Gurkha Connection

Tony Gould

Gurkha Connection:

Imperial Connections Thomas R. Metcalf, 2007-04-24 An innovative remapping of empire Imperial Connections offers a broad ranging view of the workings of the British Empire in the period when the India of the Raj stood at the center of a newly globalized system of trade investment and migration Thomas R Metcalf argues that India itself became a nexus of imperial power that made possible British conquest control and governance across a wide arc of territory stretching from Africa to eastern Asia His book offering a new perspective on how imperialism operates emphasizes transcolonial interactions and webs of influence that advanced the interests of colonial India and Britain alike Metcalf examines such topics as law codes and administrative forms as they were shaped by Indian precedents the Indian Army's role in securing Malaya Africa and Mesopotamia for the empire the employment of Indians especially Sikhs in colonial policing and the transformation of East Africa into what was almost a province of India through the construction of the Uganda railway He concludes with a look at the decline of this Indian Ocean system after 1920 and considers how far India's participation in it opened opportunities for Indians to be a colonizing as well as a colonized people

The Gurkha Connection Purushottam Prasad Banskota, 1994 This Book Focuses On The Impact Of The Recruitment Of The Legendary Gurkha On The Social Economic And Political Condition Of The Suppressed Communities Of Nepal [The Gurkha Connection](#) Purushottam Banskota, 1994 *The Gurkha Way* John Sadler, 2023-12-30 In the 18th century in the town of Gorkha just north of Kathmandu ruler Prithvi Narayan fought campaigns against his neighbors and the British During the fighting his warriors renowned for their aggression and courage gained the respect of the British who appreciated that the steadfast warriors would make excellent soldiers Upon the declaration of peace in 1816 a partnership was born This alliance would play a vital role in UK defense over the next two centuries from surviving the Indian Mutiny of 1857 and fighting in the jungles of Burma to the Khyber Pass which would keep the Gurkhas in action for ninety years The First World War sent the Regiment to the trenches where battalion after battalion was decimated Some 20 Gurkha battalions were deployed in the Second World War which was soon increased to 45 following Dunkirk Around 250 000 Gurkha soldiers would serve and were deployed most significantly in North Africa but also served with distinction in the Italian Campaign and Monte Cassino as well as the decisive battles of Imphal and Kohima in the Far East while the Gurkhas saw a drop in overall numbers post war they have continued to make integral contributions to many operations including the Falklands and in Afghanistan which this book examines extensively with a special focus on Operation Herrick In *The Gurkha Way* John Sadler tells the story of the Gurkhas from their inception to modern day through interviews unpublished diaries and correspondence With over 200 years experience these steadfastly loyal soldiers are a link to an imperial past but also a key component of the modern British army There is no other comparable unit in any of the world's armies with the obvious exception of the Indian Army or one more respected and loved by the British

Gurkha Tales J.P. Cross, 2013-01-19 J P CROSS has spent 67 years among the

Gurkhas first as a serving officer and then as a resident of Nepal being the only foreigner in the history of the country to be allowed to be both a house and land owner His language ability is such that even after 90 minutes of being interviewed on the radio only those who recognized his voice knew he was not a Nepali With this unparalleled knowledge and experience the author has produced a unique series of articles written over the past fifty years These cover events in his own career including the time he found himself in command of a Japanese battalion fighting nationalist guerrillas in Indo China in 1945 and jungle warfare in Malaya during the Emergency as well as descriptions of the nature of the Gurkha soldier and his relationship with the British first as part of the army of the Raj and later in the modern British Army Informative amusing and often moving this anthology gives an insight into one of the most enduring cross cultural relationships in British military history one of the few surviving from the age of Empire

Gurkhas at War J.P. Cross, Buddhiman Gurung, 2016-02-29 A history of important twentieth century military conflicts through the eyes of the an elite force of South Asian soldiers In depth interviews with Gurkhas soldiers past and present depict key military campaigns of the twentieth century in the words of the men who were there From WW2 to the present day these eyewitness accounts include the lengthy battles against the Japanese in Burma the action against communist rebels in Malaya and Hong Kong plus more recent deployment of Gurkhas in the Falklands Gulf Balkans and East Timor

Insurgency in Nepal Thomas A. Marks, 2003 Insurgencies in the 21st century are different than the Cold War era ones that generated existing doctrine and strategy and which shaped the way that most American strategists think about insurgency The beast has mutated and evolved So too must those who confront it To help Army and Department of Defense leaders master these new challenges the Strategic Studies Institute publishes a special series entitled Insurgency and Counterinsurgency in the 21st Century This monograph which assesses the growing insurgency in Nepal with its potential to further destabilize an already volatile region is a path breaking and an excellent inaugural effort in this new series

Mutual Security Sangeeta Thapliyal, 1998 *Historical Record of The Queen's Own Gurkha Logistic Regiment, 1958-2018* J. R. Cawthorne, 2023-01-31 The Gurkha Army Service Corps the predecessor of The Queen's Own Gurkha Logistic Regiment was raised in Singapore in 1958 ten years after the transfer of Gurkha regiments from the Indian Army to the British Army and towards the end of the Malayan Emergency Within four years of being formed it was committed to continuous operations in Brunei and Borneo during Confrontation with Indonesia between 1962-66 It was also redesignated the Gurkha Transport Regiment in 1965 to reflect changes to the Army's logistic structure Between 1966-71 the Regiment was substantially reduced in size along with the rest of The Brigade of Gurkhas as Britain withdrew its forces from East of Suez Concentrated in Hong Kong the Regiment provided transport support to the Garrison for the next 20 years In 1991 a composite squadron was sent to reinforce British Forces in the Gulf War after which in preparation for the handback of Hong Kong to China the Regiment moved to and became permanently stationed in the UK In recognition of its past services it was granted the royal title The Queen's Own Gurkha Transport Regiment in 1992 The following two decades

saw it undertake multiple operational tours to the Balkans Iraq Cyprus and Afghanistan as well as providing humanitarian assistance to the Ebola crisis in Sierra Leone It also expanded both its role to incorporate supply and catering and size which led in 2001 to it being redesignated to its current title The Queen s Own Gurkha Logistic Regiment This history records the events and activities of the Regiment during its first 60 years of service to the Crown While of wider interest to military historians it is principally written for members of the Regiment past present and future **Kathmandu** Thomas

Bell,2016-04-15 One of the greatest cities of the Himalaya Kathmandu Nepal is a unique blend of thousand year old cultural practices and accelerated urban development In this book Thomas Bell recounts his experiences from his many years in the city exploring in the process the rich history of Kathmandu and its many instances of self reinvention Closed to the outside world until 1951 and trapped in a medieval time warp Kathmandu is as Bell argues a jewel of the art world a carnival of sexual license a hotbed of communist revolution a paradigm of failed democracy a case study in bungled western intervention and an environmental catastrophe The layered development of the city can be seen in the successive generations of its gods and goddesses its comfort in the caste system and ethos of aristocracy and kingship and the recent destabilizing effects of consumerist approaches and the push for egalitarianism and democracy In important ways Kathmandu s rapid modernization can be seen as an extreme version of what is happening in other traditional societies Bell also discusses the ramifications of the recent Nepal earthquake A comprehensive look at a top global destination Kathmandu is an entertaining and accessible chronicle for anyone eager to learn more about this fascinating city **Civil-Military Entanglements** Birgitte Refslund

Sørensen,Eyal Ben-Ari,2019-07-16 Military civilian encounters are multiple and diverse in our times Contributors to this volume demonstrate how military and civilian domains are constituted through entanglements undermining the classic civil military binary and manifest themselves in unexpected places and manners Moreover the essays trace out the ripples reverberations and resonations of civil military entanglements in areas not usually associated with such ties but which are nevertheless real and significant for an understanding of the roles war violence and the military play in shaping contemporary societies and the everyday life of its citizens **Captivity, Forced Labour and Forced Migration in**

Europe during the First World War Matthew Stibbe,2013-09-13 The notion of the First World War as the great seminal catastrophe Urkatastrophe of the twentieth century is now firmly established in historiography Yet astonishingly little has been written about the fate of non combatants in occupied and non occupied territory including civilian internees deportees expellees and disarmed military prisoners This volume brings together experts from across Europe to consider the phenomena of captivity forced labour and forced migration during and immediately after the years 1914 to 1918 Each contribution offers a European wide perspective thus moving beyond interpretations based on narrow national frameworks or on one of the fighting fronts alone Particular emphasis is placed on the way in which the experience of internees forced labourers and expellees was mediated by specific situational factors and by the development of war cultures and mentalities

at different stages in the respective war efforts Other themes considered include the recruitment and deployment of colonial troops in Europe and efforts to investigate monitor and prosecute alleged war crimes in relation to the mistreatment of civilians and POWs The final contribution will then consider the problems associated with repatriation and the reintegration of returning prisoners after the war This book was published as a special issue of Immigrants and Minorities

Martial races Heather Streets, 2017-03-01 This book explores how and why Scottish Highlanders Punjabi Sikhs and Nepalese Gurkhas became identified as the British Empire's fiercest most manly soldiers in nineteenth century discourse As martial races these men were believed to possess a biological or cultural disposition to the racial and masculine qualities necessary for the arts of war Because of this they were used as icons to promote recruitment in British and Indian armies a phenomenon with important social and political effects in India in Britain and in the armies of the Empire Martial Races bridges regional studies of South Asia and Britain while straddling the fields of racial theory masculinity imperialism identity politics and military studies Of particular importance is the way it exposes the historical instability of racial categories based on colour and its insistence that historically specific ideologies of masculinity helped form the logic of imperial defence thus wedding gender theory with military studies in unique ways Moreover Martial Races challenges the marginalisation of the British Army in histories of Victorian popular culture and demonstrates the army's enduring impact on the regional cultures of the Highlands the Punjab and Nepal This unique study will make fascinating reading for higher level students and experts in imperial history military history and gender history

Home in Motion: The Shifting Grammars of Self and Stranger Pedro F. Marcelino, 2020-05-06 Home in Motion The Shifting Grammars of Self and Stranger is a collection of essays on contemporary identities and ethnoscapas from Australia to South Africa from Morocco to Nepal and everywhere in between

Race, Ethnicity and Migration in Modern Japan: Imagined and imaginary minorities Michael Weiner, 2004

Britain and Tibet 1765-1947 Julie G. Marshall, 2005 This bibliography is a record of British relations with Tibet in the period 1765 to 1947 As such it also involves British relations with Russia and China and with the Himalayan states of Ladakh Lahul and Spiti Kumaon and Garhwal Nepal Sikkim Bhutan and Assam in so far as British policy towards these states was affected by her desire to establish relations with Tibet It also covers a subject of some importance in contemporary diplomacy It was the legacy of unresolved problems concerning Tibet and its borders bequeathed to India by Britain in 1947 which led to border disputes and ultimately to war between India and China in 1962 These borders are still in dispute today It also provides background information to Tibet's claims to independence an issue of current importance The work is divided into a number of sections and subsections based on chronology geography and events The introductions to each of the sections provide a condensed and informative history of the period and place the books and article in their historical context Most entries are also annotated This work is therefore both a history and a bibliography of the subject and provides a rapid entry into a complex area for scholars in the fields of international relations and military history as well as

Asian history *The Gurkhas* Chris Bellamy, 2011-04-14 The Gurkhas have fought on behalf of Britain and India for nearly two hundred years As brave as they are resilient resourceful and cunning they have earned a reputation as devastating fighters and their unswerving loyalty to the Crown has always inspired affection in the British people There are also now up to 40 000 Gurkhas in the million strong army of modern India But who are the Gurkhas How much of the myth that surrounds them is true Award winning historian Chris Bellamy uncovers the Gurkhas origins in the Hills of Nepal the extraordinary circumstances in which the British decided to recruit them and their rapid emergence as elite troops of the East India Company the British Raj and the British Empire Their special aptitude meant they were used as the first British Special Forces Bellamy looks at the wars the Gurkhas have fought this century from the two world wars through the Falklands to Iraq and Afghanistan and examines their remarkable status now when each year 11 000 hopefuls apply for just over 170 places in the British Army Gurkhas Extraordinarily compelling this book brings the history of the Gurkhas and the battles they have fought right up to date and explores their future

Illegal Immigration in America David W. Haines, Karen Rosenblum, 1999-10-30 Few issues have provoked as much controversy over the last decade as illegal immigration While some argue for the need to seal America's borders and withdraw all forms of social and governmental support for illegal migrants and their children others argue for humanitarian treatment including legalization for people who fill widely acknowledged needs in American industry and agriculture and have left home country situations of economic hardship or political persecution The study of illegal immigration necessarily confronts a broad range of migrants from the familiar border crossers to those who enter illegally and overstay their visas to the many unrecognized refugees who enter the country to seek protection under U S asylum law The subject also demands attention to American society's responses to these newcomers responses that often focus on limited elements of a complex issue A comprehensive up to date review of this volatile subject this book provides an accessible balanced introduction to the subject Covering the full range of illegal immigrants from Mexican border crossers to Central American refugees illegal Europeans and smuggled Chinese the book considers the kind of work the migrants do and the public response to them The work is divided into four parts Concepts Policies and Numbers The Migrants and Their Work The Responses and Illegal Immigration in Perspective

The Hats that Made Britain David Long, 2020-09-18 Many of the world's most famous hats have their origins in Britain in the Middle Ages there were civil and religious laws requiring hats to be worn and in Victorian Britain a person would no more leave home without a hat than a pair of trousers It is no surprise that London's oldest surviving shop Lock and Co is a hatter From practical everyday caps and bonnets to military headwear top hats and even the coronation crown hats of all sorts have passed through its doors and continue to do so after more than 300 years In this fascinating new book David Long reveals how much of Britain's social history can be understood through its headwear and in exploring the ways in which a hat speaks volumes about its wearer's rank and status he tells the stories of the people beneath some of the most famous hats of history

Imperial Warriors Tony Gould, 2000 A comprehensive history of the Gurkhas which remains to this day a unique and much loved regiment and which played a crucial role in the British Empire

Decoding **Gurkha Connection**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force.
