Fall and Rise of the Market in Sandinista Nicaragua Phil

Ryan, 1995 The Fall and Rise of the Market in Sandinista Nicaragua is an insightful look at the difficulties that arise when a particular vision of socialism is applied in a country such as Nicaragua Phil Ryan argues that the Sandinistas pursued a project of social transformation inspired by a Marxism much more orthodox than has been widely recognized He maintains that tensions between this project and other factors such as war and external debt led to the severe economic crisis of the mid 1980s

The Role of Female Combatants in the Nicaraguan Revolution and Counter Revolutionary War Martín Meráz García, Martha L. Cottam, Bruno M. Conflict In Nicaragua Jiri Valenta, 2019-04-09 The issue of Nicaragua arouses political passions those that we see expressed almost daily in the newspapers of Europe Latin America and the United States Few issues are more divisive within the politics of certain countries and the evolution of the Nicaraguan drama threatens to drive a wedge between countries that are friends allies and par
