Gunstories Life Changing Experiences With Guns:

Gunstories S. Beth Atkin,2007-11-13 Guns are a fact of life for young people growing up in the United States They are found in homes for protection sport and hunting Guns are also on the street for defense and security and in gang related uses Guns can cause accidents and even deaths while they can also nurture self esteem and athletic abilities The impact of guns on young people s lives is undebatable and often dramatic S Beth Atkin s evocative photographs and candid interviews share the remarkable stories told in their own voices of an array of young people s life changing experiences with guns

Gunstories ,2006-02-07 A collection of stories interviews and photographs that share the mixed impact guns have on young people s lives Provided by publisher *Gun Violence* Holly Cefrey,2008-08-15 This book covers the history of guns and gun violence and how guns have been used for both good and bad to enact violence and to combat it The Great American Gun Control Debate (Not!) Michael E. Wuest,2010-03 In THE GREAT AMERICAN GUN CONTROL DEBATE Not Mr Wuest puts gun control under the microscope He ferrets out the truth separating fact from fiction He presents not a balanced picture but scientific objectivity What is important is not popular opinion or conventional wisdom but the TRUTH What works and what doesn t What have we already done and what should we do or do not We have had some gun control for as much as a hundred years Has it done any good Has it worked to prevent crime Has gun control become a free ride Or does it cost us dearly An engineer by profession Mr Wuest examines this and more using rigorous testing Frustrated by the lack of honest debate regarding gun control Mr Wuest provides both sides of the arguments The gun control side is well known no end of print and air time have been devoted to supporting it What is the other side the one we never hear Is there a downside to gun control Find out the answers to these and other questions in THE GREAT AMERICAN GUN CONTROL DEBATE Not Mr Wuest provides a breath of fresh air to a stale debate We have been stuck in a gun control rut for so long that it is questionable if the truth will prevail Let us all hope so **The Read-Aloud Handbook** Jim Trelease,2006-07-25 A New York Times and million copy bestseller the classic handbook on reading aloud to children revised and updated Recommended by Dear Abby The New York Times and The Washington Post for three decades millions of parents and educators have turned to Jim Trelease s beloved classic to help countless children become avid readers through awakening their imaginations and improving their language skills Now this new edition of The Read Aloud Handbook imparts the benefits rewards and importance of reading aloud to children of a new generation Supported by delightful anecdotes as well as the latest research The Read Aloud Handbook offers proven techniques and strategies and the reasoning behind them for helping children discover the pleasures of reading and setting them on the road to becoming lifelong readers **Serving Young Teens and 'Tweens** Sheila B. Anderson,2006-11-30 Notable teen experts and stellar practitioners from across the country explain why library service to adolescents in this age range is so important and how you can enhance your collection and services to accommodate and win over this important group Topics range from understanding adolescent informational needs and

building and promoting a winning collection to creating programs with tween appeal Contributors include Sheila B Anderson James Rosinia Deb Taylor Robyn Lupa and Kristine Mahood Brimming with valuable insights and fresh ideas as well as nuts and bolts directions this is a must read for all librarians who work with young adolescents If someone is described as a young adult what image comes to mind In fact a young adult can be a twelve year old middle schooler or a high school graduate Libraries have traditionally offered a variety programs and services for YAs and although more emphasis has been given to serving teens in recent years little has been done to distinguish between groups within the category and meet the specific developmental needs of this broad range of library users This collection complements Anderson s previous collection *Serving Older Teens* by focusing on the needs of tweens and young teens ages 11-14 This is the age range when many young people stop using the library and lose interest in reading Notable teen experts and stellar practitioners from across the country explain why service to adolescents in this age range is so important and how you can enhance your collection and services to accommodate and win over this important group Topics range from understanding adolescent informational needs and building and promoting a winning collection to creating programs with tween appeal Contributors include Sheila Anderson James Rosinia Deb Taylor Robyn Lupa Brenda Hager and Kristine Mahood Brimming with valuable insights and fresh ideas as well as nuts and bolts directions this is a must read for all librarians who work with young adolescents **School**
