donovan is a young man with the spirit to match the big country of the Cascade Mountains in the American Pacific Northwest The son of a homesteader in the Coast ranges Brad is a young greenhorn but when circumstance sends him into the wilderness to make his old horse Lucky There he learns cowboy logic and the ways of the Indians and rides the range as he becomes the Oregon Gun the fastest drawing most feared gun fighter in the west to those who crossed him or those that he cared about The Oregon Gun is a western written in a classic style evoking all the ruggedness of the wild West and the men who tamed it     Faith-Based War T. Walter Herbert,2014-12-05 The American invasion of Iraq was largely governed by faith based policy The shock and Awe strategy alongside a grossly mismanaged occupation led to the loss of American lives Faith Based War presents an analysis of the imperialist Christian militarism behind the Bush Administration America s self perception as God s Chosen is examined and its catastrophic results detailed The book offers an ethical political and theological perspective on the perversion of Christian teaching behind the war in Iraq and the moral culpability of the American empire     **Brothers of The Gun** B.S. Dunn,2017-01-03 Buford Lance fought for every inch of his B L connected ranch so he d be damned if he was going to hand over a large portion of his Cottonwood Creek range to homesteaders Instead he decides to fight again This time he hires two of the best guns in the business Lucas Kane The Gun King They said he was invincible that there was nobody faster Jordan Kane The Prince Next in line for the throne He d take on any job It was said that he d shoot his own mother if the price was right One an out and out killer the other his polar opposite who could never commit murder no matter the price When Lucas

Kane refuses the job Lance has him bushwhacked It begins an infamous blood letting talked about for years to come and leads to the change of a town s name in an effort to forget Ultimately it draws two brothers into a showdown where only one can walk away Will the Gun King keep his throne Or can the Prince finally get to wear the crown he desperately covets
