**Eight Plays for a New Century** Creative Educational Systems (East Brunswick, N.J.),1999      **The New Century Book of Facts** Carroll Davidson Wright,1910      **The Age of Milton** Alan Hager,2004-03-30 The 17th century was a time of significant cultural and political change The era saw the rise of exploration and travel the growth of the scientific method and the spread of challenges to conventional religion Many of these developments occurred in England and North America and literature of the period reflects the intellectual and emotional fervor of the age This reference chronicles the lives and works of more than 75 British and American writers of the 17th century Included are entries on such major canonical authors as Donne Milton and Jonson The volume also covers the writings of such leading thinkers as Hobbes and Locke along with the works of leading European figures like Galileo and Descartes Also profiled are numerous significant women writers including Mary Astell Aphra Behn and Anne Killigrew Each entry is written by an expert contributor and includes a biography a discussion of major works and themes a survey of the writer s critical reception and primary and secondary bibliographies The volume additionally includes entries on several artists who significantly influenced British and American literary culture

**English Theatre in Transition 1881-1914** James Woodfield,2015-07-16 Originally published in 1984 The turn of the nineteenth and twentieth centuries was a time of considerable change in the English theatre Victorian attitudes were shocked or shattered by the new drama of Ibsen the major figure of George Bernard Shaw dominated the period theatre censorship was the subject of a long and furious contest and staging conventions changed from the spectacular stylings of Irving and Beerbohm Tree to the masking and statuesque styles of Isadora Duncan and the inner realism of Stanislavsky This book traces the activities of the leading figures in the English theatre notably William Archer who introduced Ibsen to this country and who became one of the main promoters of the idea of a National Theatre Other personalities discussed include Harley Granville Barker particularly his association with Shaw at the Court Theatre and his part in campaigns against censorship and for changes in the staging of Shakespeare and Edward Gordon Craig whose rebellion against the Victorian theatre took an anti realist direction This is a stimulating account of the background to the modern English theatre which can only increase appreciation of its standard and variety      *The Publisher* ,1901      [An Integrated Play-based Curriculum for Young Children](#) Olivia N.
