readers can experience in English translation the masterful thriller considered Manchette's finest proof positive that the French knew what they were talking about when they labeled this sort of novel noir. Publishers Weekly This superbly muscular translation of the late French mystery writer Jean Patrick Manchette's most celebrated work *The Prone Gunman* is the third volume issued by City Lights Noir. The series may prove to be the most needed contribution to contemporary fiction by any publisher in a good long while. The San Francisco Chronicle Jean Patrick Manchette was a French crime novelist credited with reinventing and reinvigorating the genre. He wrote ten short novels in the 1970s and early 80s and is widely recognized as the foremost French crime fiction author of that time. His stories are violent existentialist explorations of the human condition and French society. Jazz saxophonist and screenwriter Manchette was also a left wing activist influenced as much by the writings of the Situationist International as by Dashiell Hammett. *Infinite presents: Gunman #1* Zaire Ward, 2022-09-05 Many years in the future on an alternate version of earth one man rules all. The God King himself. Zaire. After his home called Sovereignty was destroyed by a nuclear strike orchestrated by The Syndicate. A collection of all the other nations of the world. He and his army of millions resurfaced from the ashes and shaped the new world in his image. Capturing all those he felt were responsible and forcing them to rebuild his desolate home of Sovereignty. The people who inhabit this place now call it The Red. The warrior's way is all that matters in his world. The art of combat in its purest form. Guns and bombs didn't play a part in this ideology. So they were all destroyed. Anyone that he has seen or heard using or making these weapons now are obliterated with no exceptions. What happened to Sovereignty would never happen again. At least that's what Zaire thought. A fourteen year old girl named Zora has a different plan. After Zaire kidnaps her Mother she embarks on an epic journey to rescue her but she can't do it alone. She seeks out the help of the only man she knew could stand up to the all powerful God King. A man with something no one else has. A man whose legend is as great if not greater than Zaire's himself. The exception to Zaire's rule. The man with the gun. **Gunman** Richard Dawes, 2014-05-27 In *Gunman* the Tucson Kid is hired by a businessman to track down and kill a band of outlaws who have kidnapped his daughter and taken her into the Badlands.
