*The Russian Revolution of 1917 - Memory and Legacy* Carol S. Leonard, Daniel Orlovsky, Jurej Petrov, 2024-07-30 The way in which the Russian Revolution of October 1917 is regarded and commemorated has changed considerably over time and is a contentious subject well demonstrated by the absence of any official commemoration in Russia in 2017 a huge contrast to the very large celebrations which took place in Soviet times This book which brings together a range of leading historians of the Russian Revolution from both Russia and the West and both younger and older historians explores the changes in the way in which the October 1917 Revolution is commemorated and also examines fundamental questions about what the Russian Revolution indeed what any revolution was anyway Among the issues covered are how Soviet and Western historians diverged in their early assessments of what the Revolution achieved how the period studied by historians has recently extended both much earlier before 1917 and much later afterwards and how views of the Revolution within the Soviet Union changed over time from acceptance of the official Communist Party interpretation to more independent viewpoints Overall the book provides a major reassessment of one of the twentieth century s most important events **Russia's Economy in**

**an Epoch of Turbulence** Vladimir Mau, 2017-11-27 Over the course of the last thirty years post communist Russia has either been struggling with crises discussing the lessons learned from past crises or attempting to trace the contours of future crises Based on the author s own experiences and his research over this long period this book traces the logic of the development of the crises and the anti crisis policies and shows the continuity or discontinuity in determining particular solutions It demonstrates how perceptions of the priorities for economic policy and the problems of economic growth and the formation of a new model and its alternatives were formed and how they changed It also outlines the evolution of ideas about the role of social politics and human capital sectors in addressing anti crisis and modernization issues and discusses the changing views on the institutional and structural priorities for Russia s development This is an important book on an economic subject of crucial global significance by a leading participant *The Bibliographical Dictionary of Russian and*

*Soviet Economists* Robert Campbell, 2012-08-21 Despite the restrictions on their work and actions the economists of the Soviet period produced a great deal of bold and important work With the erosion of the old Stalinist controls economists in the Soviet Union themselves became very interested in the history of their profession not least in order to find authentic voices that might offer reinforcement or counterpoint to the policy analyses and recommendations with which policy makers in the transition countries are today being bombarded This major new reference work pulls together many years of research in order to present a bio bibliographic dictionary of Russian and Soviet economists many of whom have previously had no coherent record compiled of their careers achievements and wider significance Through exploring this rich tradition of economic thought we can go some way in understanding the role of economists in the functioning of the Soviet system as well as bringing previously forgotten work to light raising new questions and providing a memorial to those who suffered as a

result of the system This hugely detailed and important new volume takes into account all the nuances of the story of Russian and Soviet economic thought such as regional issues the reform and transition to a market economy and the economic output of non economists Featuring nearly 500 entries and including a detailed contextual introduction this landmark volume will be a vitally important reference work for all those with an interest in the history of economic thought the history of economics and Russian and Soviet history more generally

The Economics of Transition Egor Timurovich Gaïdar, 2003 This collection of essays discuss the economic policy problems that confront postcommunist countries Most chapters focus on liberalization of the exchange rate and trade system macroeconomic stabilization and institutional reform

*The New Political Economy of Emerging Europe* László Csaba, 2007 In this second revised and extended edition the evolution of emerging Europe is analyzed against the background of major changes in the constitutional fiscal regional and neighborhood policies of the European Union The book provides an overview of the economic challenges in the post transition period when the Communist past is no longer a defining feature of development Interpreting successes and failures in a single analytical frame the book is devoted to the new agenda faced by middle income countries in the double challenge of globalization and Europeanization It analyzes if when and to what degree joining the European Union provides a solution and how new members can contribute to the Lisbon Strategy of the EU The book finds that solid finances reliance on foreign direct investment public policies committed to the public purpose rather than to vested interest and impartial regulation and enforcement of rule of law are among the major components of success It also

**Russia's Unfinished Revolution** Michael A. McFaul, 2015-05-15 For centuries dictators ruled Russia Tsars and Communist Party chiefs were in charge for so long some analysts claimed Russians had a cultural predisposition for authoritarian leaders Yet as a result of reforms initiated by Mikhail Gorbachev new political institutions have emerged that now require election of political leaders and rule by constitutional procedures Michael McFaul traces Russia's tumultuous political history from Gorbachev's rise to power in 1985 through the 1999 resignation of Boris Yeltsin in favor of Vladimir Putin McFaul divides his account of the post Soviet country into three periods the Gorbachev era 1985 1991 the First Russian Republic 1991 1993 and the Second Russian Republic 1993 present The first two were he believes failures failed institutional emergence or failed transitions to democracy By contrast new democratic institutions did emerge in the third era though not the institutions of a liberal democracy McFaul contends that any explanation for Russia's successes in shifting to democracy must also account for its failures The Russian Soviet case he says reveals the importance of forging social pacts the efforts of Russian elites to form alliances failed leading to two violent confrontations and a protracted transition from communism to democracy McFaul spent a great deal of time in Moscow in the 1990s and witnessed firsthand many of the events he describes This experience combined with frequent visits since and unparalleled access to senior Russian policymakers and politicians has resulted in an astonishingly well informed account Russia's Unfinished Revolution is a comprehensive history of Russia during this crucial

period     **Problems of Economic Transition** ,2001-11     **The Russian Path** Dmitry Gel'man, Vladimir Marganiya, Otar Travin,2020-10-20 The politico economic reforms launched during the late twentieth century in post Soviet Russia have led to contradictory and ambiguous results The new economic environment and mode of governance that emerged have been subjected to serious criticism What were the causes of these developments Were they unavoidable for Russia due to specific factors grounded in the country s previous experiences Or were they an intended result of actions taken by the leaders of the country during the last few decades The authors of this book share neither a deterministic approach which implies that Russia is bound to fail because of the nature of its economic and political evolution nor a voluntarist approach which implies that these failures were caused only by the incompetence and or malicious intentions of its leaders Instead this study offers a different framework for the analysis of political and economic developments in present day Russia It is based on four i s ideas interests institutions and illusions     The Return Daniel Treisman,2012-01-10 Assesses modern day Russia to consider such topics as whether the collapse of the Soviet Union was preventable Yeltsin s impact on political order and Putin s public popularity     Annual Editions Christian Soe,2004-06 This twenty second edition of Annual Editions Comparative Politics covers the current state of politics in Western Europe the United Kingdom Germany France Italy and Japan factors in the political process in modern pluralist democracies politics of integration transformation and disintegration in Europe political diversity in Latin America Africa China India and newly industrialized countries and major trends issues and prospects

**Russian Economic Reforms as Seen by an Insider** Vladimir Aleksandrovich Mau,2000 This text uses arguments from the Whither Reform to reflect on the Russian transformation It shows that most of the criticisms originate from a complete ignorance of the transformation that Russia had to undertake     Anatomy of a Crisis Andrey Kunov,2008     Problems of Post-communism ,2003     International Bibliography of Book Reviews of Scholarly Literature Chiefly in the Fields of Arts and Humanities and the Social Sciences ,1999     *Anthropologie et sociétés* ,1977

## **Ekonomicheskaja Reforma Skvoz Prizmu Konstitutsii I Politiki Introduction**

In today's digital age, the availability of Ekonomicheskaja Reforma Skvoz Prizmu Konstitutsii I Politiki books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Ekonomicheskaja Reforma Skvoz Prizmu Konstitutsii I Politiki books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Ekonomicheskaja Reforma Skvoz Prizmu Konstitutsii I Politiki books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Ekonomicheskaja Reforma Skvoz Prizmu Konstitutsii I Politiki versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Ekonomicheskaja Reforma Skvoz Prizmu Konstitutsii I Politiki books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Ekonomicheskaja Reforma Skvoz Prizmu Konstitutsii I Politiki books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Ekonomicheskaja Reforma Skvoz Prizmu Konstitutsii I Politiki books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions

of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Ekonomicheskaja Reforma Skvoz Prizmu Konstitutsii I Politiki books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Ekonomicheskaja Reforma Skvoz Prizmu Konstitutsii I Politiki books and manuals for download and embark on your journey of knowledge?
