This is an important historical period in which to develop communication models aimed at creating opportunities for citizens
to find a voice for new experiences and social concerns Such basic social problems as inequality poverty and discrimination
pose a constant challenge to policies that serve the health and income needs of children families people with disabilities and
the elderly Important changes both in individual values and civic life are occurring in the United States and in many other
nations Recent trends such as the globalization of commerce and consumer values the speed and personalization of
communication technologies and an economic realignment of industrial and information based economies are often regarded
as negative Yet there are many signs from the WTO experience in Seattle to the rise of global activism aimed at making
biotechnology accountable that new forms of citizenship politics and public engagement are emerging The Encyclopedia of
Activism and Social Justice presents a comprehensive overview of the field with topics of varying dimensions breadth and

Lenin
Conrad Riker, 2011-01-01
Are you tired of the mainstream portrayal of Lenin as a benevolent revolutionary? Do you want to peek behind the curtain to understand the man who was truly responsible for the rise of communism and its destructive legacy? *Lenin: From Ideology to Tyranny* is your ultimate guide to understanding the real Lenin, the architect of a brutal regime that changed the course of history. This book peels back the layers of propaganda to reveal the true face of Leninism. In this book, you will discover the psychological profile of Lenin and how his personality shaped his political ideology and leadership; Lenin's adaptation of Marxist theory and his contributions and deviations that birthed Leninism; The Vanguard Party Concept; an evaluation of Lenin's idea of an elite vanguard party and its implications for democratic principles and individual freedom; an in-depth analysis of Lenin's principle of democratic centralism and its impact on intra-party democracy versus authoritarianism; *The State and Revolution*; Lenin's work and its practical implications for the dictatorship of the proletariat and political dissent suppression; Lenin's policies towards peasants and land reforms and their impact on agricultural productivity and famine; The transition from War Communism to the New Economic Policy; an assessment of the economic and ideological consequences; Lenin's involvement in and responsibility for the Red Terror, including the use of political violence and repression; A critique of Lenin's policies on national self-determination and their practical application in the diverse ethnic context of the Soviet Union. If you want to understand the real Lenin, the man behind the global impact of communism, then this book is your guide. Don't let mainstream history dictate your understanding. Buy *Lenin: From Ideology to Tyranny* today.

A compendium of original essays and contemporary viewpoints on the 1917 Revolution. The Russian revolution of 1917 reverberated throughout an empire that covered one sixth of the world. It altered the geopolitical landscape of not only Eurasia but of the entire globe. The impact of this immense event is still felt in the present day. The historiography of the last two decades has challenged conceptions of the 1917 revolution as a monolithic entity; the causes and meanings of revolution are many as is reflected in contemporary scholarship on the subject. *A Companion to the Russian Revolution* offers more than thirty original essays written by a team of respected scholars and historians of 20th-century Russian history. Presenting a wide range of contemporary perspectives, the Companion discusses topics including the dynamics of violence in war and revolution; Russian political parties; the transformation of the Orthodox church; Bolshevism; Liberalism; and more. Although primarily focused on 1917 itself and the singular Revolutionary experience,

in that year this book also explores time periods such as the First Russian Revolution early Soviet government the Civil War period and even into the 1920 s Presents a wide range of original essays that discuss Brings together in depth coverage of political history party history cultural history and new social approaches Explores the long range causes influence on early Soviet culture and global after life of the Russian Revolution Offers broadly conceived contemporary views of the revolution largely based on the author s original research Links Russian revolutions to Russian Civil Wars as concepts A Companion to the Russian Revolution is an important addition to modern scholarship on the subject and a valuable resource for those interested in Russian Late Imperial or Soviet history as well as anyone interested in Revolution as a global phenomenon
