Robert Casillo

Guns Garlic Myths Realities Of Organized Crime:

Guns and Garlic Frederic D. Homer, David A. Caputo, 1974 The author acknowledges the contribution of David A Caputo

An Ontology of Organized Crime Stephen Schneider, 2024-11-29 One of the most elusive pursuits in the study of organized crime is developing a definition description or conceptual model that captures its complexity diversity and ever changing nature This book takes a comprehensive approach to unraveling the intricacies and variations of organized crime providing a detailed account of its many attributes Based on a review of the theoretical literature the author has created a holistic typology essential to understanding organized crime The typology comprises 28 attributes divided into five thematic categories associational the relationship among the offenders that leads to some discernible structure commercial revenue generating crimes operational support functions and expenditures institutional factors that sustain a criminal association and activities over time and cultural behavioral the norms values and codes of organized crime and how they affect the actions of offenders These categories are not simply used to classify the different attributes each one represents a structural pillar of an organized criminal association As a meta analytical framework the typology is the first to incorporate the foremost ways in which organized crime has been conceptualized in the literature as an association of offenders the crimes perpetrated how organized crimes are carried out and as a form of underworld governance The book also adapts the static typology into a flexible and testable conceptual model that recognizes the many variations among organized criminal associations and which can be used to determine when a group of offenders constitutes organized crime Besides their theoretical and empirical purposes the typology and conceptual model have been constructed as applied frameworks for informing strategic enforcement setting priorities tactical enforcement targeting and denigrating the structural pillars of an organized criminal association and policy purposes as a basis for a comprehensive multi sectoral control plan This book is invaluable for students and scholars studying organized crime as well as criminal justice professionals looking for guidance on enforcement strategies and public policies

Organized Crime Klaus von Lampe, 2015-07-16 *Organized Crime Analyzing Illegal Activities Criminal Structures and Extra legal Governance* provides a systematic overview of the processes and structures commonly labeled organized crime drawing on the pertinent empirical and theoretical literature primarily from North America Europe and Australia The main emphasis is placed on a comprehensive classificatory scheme that highlights underlying patterns and dynamics rather than particular historical manifestations of organized crime Esteemed author Klaus von Lampe strategically breaks the book down into three key dimensions 1 illegal activities 2 patterns of interpersonal relations that are directly or indirectly supporting these illegal activities and 3 overarching illegal power structures that regulate and control these illegal activities and also extend their influence into the legal spheres of society Within this framework numerous case studies and topical issues from a variety of countries illustrate meaningful application of the conceptual and theoretical discussion

Transnational Organized Crime Margaret E. Beare, 2017-07-05 This selection of influential articles traces our evolving

understanding of transnational organized crime paradigm shifts from the alien conspiracy focused research to the more nuanced focused scholarship on markets and networks culminating in a focus on enablers of transnational crimes and evaluations of harm from transnational crimes The selected essays and articles reflect the way in which politics economics and social factors have impacted on scholarly thinking and the introduction also highlights the many authors and professionals who have been influential in this field This volume is an essential one stop resource for lecturers and students interested in all aspects of transnational organized crime

Using Open Data to Detect Organized Crime Threats

Henrik Legind Larsen, José María Blanco, Raquel Pastor Pastor, Ronald R. Yager, 2017-04-07 This work provides an innovative look at the use of open data for extracting information to detect and prevent crime and also explores the link between terrorism and organized crime In counter terrorism and other forms of crime prevention foresight about potential threats is vitally important and this information is increasingly available via electronic data sources such as social media communications However the amount and quality of these sources is varied and researchers and law enforcement need guidance about when and how to extract useful information from them The emergence of these crime threats such as communication between organized crime networks and radicalization towards terrorism is driven by a combination of political economic social technological legal and environmental factors The contributions to this volume represent a major step by researchers to systematically collect filter interpret and use the information available For the purposes of this book the only data sources used are publicly available sources which can be accessed legally and ethically This work will be of interest to researchers in criminology and criminal justice particularly in police science organized crime counter terrorism and crime science It will also be of interest to those in related fields such as applications of computer science and data mining public policy and business intelligence

The Origin of Organized Crime in America David Critchley, 2008-09-15 Introduction Black hand Calabrians and the Mafia First family of the New York Mafia The Mafia and the Baff murder The neapolitan challenge New York City in the 1920s Castellammare war and La Cosa Nostra Americanization and the families Localism tradition and innovation

Organized Crime in Chicago Robert M. Lombardo, 2012-12-30 This book provides a comprehensive sociological explanation for the emergence and continuation of organized crime in Chicago Tracing the roots of political corruption that afforded protection to gambling prostitution and other vice activity in Chicago and other large American cities Robert M Lombardo challenges the dominant belief that organized crime in America descended directly from the Sicilian Mafia According to this widespread alien conspiracy theory organized crime evolved in a linear fashion beginning with the Mafia in Sicily emerging in the form of the Black Hand in America s immigrant colonies and culminating in the development of the Cosa Nostra in America s urban centers Looking beyond this Mafia paradigm this volume argues that the development of organized crime in Chicago and other large American cities was rooted in the social structure of American society Specifically Lombardo ties organized crime to the emergence of machine politics in America s urban centers From

nineteenth century vice syndicates to the modern day Outfit Chicago's criminal underworld could not have existed without the blessing of those who controlled municipal county and state government. These practices were not imported from Sicily, Lombardo contends, but were bred in the socially disorganized slums of America where elected officials routinely franchised vice and crime in exchange for money and votes. This book also traces the history of the African American community's participation in traditional organized crime in Chicago and offers new perspectives on the organizational structure of the Chicago Outfit, the traditional organized crime group in Chicago.

[The Containment of Organised Crime and Terrorism](#)
 Cyrille J.C.F. Fijnaut, 2016-11-21. This unique volume collects articles and contributions to edited books published throughout his distinguished career by Professor Cyrille Fijnaut, one of the world's leading experts in the fields of organised crime, security and criminology. It makes clear what issues the author systematically explored over the years and how he helped to shape the fields in which he has worked and continues to work. The texts reflecting the author's profound understanding of these complex fields and wealth of experience on a practical level are presented according to topic. In addition, the volume offers English translations of seminal articles published originally in Dutch, thus making these important texts accessible to international scholars for the first time. The volume thus constitutes a unique and indispensable resource for scholars and practitioners inside and outside the Netherlands.

Library Book Catalog United States. Law Enforcement Assistance Administration, 1974. *Library Book Catalog, Subject Catalog, Volume 2* United States. Department of Justice, 1975.

Document Retrieval Index, 1974. *Russian Mafia in America* James O. Finckenauer, Elin J. Waring, 1998. An examination of Russian organized crime at home and in the U.S.

Library Book Catalog United States. Department of Justice, *The Triads as Business* Yiu-kong Chu, 2002-01-04. There is no doubt that the triads have become recognized as a sophisticated and international criminal force and following the handover of Hong Kong to China there have been increasing fears that their influence will spread to the West through emigration. This book investigates the reality behind the myth with a study of the Hong Kong triads generally regarded as the headquarters of triad societies throughout the world. Yiu Kong Chu examines their origins, their organized extortion from legitimate businesses large and small, and their more recent moves into illegal activities such as drug trafficking, human smuggling, and gambling. Contrary to the popular belief that Hong Kong triads are replacing the Italian Mafia as the most powerful criminal organization in the world, this book argues that Hong Kong triads may be declining as other ethnic Chinese crime gangs emerge as powerful crime groups in Western societies. Based on interviews with ex-triad members and victims of the triads, police from Hong Kong, mainland China, and Europe, as well as documentary evidence, *The Triads as Business* gives a vivid and compelling picture of the triads as part of a wider society.

Gangster Priest Robert Casillo, 2006-01-01. Widely acclaimed as America's greatest living film director, Martin Scorsese is also some argue the pre-eminent Italian American artist. Although he has treated various subjects in over three decades, his most sustained filmmaking and the core of his achievement consists of five films on Italian American subjects.

Who's That Knocking at My Door, Mean Streets, Raging Bull, GoodFellas, and Casino as well as the documentary Italianamerican. In Gangster Priest Robert Casillo examines these films in the context of the society, religion, culture, and history of Southern Italy from which the majority of Italian Americans, including Scorsese, derive. Casillo argues that these films cannot be fully appreciated either thematically or formally without understanding the various facets of Italian American ethnicity as well as the nature of Italian American cinema and the difficulties facing assimilating third generation artists. Forming a unified whole, Scorsese's Italian American films offer what Casillo views as a prolonged meditation on the immigrant experience, the relationship between Italian America and Southern Italy, the conflicts between the ethnic generations, and the formation and development of Italian American ethnicity and thus identity on American soil through the generations. Raised as a Catholic and deeply imbued with Catholic values, Scorsese also deals with certain forms of Southern Italian vernacular religion which have left their imprint not only on Scorsese himself but also on the spiritually tormented characters of his Italian American films. Casillo also shows how Scorsese interrogates the Southern Italian code of masculine honour in his exploration of the Italian American underworld or Mafia, and through his implicitly Catholic optic discloses its thoroughgoing and longstanding opposition to Christianity. Bringing a wealth of scholarship and insight into Scorsese's work, Casillo's study will captivate readers interested in the director's magisterial artistry, the rich social history of Southern Italy, Italian American ethnicity, and the sociology and history of the Mafia in both Sicily and the United States.

Cultures of Darkness Bryan D. Palmer, 2019-02-15 Peasants, religious heretics, witches, pirates, runaway slaves, prostitutes, and pornographers, frequenters of taverns and fraternal society lodge rooms, revolutionaries, blues and jazz musicians, beats, and contemporary youth gangs: those who defied authority, choosing to live outside the defining cultural dominions of early insurgent and later dominant capitalism, are what Bryan D. Palmer calls people of the night. These lives of opposition or otherness were seen by the powerful as deviant, rejecting authority and consequently threatening to the established order. Constructing a rich historical tapestry of example and experience spanning eight centuries, Palmer details lives of exclusion and challenge as the night travels of the transgressors clash repeatedly with the powerful conventions of their times. Nights of liberation and exhilarating desire, sexual and social, are at the heart of this study. But so too are the dangers of darkness as marginality is coerced into corners of pressured confinement or the night is used as a cover for brutalizing terror, as was the case in Nazi Germany or the lynching of African Americans. Making extensive use of the interdisciplinary literature of marginality found in scholarly work in history, sociology, cultural studies, literature, anthropology, and politics, Palmer takes an unflinching look at the rise and transformation of capitalism as it was lived by the dispossessed and those stamped with the mark of otherness.

Combating Transnational Crime Dimitri Vlassis, Phil Williams, 2013-03-07 This work examines the challenges posed by transnational crime and the steps being taken by the international community to meet these challenges. It offers comprehensive analysis of different forms of transnational crime and the various responses that are being developed.

Older Offenders Cathleen Burnett, 2018-10-24 Here is the most up to the minute interdisciplinary research that has been conducted on older offenders This scholarly volume highlights the dimensions of the offenses committed by older adults and features empirical research addressing the sentencing alternatives applied to older offenders Academicians and practitioners also provide much needed insight into the management and correctional issues that arise with the incarceration of older offenders including adjustment to prison life physical and emotional health care and rehabilitation and or preparation of the offender for the return to life outside prison Crime and Criminal Justice in Israel Robert R. Friedmann, 2012-02-01

Assessing the Israeli criminal justice knowledge base with implications for Israel and international scholarship this book explores crime legislation law enforcement courts corrections and the victim The book discusses the development of criminal justice and criminology in a new society adding to the understanding of crime and societal reaction The authors examine the historical development of Israeli criminal justice describe the state of current knowledge and point to possible future directions

The Talented Mrs. Mandelbaum Margalit Fox, 2025-09-23 America's first great organized crime lord was a lady a nice Jewish mother named Mrs Mandelbaum A tour de force With a pickpocket's finesse Margalit Fox lures us into the criminal underworld of Gilded Age New York Liza Mundy author of *The Sisterhood* A PARADE BEST BOOK OF THE YEAR In 1850 an impoverished twenty five year old named Fredericka Mandelbaum came to New York in steerage and worked as a peddler on the streets of Lower Manhattan By the 1870s she was a fixture of high society and an admired philanthropist How was she able to ascend from tenement poverty to vast wealth In the intervening years Marm Mandelbaum had become the country's most notorious fence a receiver of stolen goods and a criminal mastermind By the mid 1880s as much as 10 million worth of purloined luxury goods nearly 300 million today had passed through her Lower East Side shop Called the nucleus and center of the whole organization of crime she planned robberies of cash gold and diamonds throughout the country But Mrs Mandelbaum wasn't just a successful crook She was a business visionary one of the first entrepreneurs in America to systemize the scattershot enterprise of property crime Handpicking a cadre of the finest bank robbers housebreakers and shoplifters she handled logistics and organized supply chains turning theft into a viable scalable business The Talented Mrs Mandelbaum paints a vivid portrait of Gilded Age New York a city teeming with nefarious rogues capitalist power brokers and Tammany Hall bigwigs all straddling the line between underworld enterprise and legitimate commerce Combining deep historical research with the narrative flair for which she is celebrated Margalit Fox tells the unforgettable true story of a once famous heroine whose life exemplifies America's cherished rags to riches narrative while simultaneously upending it entirely

Guns Garlic Myths Realities Of Organized Crime Introduction

In today's digital age, the availability of Guns Garlic Myths Realities Of Organized Crime books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Guns Garlic Myths Realities Of Organized Crime books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Guns Garlic Myths Realities Of Organized Crime books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Guns Garlic Myths Realities Of Organized Crime versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Guns Garlic Myths Realities Of Organized Crime books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Guns Garlic Myths Realities Of Organized Crime books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Guns Garlic Myths Realities Of Organized Crime books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which

provides a vast collection of digitized books and historical documents. In conclusion, Guns Garlic Myths Realities Of Organized Crime books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Guns Garlic Myths Realities Of Organized Crime books and manuals for download and embark on your journey of knowledge?

FAQs About Guns Garlic Myths Realities Of Organized Crime Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Guns Garlic Myths Realities Of Organized Crime is one of the best book in our library for free trial. We provide copy of Guns Garlic Myths Realities Of Organized Crime in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Guns Garlic Myths Realities Of Organized Crime. Where to download Guns Garlic Myths Realities Of Organized Crime online for free? Are you looking for Guns Garlic Myths Realities Of Organized Crime PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Guns Garlic Myths Realities Of Organized Crime. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Guns Garlic Myths Realities Of Organized Crime are for sale to free while some are payable. If you arent sure if

the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Guns Garlic Myths Realities Of Organized Crime. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Guns Garlic Myths Realities Of Organized Crime To get started finding Guns Garlic Myths Realities Of Organized Crime, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Guns Garlic Myths Realities Of Organized Crime So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Guns Garlic Myths Realities Of Organized Crime. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Guns Garlic Myths Realities Of Organized Crime, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Guns Garlic Myths Realities Of Organized Crime is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Guns Garlic Myths Realities Of Organized Crime is universally compatible with any devices to read.
