**Step by Step** Lawrence Sanders, 2009-05-19 From the revered New York Times bestselling author comes a touching insightful and humorous memoir of an unlikely racewalker and world traveler Before Lawrence Sanders was the author of bestselling novels featuring unforgettable characters such as the hit man Keller private investigator Matthew Scudder burglar Bernie Rhodenbarr and time traveler Evan Tanner he was a walker As a child he walked home from school mostly because he couldn't ride a bike As a college student he walked until he was able to buy his first car a deep blue 1950 Chevrolet coupe named Pamela after the Samuel Richardson novel As an adult he ran marathons until he discovered what would become a lifelong obsession never mind if some people didn't think it was a real sport racewalking By that time Sanders had already spent plenty of time walking through the city of New York But racewalking ended up taking him all over the country from New Orleans to Anchorage from marathons in the punishing heat to marathons in the pouring rain And along the way as he began to pen the books that would make him a household name among suspense fans all over the world he found that in life as in writing you just need to take one step after the other Through the lens of his adventures while walking in twenty-four hour races on a pilgrimage through Spain and just about everywhere you can imagine Lawrence Sanders shares his heartwarming personal story about life's trials and tribulations discomforts and successes which truly lets readers walk a mile in the master of mystery's shoes      One Night Stands and Lost Weekends Lawrence Sanders, 2009-10-06

In the era before he created moody private investigator Matthew Scudder burglar Bernie Rhodenbarr sleepless spy Evan Tanner and the amiable hit man Keller and years before his first Edgar Award a young writer named Lawrence Sanders submitted a story titled You Can't Lose to *Manhunt* magazine It was published and the rest is history One Night Stands and Lost Weekends is a sterling collection of short crime fiction and suspense novelettes penned between 1958 and 1962 by a budding young master and soon to be Grand Master an essential slice of genre history and more fun than a high speed police chase following a bank job gone bad      *Hit and Run* Lawrence Sanders, 2009-03-17 For years now Keller's had places to go and people to kill But enough is enough Just one more job paid in advance and he's going to retire Waiting

in Des Moines for the client's go ahead Keller's picking out stamps for his collection at a shop in Urbandale when somebody guns down the charismatic governor of Ohio Back at his motel Keller sees the killer's face broadcast on TV A face he's seen quite often Every morning In the mirror Keller calls his associate Dot in White Plains but there's no answer He's stranded halfway across the country and every cop in America has just seen his picture His ID and credit cards are no longer good and he just spent almost all of his cash on the stamps Now what *Hit Parade* Lawrence Block,2009-03-17 Keller is friendly Industrious A bit lonely sometimes If it wasn't for the fact that he kills people for a living he'd be just your average Joe The inconvenient wife the troublesome sports star the greedy business partner the vicious dog he'll take care of them all quietly and efficiently If the price is right Like the rest of us Keller's starting to worry about his retirement After all he's not getting any younger His victims on the other hand aren't getting any older So he contacts his booking agent Dot up in White Plains and tells her to keep the hits coming He'll take any job anywhere His nest egg needs fattening up Of course being less choosy means taking greater risks and that could buy Keller some big trouble Then again in this game there are plenty of opportunities for some inventive improvisation and a determined self-motivator can make a killing [A Ticket to the Boneyard](#) Lawrence Block,2009-10-13 Twelve years ago Matthew Scudder lied to a jury to put James Leo Motley behind bars Now the ingenious psychopath is free And the alcoholic ex-cop turned p i must pay dearly for his sins Friends and former lovers even strangers unfortunate enough to share Scudder's name are turning up dead Because a vengeful maniac is determined not to rest until he's driven his nemesis back to the bottle and then to the boneyard **Tanner's Virgin** Lawrence Block,2009-10-13 The CIA the FBI the KGB Interpol not one of the world's premier intelligence organizations knows quite what to make of Evan Michael Tanner Is he a spy a mercenary a footloose adventurer or simply a screwball sucker for hopeless causes Actually he's a little bit of all of the above Plus he never sleeps Ever One thing's for sure Tanner's a true romantic which is why he can't refuse a distraught mother who begs him to rescue her lost pure as driven snow daughter Phaedra Harrow nee Deborah Horowitz once shared Tanner's apartment but not his bed And now the virginal beauty's been abducted by white slavers in the Afghan wilderness Finding Phaedra will be difficult enough Bringing her back alive and unmolested may be impossible And first Tanner will have to swim the English Channel survive trigger happy Russian terrorists and maybe pull off a timely assassination or two [Me Tanner, You Jane](#) Lawrence Block,2025-03-11 It's a jungle out there Literally At least for Evan Tanner eternally sleepless sometime superspy who finds himself in Africa on the trail of the AWOL ruler of tiny Modonoland It seems the petty despot's gone missing and he's taken the state treasury along with him No stranger to impossible missions and international peril Tanner's been in over his head before This time however he's in imminent danger of being buried alive And it all has to do with the CIA white supremacists moderate revolutionaries and a blond jungle bombshell named no joke Sheena Tanner's always been a sucker for a pretty face and a curvaceous body especially one that's wrapped in leopard skin But this red-hot renegade daughter of a local missionary is a maneater Which

means this time Tanner's goose is well and truly cooked Tanner's Tiger Lawrence Block, 2009-10-13 The Cold War's boiling over Global tensions are near the breaking point So what's the perfect assignment for a super spy who hasn't slept since the Korean conflict A fun-filled trip to the Montreal World's Fair The adorable little girl he's escorting who under different circumstances would be sitting on the Lithuanian throne can hardly contain her excitement but it isn't all playtime for Evan Tanner Some mysterious disappearances apparently linked to the fair's Cuban exhibition need to be looked into Keeping his mind on business however won't be easy after an insatiable lovely in a tiger skin falls into Tanner's arms and a mother lode of dangerous drugs falls into his lap But the biggest deadliest surprise is the terrorist plot Tanner's tumbling into and he'll have to think and act quickly to prevent the visiting queen of England from being blown to smithereens
