El Azul De La Virgenthe Blue Of The Virgin:

Latin American Women Writers Kathy S. Leonard, 2007-09-19 There is a wealth of published literature in English by Latin American women writers but such material can be difficult to locate due to the lack of available bibliographic resources. In addition, the various types of published narrative short stories, novels, novellas, autobiographies, and biographies by Latin American women writers has increased significantly in the last ten to fifteen years. To address the lack of bibliographic resources, Kathy Leonard has compiled *Latin American Women Writers: A Resource Guide to Titles in English*. This reference includes all forms of narrative short story, autobiography, novel, novel excerpt, and others by Latin American women dating from 1898 to 2007. More than 3,000 individual titles are included by more than 500 authors. This includes nearly 200 anthologies, more than 100 autobiographies, biographies, or other narrative, and almost 250 novels written by more than 100 authors from 16 different countries. For the purposes of this bibliography, authors who were born in Latin America and either continue to live there or have immigrated to the United States are included. Also, titles of pieces are listed as originally written in either Spanish or Portuguese. If the book was originally written in English, a phrase to that effect is included to better reflect the linguistic diversity of narrative currently being published. This volume contains seven indexes: Authors by Country of Origin, Authors' Titles of Work, Titles of Work, Authors' Autobiographies, Biographies, and Other Narrative Anthologies, Novels, and Novellas in Alphabetical Order by Author, and Novels and Novellas by Authors' Country of Origin. Reflecting the increase in literary production and the facilitation of materials, this volume contains a comprehensive listing of narrative pieces in English by Latin American women writers not found in any other single volume currently on the market. This work of reference will be of special interest to scholars, students, and instructors interested in narrative. **Bolitas de Oro** Nasario García, 2010-07-16 The author of *Tiempos Lejanos* Poetic Images from the Past returns to his roots in a new and exciting book of poetry about his childhood in Guadalupe, New Mexico, originally called Ojo del Padre, presumably in honor of a priest who discovered a still bubbling spring in the area. The village of Guadalupe is no more, but García's vibrant word pictures transport us to a time and place of true community and existence. Written first in Spanish, then translated to English, these poems paint his young life and the lives of his family members and neighbors in west central New Mexico in the mid twentieth century. García's perceptions of a wider world and all it includes, but still anchored in the routines of home and play, and work were imparted by his mother, who never attended a day of school in her life. If I had a choice to repeat any previous period of my life, it would be my childhood in the Rio Puerco Valley; it was unfettered, replete with love and happiness, but never immune to the trials and tribulations that people faced. Since reliving one's past is not an option, offering a poetic vision of my upbringing in rural New Mexico was the next best thing. From the Introduction *Gender in Hispanic Literature and Visual Arts* Tania Gómez, Christina Mougoyanni Hennessy, Patricia Bolaños-Fabres, 2015-12-24 *Gender in Hispanic Literature and Visual Arts* provides an interdisciplinary and multicultural perspective on gender within Hispanic film and literature. The

contributors analyze the relationship between the historical and social contexts of various Hispanic countries including Argentina Colombia Chile Guatemala Nicaragua Mexico Peru Puerto Rico Spain and Uruguay and the effects of their contexts on their representations of gender This book examines gender based violence transvestism lesbianism mis representation indigenism dissent identity and voice as a means of better understanding the meaning and implications of gender within the diversity of people and cultures that comprise the Hispanic world *Hispanic Literature Criticism: Aguilera Malta-Guillén* Susan Salas,1999

Trini Estella Portillo Trambley,2017-03-15 The sole novel of beloved Chicana author Estela Portillo Trambley Trini is the epic story of one girl s journey across borders and into womanhood Born in the rural region of the Tarahumara Raramuri people in Mexico Trini shares her family s struggle to squeeze a living out of her beautiful but inhospitable land But she is sustained by the rich traditions of her Mestiza heritage the adopted traditions of the Tarahumara and by her own intelligence and spirit As a young woman she crosses into the United States to pursue her dreams of independence and land ownership Trini is a novel distinguished by the richness and beauty of its language and by its rare depiction of life in the Borderlands in the 1940s and 1950s Most remarkable of all is its portrait of a sensitive and courageous young Chicana woman whose quiet heroism resonates from every page Here restored to print with a new foreword this early novel of the Mexican American experience is bound to take its rightful place among contemporary classics of multicultural American literature
