Ein Deutscher Kommunist Ruckblicke Und Perspektiven Aus Der Isolation:

Ein deutscher Kommunist Robert Havemann, 2018

Dissident Marxism and Utopian Eco-Socialism in the

German Democratic Republic Alexander Amberger, 2024-02-06 Rudolf Bahro Wolfgang Harich and Robert Havemann were probably the best known critics of the DDR's ruling Socialist Unity Party. Yet they saw themselves as Marxists and their demands extended far beyond a democratisation of real socialism. When environmental issues became more important in the West in the 1970s the Party treated it as an ideological manoeuvre of the class enemy. The three dissidents saw things differently; they combined socialism and ecology, adopting a utopian perspective frowned upon by the state. In doing so they created political concepts that were unique for the Eastern Bloc. Alexander Amberger introduces them, relates them to each other and poses the question of their relevance then and now.

Intellectuals, Socialism, and Dissent John C. Torpey, 1995

Intellectuals, Socialism, and Dissent was first published in 1995. Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions. Once the Berlin Wall fell in 1989 the people of East Germany had little use for the dissident intellectuals who had helped bring it down. Intellectuals, Socialism, and Dissent offers a penetrating look into the circumstances of this fall from grace, unique among the former Communist states. John Torpey traces the dissident intellectuals' fate to the peculiar situation of the East German regime which sought to build socialism in a quarter of a country on the anti-fascist foundations of Communist opposition to Nazism. He shows how the regime's unusual history and subnational status helped sustain the East German intelligentsia's conviction that socialism could be reformed and humane, that there was a third way between Soviet style socialism and the capitalism that took root in West Germany. How the pursuit of this third way both supported and undermined the regime and both galvanized and alienated the East German people becomes clear in Torpey's nuanced analysis. His book makes a powerful contribution to our understanding of the politics of intellectuals during one of the most painful chapters in modern German history. John C. Torpey is currently a Jean Monnet Fellow at the European University Institute in Florence.

Ein deutscher Kommunist Robert Havemann, Manfred Wilke, 1978

In Search of Civil Society

Vladimir Tismaneanu, 2014-02-04 First Published in 1990 Routledge is an imprint of Taylor & Francis, an informal company

The Stasi David Childs, Richard Popplewell, 2016-07-27 The Stasi were among the most successful security and intelligence services in the Cold War. Behind the Berlin Wall colleagues, friends, husbands and wives informed on each other. Stasi chief General Mielke prided himself on this situation. Under Marcus Wolf Stasi agents were spectacularly successful in gaining entry into the West German Establishment and NATO. Some remain undiscovered. Now for the first time in English two British experts reveal how the Stasi operated. Based on a wealth of sources including interviews with former Stasi officers and their victims, the book tells a fascinating yet frightening story of unbridled power, misguided idealism, treachery, widespread opportunism and lonely courage.

Historical-Critical Dictionary of Marxism Wolfgang Fritz Haug, Frigga

Haug, Peter Jehle, Wolfgang Küttler, 2023-11-27 The Historical Critical Dictionary of Marxism HCDM is a comprehensive Marxist lexicon which in the 9 German language volumes concluded so far has involved over 800 scholars from around the globe. Conceived by philosopher Wolfgang Fritz Haug in 1983, the first volume of the ongoing lexicon project was published in 1994. This first English language selection introduces readers to the HCDM's wide range of terms besides Marxist concepts approached from a plural standpoint and stressing feminist, ecological, and internationalist perspectives. It boasts entries on the histories of social movements, theoretical schools, as well as cultural, political, philosophical, and aesthetic debates. Contributors are Samir Amin, Jan Otto Andersson, Konstantin Baehrens, Lutz Dieter Behrendt, Mario Candeias, Robert Cohen, Alex Demirovi, Klaus Dörre, William W. Hansen, Wolfgang Fritz Haug, Frigga Haug, Peter Jehle, Juha Koivisto, Wolfgang Küttler, Morus Markard, Eleonore von Oertzen, Christof Ohm, Rinse Reeling Brouwer, Jan Rehmann, Thomas Sablowski, Peter Schyga, Victor Strazzeri, Peter D. Thomas, Andr. Tosel, Michael Vester, Lise Vogel, and Victor Wallis. *The Intellectual Species* John Rodden, 2022-01-17 This book explores the prospects for survival of what we have come to know as the intellectual in the post-Gutenberg age. It addresses the contemporary history of this species spawned in the print age, meditating on the precarious future of international intellectual life in the digital era of nanosecond soundbites, fake news, smart phones, and clicks and scrolls in lieu of reading. The book ponders these issues as it addresses the examples of a diverse group of British, American, French, and German intellectuals of the post-World War II era. These case histories showcase concretely the state of the culture in the context of particular lives, offering diverse intellectual portraiture featuring a wide range of writers across the ideological spectrum. The key family resemblance of these figures is that most of them are contrarians, regardless of whether they were freelance writers or academic intellectuals, American or British or European, and chiefly imaginative writers or non-fiction writers and scholars. Among the intellectuals discussed are George Orwell, Dwight Macdonald, Irving Howe, Camille Paglia, Albert Camus, Robert Havemann, and others. Regardless of which intellectual domains occupied their energies, the histories of all of them yield insight into the transformation of cultural life in recent decades and the contrasting challenges faced by intellectuals of earlier eras versus our own. These issues are of paramount significance for all those who care about the life of the mind and the future of homo sapiens. *The Breakthrough* Jan Eckel, Samuel Moyn, 2013-08-29 Between the 1960s and the 1980s, the human rights movement achieved unprecedented global prominence. Amnesty International attained striking visibility with its Campaign Against Torture. Soviet dissidents attracted a worldwide audience for their heroism in facing down a totalitarian state. The Helsinki Accords were signed, incorporating a third basket of human rights principles, and the Carter administration formally gave the United States a human rights policy. *The Breakthrough* is the first collection to examine this decisive era as a whole, tracing key developments in both Western and non-Western engagement with human rights and placing new emphasis on the role of human rights in the international history of the past century. Bringing together original essays from some of the field's leading scholars, this volume not only explores the

transnational histories of international and nongovernmental human rights organizations but also analyzes the complex interplay between gender sociology and ideology in the making of human rights politics at the local level Detailed case studies illuminate how a number of local movements from the 1975 World Congress of Women in East Berlin to antiapartheid activism in Britain to protests in Latin America affected international human rights discourse in the era as well as the ways these moments continue to influence current understanding of human rights history and advocacy The global south an area not usually treated as a scene of human rights politics is also spotlighted in groundbreaking chapters on Biafran South American and Indonesian developments In recovering the remarkable presence of global human rights talk and practice in the 1970s *The Breakthrough* brings this pivotal decade to the forefront of contemporary scholarly debate Contributors Carl J Bon Tempo Gunter Dehnert Celia Donert Lasse Heerten Patrick William Kelly Benjamin Nathans Ned Richardson Little Daniel Sargent Brad Simpson Lynsay Skiba Simon Stevens *Science Under Socialism* Kristie Macrakis, Dieter Hoffmann, 1999 An international cast of contributors Americans former East Germans and former West Germans take the reader on a journey from the view of science policymakers to the construction of socialist institutions for science to the role of espionage in technology transfer to the social and political context of the chemical industry engineers nuclear power biology computers and finally the career trajectories of scientists through the vicissitudes of twentieth century German history BOOK JACKET *Robert Havemann Bibliographie* Werner Theuer, Bernd Florath, 2014-02-21 Der Physikochemiker Robert Havemann 1910 1982 war nicht nur ein bedeutender Wissenschaftler sondern als politisch aktiver Mensch auch Widerstandsk mpfer in der Zeit des Nationalsozialismus und Oppositioneller in der DDR In seinem Leben und Werk spiegeln sich die Diktaturerfahrungen und Demokratieanspr che zweier deutscher Gesellschaften F r die T tigkeit in der Widerstandsgruppe Europ ische Union wird er 1943 zum Tode verurteilt doch berlebt er im Zuchthaus Brandenburg wo er unter dem Vorwand kriegswichtiger Forschung weiterarbeiten kann Als berzeugter Kommunist nimmt er am Aufbau der DDR teil und als ebenso berzeugter Demokrat wird er seit 1962 zum philosophischen und politischen Kritiker des ostdeutschen Staates 1963 verliert er sein Volkskammermandat 1964 wird er aus der SED ausgeschlossen und von der Humboldt Universit t zu Berlin als Hochschullehrer entlassen 1965 als Leiter der Arbeitsstelle f r Photochemie der Akademie seines Amtes enthoben und 1966 aus der Akademie der Wissenschaften ausgeschlossen Trotz Berufs und Ver ffentlichungsverbot bleibt er bis zu seinem Tod einer der bekanntesten Sprecher und Publizisten der Opposition in der DDR Die Bibliographie verzeichnet s mtliche wissenschaftlichen und politischen Ver ffentlichungen Robert Havemanns seit 1935 die Sekund rliteratur ber Werk und Wirkung Havemanns wird bis 2006 erfasst Der Anhang enth lt bisher unver ffentlichte Texte aus dem Nachlass die wichtigen Stationen im politischen Denken Havemanns von den Flugbl ttern 1943 bis zum Berliner Appell 1982 nachzeichnen Der Fall Havemann Clemens Vollnhals, 2000 Sozialismus in der DDR Ines Weber, 2015 **Robert Havemann** Dirk Draheim, 1991 Annäherungen an Robert Havemann Bernd Florath, 2016-04-18 This volume contains analyses and

previously unpublished documents concerning Robert Havemann and his evolution to becoming an opponent of the SED regime No other intellectual in the GDR was such a harsh opponent of the SED regime as Robert Havemann A Communist and a Nazi resistance fighter through and through Havemann was one of the leaders in erecting the new GDR His advocacy against all forms of social and political subjugation however eventually turned him into an opponent of the reigning regime of the GDR The contributions in this volume illuminate his development and look at his role in the historical shifts that took place in East Germany The articles are complemented by the publication of important documents from his estate and the Stasi reports on his spectacular lectures held in 1964

Ein Deutscher Kommunist Ruckblicke Und Perspektiven Aus Der Isolation Introduction

In today's digital age, the availability of Ein Deutscher Kommunist Ruckblicke Und Perspektiven Aus Der Isolation books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Ein Deutscher Kommunist Ruckblicke Und Perspektiven Aus Der Isolation books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Ein Deutscher Kommunist Ruckblicke Und Perspektiven Aus Der Isolation books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Ein Deutscher Kommunist Ruckblicke Und Perspektiven Aus Der Isolation versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Ein Deutscher Kommunist Ruckblicke Und Perspektiven Aus Der Isolation books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Ein Deutscher Kommunist Ruckblicke Und Perspektiven Aus Der Isolation books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Ein Deutscher Kommunist Ruckblicke Und Perspektiven Aus Der Isolation books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples

include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Ein Deutscher Kommunist Ruckblicke Und Perspektiven Aus Der Isolation books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Ein Deutscher Kommunist Ruckblicke Und Perspektiven Aus Der Isolation books and manuals for download and embark on your journey of knowledge?
