

# Gunfighters Of The Old West

**Phillip W. Steele**

## Gunfighters Of The Old West:

Deadly Dozen Robert K. DeArment, 2012-11-27 Think gunfighter and Wyatt Earp or Billy the Kid may come to mind but what of Jim Moon Joel Fowler Zack Light A host of other figures helped forge the gunfighter persona but their stories have been lost to time In a sequel to his Deadly Dozen celebrated western historian Robert K DeArment now offers more biographical portraits of lesser known gunfighters men who perhaps weren't glorified in legend or song but who were rightfully notorious in their day DeArment has tracked down stories of gunmen from throughout the West characters you won't find in any of today's western history encyclopedias but whose careers are colorfully described here Photos of the men and telling quotations from primary sources make these characters come alive In giving these men their due DeArment takes readers back to the gunfighter culture spawned in part by the upheavals of the Civil War to a time when deadly duels were part of the social fabric of frontier towns and the Code of the West was real His vignettes offer telling insights into conditions on the frontier that created the gunfighters of legend These overlooked shooters never won national headlines but made their own contributions to the blood and thunder of the Old West people less than legends but all the more fascinating because they were real Readers who enjoyed DeArment's Deadly Dozen will find this book equally captivating as gripping as a showdown twelve times over

**Deadly Dozen** Robert K. DeArment, 2012-11-09 For every Wild Bill Hickok or Billy the Kid there was another western gunfighter just as deadly but not as well known Robert K DeArment has earned a reputation as the premier researcher of unknown gunfighters and here he offers twelve more portraits of men who weren't glorified in legend but were just as notorious in their day Those who think they already know all about Old West gunfighters will be amazed at this new collection Here are men like Porter Stockton the Texas terror who bragged that he had killed eighteen men and Jim Levy who killed a man for disparaging his Irish blood though he was also the only known Jewish gunfighter These stories span eight decades from the gold rushes of the 1850s to the 1920s Telling of gunmen such as Jim Masterson the brother of Bat Masterson or the real Whispering Smith the man behind the fictionalized persona whose career spanned four decades DeArment conscientiously separates fact from fiction to reconstruct lives all the more amazing for having remained unknown for so long The product of iron clad research this newest Deadly Dozen delivers the goods for gunfighter buffs in search of something different Together the Deadly Dozen volumes constitute a Who's Who of western outlaws and prove that there's more to the Wild West than Jesse James

Outlaws and Gunfighters of the Old West Phillip W. Steele, 1998-06 Whoa pardner Sit y self down for some good ole storytellin bout the wild wild West Western writer Phillip W Steele and country music artist John D LeVan have combined their talents and interests in true stories of the Old West in this exciting narrative and accompanying audiocassette Steele's book tells the true story of Jesse James the Daltons John Wesley Hardin Gunfight at the OK Corral Belle Starr and Billy the Kid LeVan's original songs are not only entertaining but also based on the true history of these personalities and events

**Deadly Dozen** Robert K. DeArment, 2003 TWELVE FORGOTTEN

GUNFIGHTERS OF THE OLD WEST THE COMBINED STORIES OF DEADLY DOZEN OFFER AN INTENSIVE LOOK INTO THE LIVES OF IMPOSING FIGURES WHO IN THEIR OWN WAYS SHAPED THE LEGENDARY OLD WEST **Gambling**

**Gunfighters of the Old West** G. R. Williamson, 2021-01-09 Most of the gamblers of the Old West got their start and reputations by working the circuit of the Mississippi River boats the railhead cattle towns of Kansas or the boomtowns that popped up around gold or silver mining The gunfighter Ben Thompson got his start by running the Bull s Head Saloon with partner Phil Coe in Ellsworth Kansas Ben s friend Bat Masterson also started his career in the cattle towns of Texas and Kansas In general these legendary gamblers were known as legitimate or that they played a fair game without cheating Truth be told all of them knew the methods employed by the sharps to clean the pockets of the other players at the table They had to know these tricks in order to spot a cheater at their table Did they ever use any of these advantages to increase their odds Probably so but the public s perception of these men was that they ran a square game Hip Pocket History of the Old West Series This compact book that gives concise accounts of odd or little known facets of the American West Historically accurate but told in an easy to read format with just a twist of humor Informative yet entertaining the Hip Pocket History series provides little nuggets without having to wade through a 400 page book of dry academic ostentatiousness **Encyclopedia**

**of Western Gunfighters** Bill O'Neal, 1979 Sifting factual information from among the lies legends and tall tales the lives and battles of gunfighters on both sides of the law are presented in a who s who of the violent West **Quick-Draw**

**Gunfighters** Jeff Savage, 2012-01-01 Jesse James Billy the Kid Butch Cassidy When these bold men walked into town with six shooters in their holsters most people fled quickly That is except for the lawmen willing to take them on Although lawmen and outlaws stood for very different ideals they did share one thing in common gunfighting To live in the Wild West especially as a bank robber or sheriff handling a gun was necessary Author Jeff Savage discusses the dangerous world of the gunfighter

Great Gunfighters of the Wild West Bill O'Neal, 2001 Profiles the lives and activities of twenty gunfighters of the Old West including lawmen outlaws and outlaw lawmen *Deadly Dozen* Robert K. DeArment, 2015-01-06 Wyatt Earp Billy the Kid Doc Holliday such are the legendary names that spring to mind when we think of the western gunfighter But in the American West of the late nineteenth and early twentieth centuries thousands of grassroots gunfighters straddled both sides of the law without hesitation Deadly Dozen tells the story of twelve infamous gunfighters feared in their own times but almost forgotten today Now noted historian Robert K DeArment has compiled the stories of these obscure men DeArment a life long student of law and lawlessness in the West has combed court records frontier newspapers and other references to craft twelve complete biographical portraits The combined stories of Deadly Dozen offer an intensive look into the lives of imposing figures who in their own ways shaped the legendary Old West More than a collective biography of dangerous gunfighters Deadly Dozen also functions as a social history of the gunfighter culture of the post Civil War frontier West As Walter Noble Burns did for Billy the Kid in 1926 and Stuart N Lake for Wyatt Earp in 1931 DeArment himself a talented writer brings these figures from the

Old West to life John Bull Pat Desmond Mart Duggan Milt Yarberry Dan Tucker George Goodell Bill Standifer Charley Perry Barney Riggs Dan Bogan Dave Kemp and Jeff Kidder are the twelve dangerous men that Robert K DeArment studies in *Deadly Dozen Twelve Forgotten Gunfighters of the Old West* **Gunfighters, Highwaymen, and Vigilantes** Roger D. McGrath,1987-03-23 From the Preface On the frontier says conventional wisdom a structured society did not exist and social control was largely absent law enforcement and the criminal justice system had limited if any influence and danger both from man and from the elements was ever present This view of the frontier is projected by motion pictures television popular literature and most scholarly histories But was the frontier really all that violent What was the nature of the violence that did occur Were frontier towns more violent than cities in the East Has America inherited a violent way of life from the frontier Was the frontier more violent than the United States is today This book attempts to answer these questions and others about violence and lawlessness on the frontier and do so in a new way Whereas most authors have drawn their conclusions about frontier violence from the exploits of a few notorious badmen and outlaws and from some of the more famous incidents and conflicts I have chosen to focus on two towns that I think were typical of the frontier the mining frontier specifically and to investigate all forms of violence and lawlessness that occurred in and around those towns **Encyclopedia of the Great Plains** David J. Wishart,2004-01-01 Wishart and the staff of the Center for Great Plains Studies have compiled a wide ranging pun intended encyclopedia of this important region Their objective was to give definition to a region that has traditionally been poorly defined and they have **Western Gunslingers in Fact and on Film** Buck Rainey,2015-11-17 Billy the Kid Wild Bill Hickok Belle Starr Wyatt Earp the Younger Gang the Dalton Doolin Gang and Bat Masterson these real life lawmen and lawbreakers have been the basis of so many Hollywood Westerns that it has become difficult to discover where the truth ends and the legend begins All actually became larger than life characters during their lifetimes as contemporary newspapers and books embellished their deeds for their own purposes But it was in Hollywood that the line between reality and myth was completely blurred Each chapter length entry here first focuses on the known facts of the people s lives and how each became truly legendary during their lifetimes The reality is then compared to how they have been portrayed in the movies Gunfighter Nation Richard Slotkin,1998 Examines the ways in which the frontier myth influences American culture and politics drawing on fiction western films and political writing *Gunfighters* Al Cimino,2016-08-24 Delve into the world of the Wild West and the gunslingers that populated its dusty towns and saloons The Encyclopedia of Lawmen, Outlaws, and Gunfighters Leon Claire Metz,2002 Standoffs saloons and sunsets spring to mind when one envisions the rough and tumble early days of the American frontier **The Gunfighter** Joseph G. Rosa,1979-10-01 Introduces some of the gunfighting legends of the West both criminals and law officials and attempts to explore the realism of accounts of their feats **The Gunfighters** Bryan Burrough,2025-06-03 One of the most important books written on the American West in many years True West Magazine From the New York Times bestselling author of The

Big Rich and Forget the Alamo comes an epic reconsideration of the time and place that spawned America's most legendary gunfighters from Jesse James and Billy the Kid to Butch and Sundance. The Wild West gunfighter is such a stock figure in our popular culture that some dismiss it all as a corny myth more a product of dime novels and B movies than a genuinely important American history. In fact as Bryan Burroughs shows us in his dazzling and fast paced new book there's much more below the surface. For three decades at the end of the 1800s a big swath of the American West was a crucible of change with the highest murder rate per capita in American history. The reasons behind this boil down to one word Texas. Texas was born in violence on two fronts with Mexico to the south and the Comanche to the north. The Colt revolver first caught on with the Texas Rangers. Southern dueling culture transformed into something wilder and less organized in the Lone Star State. The collapse of the Confederacy and the presence of a thin veneer of Northern occupiers turned the heat up further. And the explosion in the cattle business after the war took that violence and pumped it out from Texas across the whole of the West. The stampede of longhorn cattle brought with it an assortment of rustlers, hustlers, gamblers and freelance lawmen who carried a trigger happy honor culture into a widening gyre, a veritable blood meridian. When the first newspapermen and audiences discovered what good copy this all was the flywheel of mythmaking started spinning. It's never stopped. The Gunfighters brilliantly sifts the lies from the truth giving both elements their due. And the truth is sufficiently wild for any but the most unhinged tastes. All the legendary figures are here and their escapades are told with great flair, good, bad and ugly. Like all great stories this one has a rousing end as the railroads and the settlers close off the open spaces for good, the last of the breed. Butch Cassidy and the Sundance Kid really do get on a boat for South America ending their era in a blaze of glory. Burroughs knits these histories together into something much deeper and more provocative than simply the sum of its parts. To understand the truth of the Wild West is to understand a crucial dimension of the American story. **Calamity Jane** James D. McLaird, 2005. A meticulously researched account about how an alcoholic prostitute was transformed into a Wild West heroine is presented in this biography of Martha Canary, the woman known as Calamity Jane. *Outlaws with Badges* Laurence J. Yadon, Robert Barr Smith, 2013-01-29. In the Old West upright lawmen were scarce. Often the men who were bound to keep the peace were just as corrupt as the men they pursued. These dishonest deputies chose their professions based on convenience rather than conviction and the most revered were often the wildest. These men held grudges, ruled with violence and instilled fear in all who crossed their paths. Offered here is an untainted perspective of these outlaws that discerns fact from myth. Legends such as Wyatt Earp and renegade lawman Dirty Dave Rudabaugh are presented as real men with quirks and weaknesses. The authors deconstruct not only the Dalton's last stand in Coffeyville, Kansas and the gunfight at the OK Corral among other famous heists but also the triumphs and flaws of their organizers. The Old West's former outlaws turned good, former lawmen gone bad and honorable citizens who moonlighted as robbers and rustlers are presented in these pages. ABOUT THE AUTHORS Laurence J. Yadon is an attorney, mediator and arbitrator who presents on various

legal subjects Oklahoma history and crime history He has assisted the Department of Justice in litigation matters before his local United States district court and has successfully argued before the United States Supreme Court He is the co author of Pelican s 100 Oklahoma Outlaws Gangsters and Lawmen 1839 1939 200 Texas Outlaws and Lawmen 1835 1935 Ten Deadly Texans Old West Swindlers and Arizona Gunfighters Yadon resides in Tulsa Oklahoma Robert Barr Smith is a History Channel commentator and the author of more than thirty articles and five books on the American Old West He has edited several titles including Pelican s 100 Oklahoma Outlaws Gangsters and Lawmen 1839 1939 200 Texas Outlaws and Lawmen 1835 1935 Ten Deadly Texans and Arizona Gunfighters and he co authored Old West Swindlers also published by Pelican A retired colonel Smith served more than twenty years in the Judge Advocate General s Corps and earned the Bronze Star and the Legion of Merit while serving in the United States Army He is a former deputy attorney general of California and a retired professor of the University of Oklahoma College of Law He lives in Norman Oklahoma Dirty Dave Rudabaugh Hoodoo Brown and Company Henry Newtown Brown John Larn Bob and Grat Dalton Wyatt Earp King Fisher Ben Thompson Henry Plummer Joseph Alfred Slade Doc Middleton Frank M Canton

**Shooters And Gunfights: The Wild West In Gunsmoke**

Pasquale De Marco,2025-04-21 Shooters and Gunfights The Wild West in Gunsmoke is a comprehensive exploration of the history culture and impact of gunfighting in the American Wild West Drawing upon a wealth of historical accounts cultural artifacts and expert opinions this book provides a nuanced and insightful examination of the gun s role in shaping American society From the early days of westward expansion when settlers and pioneers relied on firearms for survival and protection to the rise of the legendary gunfighters who roamed the lawless frontier the gun has played a pivotal role in shaping the American character This book delves into the complex relationship between the gun and the American identity examining the ways in which it has influenced our laws our culture and our politics The book also investigates the evolution of gunfighting from the days of the Wild West duels to the modern era of mass shootings It examines the role of the gun in American popular culture from its glorification in film and television to its use as a symbol of power and freedom Shooters and Gunfights The Wild West in Gunsmoke is a must read for anyone interested in American history culture or the role of firearms in society It is a thought provoking and informative exploration of a topic that continues to shape the nation to this day In addition to its historical and cultural insights Shooters and Gunfights The Wild West in Gunsmoke also offers a balanced and objective perspective on the ongoing debate over gun control The book presents a variety of viewpoints on this complex issue allowing readers to form their own opinions based on the facts and evidence Whether you are a history buff a firearms enthusiast or simply someone interested in the American experience Shooters and Gunfights The Wild West in Gunsmoke is a book that you will find both informative and engaging If you like this book write a review on google books

### **Gunfighters Of The Old West Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Gunfighters Of The Old West has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Gunfighters Of The Old West has opened up a world of possibilities. Downloading Gunfighters Of The Old West provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Gunfighters Of The Old West has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Gunfighters Of The Old West. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Gunfighters Of The Old West. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Gunfighters Of The Old West, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal

information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Gunfighters Of The Old West has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Gunfighters Of The Old West Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
