The Letters of Alfred Lord Tennyson: 1821-1850 Alfred Tennyson, Baron Tennyson, 1981. Many years in preparation, this first volume of Lang and Shannon's edition of Tennyson's correspondence lives up to all expectations. In a comprehensive introduction, the editors present not only the biographical background with vivid portrayals of the *dramatis personae* but also the story of the manuscripts, the ones that were destroyed and the many that luckily survived. The Tennyson who emerges in this volume is not a serene or Olympian figure. He is moody, impulsive, often reckless, now full of camaraderie, now plagued by anxiety or resentment, deeply attached to close friends and family and uninterested in the social scene. His early life is unenviable: we see glimpses of the embittered, drunken father, the distraught mother, the swarm of siblings in the rectory at Somersby in Lincolnshire. The happiest period is the three years at Cambridge, terminated when his father dies, and the two years thereafter with Arthur Hallam, engaged to his sister and a frequent visitor at their house. The shock of Hallam's death in 1833, coupled with the savage attack on Tennyson's poems in the *Quarterly Review*, is followed by depression, bouts of alcoholism, financial problems, and gradually, in the 1840s, increasing recognition of his work. The year 1850 sees the publication of *In Memoriam*, his long deferred marriage at age forty to Emily Selwood, and his acceptance, not without misgivings, of the post of Poet Laureate. The editors have garnered and selected a large number of letters to and about Tennyson which supplement his own letters, fill in lacunae in the narrative, and reveal him to us as his friends and contemporaries saw him.

The Letters of Charles and Mary Anne Lamb Charles Lamb, Jr., Mary Anne Lamb, 2018-09-05. All of the available letters of Charles Lamb, a master of the English essay, and his sister Mary Anne, published in this definitive, scrupulously edited work. The letters, many of them written to illustrious figures of the Romantic period, are generally agreed to rank among the finest in the English language. Transcribing, where possible, from the originals or facsimiles, Professor Marrs corrects textual errors found in previous editions and he pays particular attention to establishing precise dates for the correspondence. He includes letters that were omitted from the last collection published in 1935 and long out of print, and he has uncovered more than eighty letters never published before. *The Letters of Charles and Mary Anne Lamb* totals five or six volumes and presents nearly 1200 letters written by Charles and Mary singly or together. The correspondence is fully annotated, the volumes are illustrated, and the holographic idiosyncrasies of the originals are

rendered typographically wherever possible Rich in revelations about the extraordinary lives of the Lambs these beautifully written letters are an inexhaustible store of information about the Romantic era and its major figures Wordsworth Keats and Coleridge The publication of unexpurgated and authoritative texts is an important literary event The first volume was published in 1975 the bicentenary of Charles Lamb s birth It contains 102 letters written by Charles many of them after Mary murdered their mother Among the recipients were the poets Coleridge Southey and Wordsworth The letters provide shrewd observations on his friends writings and his own vivid descriptions of life in London and compassionate but candid remarks concerning his family and acquaintances Notes to each letter place it in context quoting where necessary from the correspondence Lamb is answering Volume I includes Professor Marrs s extensive Introduction to the entire collection After supplying a biography of the Lamb family up to the murder he treats Mary s and Charles s life together until Charles s death tracing through the letters a relationship that remained warm and affectionate even under the shadow of Mary s insanity Professor Marrs also gives the publishing history of the letters and sets forth the principles upon which his edition is based

National Union Catalog Subcommittee,1971 *The Spectator* ,1894 *The Pathfinder* ,1906 **Loving Literature** Deidre Lynch,2015 Of the many charges laid against contemporary literary scholars one of the most common and perhaps the most wounding is that they simply don t love books And while the most obvious response is that no actually the profession of literary studies does acknowledge and address personal attachments to literature that answer risks obscuring a more fundamental question Why should they That question led Deidre Shauna Lynch into the historical and cultural investigation of *Loving Literature* How did it come to be that professional literary scholars are expected not just to study but to love literature and to inculcate that love in generations of students What Lynch discovers is that books and the attachments we form to them have long played a role in the formation of private life that the love of literature in other words is neither incidental to nor inextricable from the history of literature Yet at the same time there is nothing self evident or ahistorical about our love of literature our views of books as objects of affection have clear roots in late eighteenth century and nineteenth century publishing reading habits and domestic history Publisher s Web site [The Letters of A.
