Transnational Encounters Alejandro L. Madrid, 2011-09-29 Through the study of a large variety of musical practices from the U S Mexico border Transnational Encounters seeks to provide a new perspective on the complex character of this geographic area By focusing not only on norte a banda or conjunto musics the most stereotypical musical traditions among Hispanics in the area but also engaging a number of musical practices that have often been neglected in the study of this border s history and culture indigenous musics African American musical traditions pop musics the authors provide a glance into the diversity of ethnic groups that have encountered each other throughout the area s history Against common misconceptions about the U S Mexico border as a predominant Mexican area this book argues that it is diversity and not homogeneity which characterizes it From a wide variety of disciplinary and multidisciplinary enunciations these essays explore the transnational connections that inform these musical cultures while keeping an eye on their powerful local significance in an attempt to redefine notions like border nation migration diaspora etc Looking at music and its performative power through the looking glass of cultural criticism allows this book to contribute to larger intellectual concerns and help redefine the field of U S Mexico border studies beyond the North South and American Mexican dichotomies Furthermore the essays in this book problematize some of the widespread misconceptions about U S Mexico border history and culture in the current debate about immigration

Heart of Palms Meredith W.

Cornett, 2014-03-15 Heart of Palms is a clear eyed memoir of Peace Corps service in the rural Panamanian village of Tranquilla through the eyes of a young American woman trained as a community forester In the storied fifty year history of the US Peace Corps Heart of Palms is the first Peace Corps memoir set in Panama the slender isthmus that connects two continents and two oceans In her memoir Meredith Cornett transports readers to the remote village of Tranquilla where dugout canoes are the mainstay of daily transportation life and nature are permeated by witchcraft and a restful night s sleep may be disturbed by a raiding phalanx of army ants Cornett is sent to help counter the rapid deforestation that is destroying the ecosystem and livelihoods of the Panama Canal watershed region Her first chapters chronicle her arrival and struggles not only with the social issues of language loneliness and insecurity but also with the tragicomic basics of mastering open fire cookery and intrusions by insects and poisonous snakes As she grows to understand the region and its people her keen eye discerns the overwhelming scope of her task Unable to plant trees faster than they are lost she writes with moving clarity about her sense of powerlessness Combating deforestation leads Cornett into an equally fierce battle against her own feelings of fear and isolation Her journey to Panama becomes a parallel journey into herself In this way Heart of Palms is much more than a record of her Peace Corps service it is also a moving environmental coming of age story and nuanced meditation on one village s relationship to nature When she returns home two years later Cornett brings with her both skills and experience and a remarkable newfound sense of confidence and mission Writing with rueful self deprecating humor

Cornett lets us ride along with her on a wave of naive optimism a wave that breaks not only on fear and intimidation but also on tedium and isolation Heart of Palms offers a bracing alternative to the romantic idealism common to Peace Corps memoirs and will be valued as a welcome addition to writing about the Peace Corps and environmental service Land's End Edwin Paul, 2020-11-20 Middle aged Troy Banalia is a burned out lawyer from South Jersey who vacations in Baja California where he is entertained by the professional women of Tijuana The wares of many ladies of the night are sampled by him until he meets the blonde bombshell Angelita The sexual passion between them ignites immediately and he soon falls madly in love with her as does she for him When he returns to his law practice a duplicitous client sells him out by telling the assistant district attorney a bunch of lies which implicate Troy in exchange for leniency The beloved barrister becomes disbarred and is imprisoned While serving a brief sentence the broken Banalia decides to leave his former life behind and vows to return to Angelita and free her from the evil Hector aka Solo Lobo her pimp When he finds Angelita the struggle between Troy and his armed entourage the fearless private investigator Gary Brody and brave Mexican guide Jose Bravo and the brutal gang of Solo Lobo the gargantuan bodyguard Negro and cunning assistant Bruto begins Fueled by the backup of Brody and apt tutelage of Jose Troy devises a series of plans to conquer Lobo once and for all and free Angelita forever His affection for and friendship with his amigo nuevo grows during this learning process until his crestfallen companion eventually confides in him regarding the dark secret of why this honorable Mexican hombre is called El Bravo by those who know him The battles for Angelita between the two warring camps commence at the top of Baja in this first novel and continue south throughout the rest of the elongated peninsula to its inevitable end at the twin capes Cabo San Lucas and San Jos del Cabo in the sequel Land s End Cabo Along the way from Tijuana to Los Cabos Troy drives with Angelita always by his side in their desperate trip of escape The surreal landscapes abound during their journey across this magical land And all the adventure takes place against the background of beauty that prevails in this pristine peninsula An ode to Baja so to speak The unexpected and perilous predicaments that transpire on this spectacular sojourn will test the fullest measure of their collective resolve and spiritual union The Baja Expatriate and Land s End Cabo both speak to the indomitable human spirit and the power of love It is a story of personal redemption and the undeniable human need for freedom An epic allegory about the never ending battle between good and evil bestowed upon us by the master storyteller Edwin Paul It will inspire the reader to fight the good fight in one s life and to strive for what we all need in our lives reciprocal love *Prisioneros de La Vida* Oscar E.
