Gurps Illuminati The World Is Stranger Than You Think:

Gurps Illuminati Nigel D. Findley, 2018-11-20 The Secret Masters have denied all knowledge of the various conspiracy theories put forth in GURPS Illuminati To begin with we don't even exist said a spokesman The Illuminati are a myth He went on to deny specifically that Everything you read in the tabloids is true Aliens regularly visit Earth and are in contact with high government officials The Men in Black are everywhere and will snatch you from your home if you ask too many questions or just see something you shouldn't see Orbital Mind Control satellites cruise the skies influencing international politics and deciding the fates of billions The Gnomes of Zurich control the world's monetary supply and manipulate it to fit their own sinister plans The world is such a complex web of secrets mysteries and conspiracies that nobody really knows what is happening But everyone in power lies all the time The only real way to protect yourself is to join the conspiracy But even then you'll never know who is pulling your strings Everything you know is a lie Everything you suspect is true The world is a very strange place Hail Eris All Hail Discordia The publishers of GURPS Illuminati Steve Jackson Games admitted that it was a work of fiction but added It's all true anyway Just look at the book It's closer than you think *Die Protokolle der Weisen von Zion* Wolfgang Benz, 2007 Enth u a S 80 88 Aufkl rung als Wache Der Berner Prozess und andere Abwehrversuche
