Easy Lessons in Egyptian Hieroglyphics with Sign List (Classic Reprint) E. A. Wallis Budge, 2017-11-23 Excerpt from Easy Lessons in Egyptian Hieroglyphics With Sign List This little book is intended to form an easy introduction to the study of the Egyptian hieroglyphic inscriptions and has been prepared in answer to many requests made both in Egypt and in England It contains a short account of the decipherment of Egyptian hieroglyphics and a sketch of the hieroglyphic system of writing and of the general principles which underlie the use of picture signs to express thought The main facts of Egyptian grammar are given in a series of short chapters and these are illustrated by numerous brief extracts from hieroglyphic texts each extract is printed in hieroglyphic type and is accompanied by a transliteration and translation Following the example of the early Egyptologists it has been thought better to multiply extracts from texts rather than to heap up a large number of grammatical details Without supplying the beginner with the means of examining their application In the limits of the following pages it would be impossible to treat Egyptian grammar at any length while the discussion of details would be quite out of place The chief object has been to make the beginner familiar with the most common signs and words so that he may whilst puzzling out the extracts from texts quoted in illustration of grammatical facts be able to attack the longer connected texts given in my First Steps in Egyptian and in my Egyptian Reading Book About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
