Effective Evaluation Of Training And Development In Higher Education:

Effective Evaluation of Training and Development in Higher Education Bob Thackwray,1997 This text argues that higher education must develop better and more consistent practices with regards to the evaluation of training and development It provides a guide to practices and uses examples and case studies to show the benefits that can be gained from using evaluation effectively *The Effective Evaluation of Training and Development in Higher Education* Bob

Thackwray,2014-05-12 This text puts forward the argument that higher education must develop better and more consistent practices with regards to the evaluation of training and development Most evaluations are valueless unless they start by clarifying the purpose they are intended to serve and this usually means clarifying whose purposes are being served This text provides a guide to best practices and uses examples and case studies from both the UK and abroad to show the benefits that can be gained from using evaluation effectively *Training and Development in Higher Education* Bharat B.
