Arts & Humanities Citation Index, 1997 A multidisciplinary index covering the journal literature of the arts and humanities It fully covers 1 144 of the world s leading arts and humanities journals and it indexes individually selected relevant items from over 6 800 major science and social science journals Computer Gaming World , **The Order of the Garter, 1348-1461** Hugh E. L. Collins, 1996 **Stories of Chivalry** , 1909 **Knight: The Medieval Warrior's (Unofficial) Manual** Michael Prestwich, 2010-05-01 An insider s guide how to become a knight wield a sword join a Crusade and make your fortune The knight is the supreme warrior of the Middle Ages Fully armored and mounted on a magnificent charger he seems invincible Honor and glory await him as guided by the chivalric code he fights with lance and sword This carefully researched yet entertaining book provides all the essential information you need to become a successful knight in the later Middle Ages during the period of the Hundred Years War Should you go on a Crusade Which order of chivalry might you consider joining What is required when you go through the ceremony of knighthood Here are the answers to these and many more questions plus practical advice on topics such as equipment fighting methods and the conventions of warfare But the knightly life is not all battles and sieges there are also tournaments and jousts to enjoy and the world of courtly love Based on contemporary lives and descriptions this book written by a leading medieval historian paints a vivid picture of what it was like to be a medieval knight The Book of Knighthood and Chivalry Ramon Llull, 2004 What did it mean to be a medieval knight Medieval knighthood and chivalry still hold a fascination for modern readers more than 500 years after the knight s office was overtaken by the military officer and civil servant Writing in the latter part of the 13th century Ramon Lull penned what has become one of the most influential books on what it meant to be a knight Originally written in Catalan it was first translated into English in 1484 by William Caxton and printed as one of the first books in England Since the 15th century text has proven difficult for many students this modernized edition by Brian R Price strives to preserve as much of Caxton s language as possible while updating the text as necessary to make this important work accessible to modern readers As a bonus the editors have included the anonymous *Ordene de Chevalerie* translated into English by William Morris Together these works comprise two of the three most important works on chivalry to survive from the Middle Ages *Page, Esquire, and Knight* Marion Florence Lansing, 2017-09-03 Fifteen exciting stories from the Medieval era of Knights Courtly Love and Chivalry selected arranged and retold by Marion Florence Lansing Beginning with the immortal story of King Arthur and the Knights of the Round Table the book also covers Sir Gawain and the Green Knight and Arthur s passing before moving on to the era of Charlemagne Here drawing upon real life events of such magnitude that they quickly passed into legend the reader will find the stories of Roland and his death Godfrey and the Crusades the origin of the story of St George and the Dragon and Chevalier Bayard among many others Originally aimed at younger readers the author inserted guide notes for teachers suggesting themes for educating the young and further reading suggestions at the end of the book This

work contains all the original text and its accompanying beautiful illustrations and has been complete reset and digitally restored to better than original quality It sets forth in simple story form the development and progress of knighthood from the time of St George who won his spurs by killing the dragon to the founding a thousand years later of the order which bore his name and embodied in its ritual the highest ceremonial of chivalry With its explanation of the meaning of the degrees of knighthood its description of quests and tourneys and its outline of the great events of chivalry this volume will serve as a good introduction to the later reading of the child in Arthurian and other romance and in the history of Charlemagne's wars and the crusades Chivalry ceased to be of practical value only when the conditions of civilization called for men of peace rather than war and the perfect knight was replaced by the perfect gentleman from the Preface Illustrated by Charles Copeland *Chivalry, Knighthood, and War in the Middle Ages* Susan Janet Ridyard, 1999 **Chivalry (Medieval Historical Fantasy)** Mark Lord, 2013-11-25 Do you love gritty medieval fantasy In Chivalry magic is mixed with the harsh realities of the Hundred Years War Magic Murder and Mayhem in the Middle Ages With the code of chivalry being dragged through the mud and blood of war torn France will anyone stand up for what is right Perhaps Jake Savage a common archer will stick up for the oppressed But to do so would be to betray his comrades and his country In Chivalry A Jake Savage Adventure a single silent knight armoured in black plate defends a narrow bridge in the hills of Auvergne blocking the path of a band of desperate English soldiers On the bank defended by the knight is a pavilion where sits a French noble woman who taunts the English Cold wet and hungry Jake and his comrades have seen a tower high in the hills beyond the bridge which they hope will provide food drink and shelter and even a little loot But the knight and the lady prove more difficult opponents than they imagined Chivalry is a short story **Chivalry** James Branch Cabell, 2021-10-08 Chivalry is an early work by Cabell a slender collection of short tales The Prince Edward of the second story here is very much the prototype of Don Manuel in *Figures of the Earth* Indeed most of the types that populate Cabell's novels are to be found but clothed in a more courtly style as they pass through a somewhat tongue in cheek pastiche of Medieval romances Goodreads **Chivalry** James Branch Cabell, 1909 [Page, Esquire, and Knight; a Book of Chivalry](#) Marion Florence Lansing, 2012-08-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy *The Age of Chivalry* Sylvia Wright, 1987 *Chivalry* Cabell James Branch, 2016-06-23 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old
