Eight Plays From The Heartland:

8 Plays from the Heartland Le Wilhelm, 2003-01-01 Evelyn and the Environment After her fiancée is killed by chemical fumes Evelyn becomes increasingly paranoid Poison and disease lurk in every corner She refuses to touch money and brings her own silverware to the local restaurant By the end of the play she has hermetically sealed herself from all contact 5 15 Greyhound Two young people plan their escape from a tyrannical home with the help of their mother As the bus approaches the brother and sister realize the depth of their love for each other Floating Island Two young women celebrate their mother's birthday on the river bank in a play that explores the stages of love and how often we are unaware of how deeply we care until the person is gone La Chienne in the Park Joshua has been in an accident that paralyzed his legs In the park he encounters a young nymphet who is having an unrequited love affair with God A sexually charged war of wills ensues as they discover a certain commonality Mustard Seed This play about having faith involves a woman who thinks small and saves her life An Old Beagle Called Amour Lucinda faces a dilemma when her sister Florence arrives and asks her to watch her old beagle Worse ensues as Lucinda learns that Florence is thinking about returning home after years of living in the city A whirlwind of conflicting emotions results The Voyeur and the Widow Elgen wants to be the best lover in the world He makes a bold suggestion to a young war widow and she is very tempted You Don't Have to Go to Kansas City to Meet the Devil On a beautiful Sunday morning Christine encounters a tempting man after church The day and Christine change dramatically A More Perfect Ten Gary Garrison, 2011-12-14 A More Perfect Ten is a revision of Gary Garrison's pioneering book on writing and producing the 10 minute play and it is now the most authoritative book on this emerging play form The 10 minute play has become a regular feature of theatre companies and festivals from coast to coast and Garrison has distilled the advice of many of those people who had been instrumental in promoting the ten minute play for the last few years Replete with advice and tips on creating the successful 10 minute play and cautions for avoiding the pitfalls this new edition also includes addresses for the biggest and most important 10 minute festival opportunities new sample 10 minute plays and questions for thought and discussion and sample layout templates for laying out the play for submission The savvy playwright at any level of skill can use this little book to great advantage Plus Gary Garrison is warm funny irreverent and essential *The Best American Short Plays 2010-2011* William W. Demastes, 2000-01-01 Applause is proud to continue the series that for over 70 years has been the standard of excellence for one act plays in America As previous series editor Ramon Delgado wrote in his introduction to The Best American Short Plays of 1989 the choice of entries for each edition has been based on the same goal to include a balance among three categories of playwrights 1 established playwrights who continue to practice the art and craft of the short play 2 emerging playwrights whose record of productions indicate both initial achievement and continuing artistic productivity and 3 talented new playwrights whose work may not have had much exposure but evidences promise for the future From its inception The Best American Short Plays has identified new cutting

edge playwrights who have gone on to establish award winning careers including Tennessee Williams Edward Albee Wendy Wasserstein David Mamet and Horton Foote This volume Bill Demastes first edition as series editor illustrates how well the short story play can grapple with the many dimensions of love The selected plays present unique perspectives on the wide range of love s impact on our lives each giving a thoroughly modern twist to the idea that life would be so much easier but also much less interesting if we could only avoid love s mercurial influence *The British National Bibliography* Arthur James Wells,2004 *Books In Print 2004-2005* Ed Bowker Staff,Staff Bowker, Ed,2004 Global Chicago Charles Madigan,2004 Once known for gangsters and meatpacking Chicago was virtually synonymous with the rough and tumble side of the industrial era Today however Chicago has outgrown even national prominence to become a truly global city one of the most famous and most important in the world Global Chicago is the first book to describe Chicago s transformation from industrial powerhouse to global metropolis It will change the way both Chicagoans and the rest of the world view the city Chicago has a long history of adaptation Having gone from a swampy trading post to a major industrial center Chicago also rebuilt itself in the wake of a devastating fire to become one of the world s great architectural showcases While many former industrial centers became mere shadows of themselves Chicago succeeded by transformed itself again The Chicago of today is a hub for corporate headquarters like those of Motorola Boeing and United Airlines It is a transportation and information crossroads with the busiest airport in North America as well as the most internet traffic With over 120 foreign language newspapers it is also home to vast and vibrant immigrant communities a focus of global services and a center for global law and medicine Essay authors include professors from top institutions veteran journalists experts on labor and government and the presidents of the Council on Foreign Relations and the Federal Reserve Bank of Chicago By drawing on the expertise of the city s leading players Global Chicago offers unique insights into the city s global assets and its economic social intellectual and cultural links to the world as seen from an insider s perspective Their essays probe deeply into the financial and governmental infrastructure crucial for success by reflecting on specific lessons to be learned from the example of worldwide Chicago businesses Amidst the ruthless international competition that characterizes globalization Chicago makes decisions today that will affect both its success and character for the coming century Global Chicago serves simultaneously as a catalog of achievements that would make anyone proud to call the city home and a timely counsel for ensuring its future as a world leader **Insiders' Guide® to Nashville, 8th** Jackie Sheckler Finch,2011-04-12 Your Travel Destination Your Home Your Home To Be Nashville Savor down home Southern food and hospitality See antebellum mansions and lush flowering gardens Feel the beat of the Music City The Athens of the South A personal practical perspective for travelers and residents alike Comprehensive listings of attractions restaurants hotels and music venues How to live thrive in the area from recreation to relocation Countless details on shopping arts entertainment and children s activities **Visions of Heaven** Roberts Liardon,2012-11-20 Got Heaven Ever wonder what Heaven is really like Leave the paperwork the dinner dishes and
