## El Honor De Los Corsos:

**Los Hermanos Corsos** Alexandre Dumas, 2023-06-11 A comienzos de marzo del año 1841 viajé a Córcega. Nada hay tan pintoresco ni tan cómodo como viajar a Córcega: se embarca uno en Toulon y en veinte horas se planta en Ajaccio o en veinticuatro en Bastia. Allí se puede uno comprar o alquilar un caballo. Si se alquila cuesta cinco francos al día; si se compra, ciento cincuenta francos. Y que nadie se ría de lo módico del precio: ese caballo ya sea alquilado o comprado hace como el famoso caballo del gascón que saltaba del Pont Neuf al Sena cosas que no harían ni Prospero ni Nautilus aquellos héroes de las carreras de Chantilly y del Champ de Mars. Se pasa por caminos donde el propio Balzac hubiera utilizado crampones y por puentes donde Auriol hubiera pedido un balance. Por su parte, el viajero no tiene más que cerrar los ojos y dejar que el caballo haga su trabajo a este le trae sin cuidado el peligro. Añadamos que con ese caballo que pasa por todas partes se pueden recorrer quince leguas diarias sin que pida ni de beber ni de comer. De cuando en cuando mientras el viajero se detiene para visitar un viejo castillo construido por algún gran señor y jefe de una tradición feudal o para dibujar una vieja torre levantada por los genoveses, el caballo pela una mata de hierba monda, un árbol o lame una roca cubierta de musgo y ahí queda la cosa.

**Angels in Iron** Nicholas C. Prata, 2009-12-31 The year is A.D. 1565 and the tiny island fortress of Malta defended by an anachronistic crusading order called the Knights of St John Hospitallers is all that stands between the war machine of Sultan Suleiman the Magnificent and the very heart of Christendom. Pitifully outmatched and against impossible odds, the indomitable Grand Master Jean Parisot de La Valette nevertheless inspires his knights to strike a blow for Christ and sacrifice their lives to halt the invading Turks at the gates of Europe. Nicholas Prata relates the actual events of the Great Siege in riveting and graphic prose which brings the extreme heroism of the knights and the horror of combat sharply into focus.

**The Corso** Pete Bonet, 2020-11-11 The Corso. The Real Nuyorican Salsa Story is a must read book not just because it's a fantastic and incredible story of success but also it's a historic legacy of how it was at the beginning of the salsa movement. It is narrated firsthand by someone who was there and was an important part of it, if not the most important. Pete Bonet was born in a very humble, extremely poor part of the island of Puerto Rico. Even the police would not go in there. It was too dangerous. It is a place called El Fanguito, the Muddy. His mother Olga was abandoned there with her six children, ages fifteen down to a newborn baby. Pedrito, as he was called, was the fourth child. He was six years old when his father left for good. Olga was left alone with no money, no food, no man to protect the family, no government help, nothing, not even shoes for the kids to go to school. The neighbors would say, Poor Olga, she's going to die along with all the six kids. Pedrito left that part of the world at the age of fifteen to go to New York City, not knowing how to say no in English. At the age of twenty-one, Pedro graduated from Central Commercial High School with honors in bookkeeping and business law, typing sixty words a minute without errors. He then took the test in order to

enter the United States Air Force and qualified in administration and thus entered the United States Air Force Upon returning home with an honorable discharge Pedro went to work for different construction companies as a timekeeper onsite Marshall Const Co Arc Electric Co Turner Const Co Melnick Const Co among others He would go dancing on weekends to different nightclubs in New York City from the world famous Palladium Ballroom called the home of the mambo and cha cha located on Broadway and Fifty Third Street the Manhattan Center on Thirty Fourth Street the Hunts Point Palace in the Bronx and this was where Pete met the love of his life Margie They fell in love at first sight while dancing to the wonderful music of Tito Rodriguez and his big band orchestra They got married six months later and still together today in the year 2019 fifty seven years and still counting Pete Bonet as he got to be known got into music by mere chance He started singing with Alfredito Valdez and his charanga then Ray Barretto and his charanga La Moderna Then he went with Mongo Santamaria and his orchestra under the musical direction of trumpet player Marty Sheller He formed his own big band together with the great Louie Ramirez as his arranger and musical director After a couple of years he got a call from Tito Rodriguez and went on to sing with the one and only Tito Rodriguez and his big band Upon Tito Rodriguez s death he joined the Joe Cuba Sextet He also sang with the king of Latin music Tito Puente and his big band and over forty other Latin orchestras in New York Hollywood and Puerto Rico By reading this book you will get to appreciate that great era an extraordinary moment in time the very beginning when the term salsa was born and started to be used instead of all the different names of all that great Cuban music You will feel all the excitement of non Latins dancing in clubs like the Corso that most likely will never be repeated again **Patente de corso (1993-1998)** Arturo Pérez-Reverte,2013-04-23

**Women of Honor** Milka Kahn,Anne Véron,2017-08-01 The role of women in the Italian mafias has long been overlooked Reduced to victim status and relegated to domestic life in a male dominated society women serve as the mafia s respectable facade virtuous and docile It is hard to picture these immaculate figures married to and raising brutal killers But as Milka Kahn and Anne V ron reveal in this absorbing book women have always been at the heart of Italy s criminal organizations as the guarantors of mafia culture While the men are behind bars or on the run it is left to their wives and mothers to uphold and pass on the family values Once widowed they push their sons to vendetta they are increasingly becoming others become

Sposato,2022-03-15 In Forged in the Shadow of Mars Peter W Sposato traces chivalry s powerful influence on the mentalit

and behavior of a sizeable segment of the elite in late medieval Florence He finds that the strenuous knights and men at arms of the Florentine chivalric elite a cultural community comprised of men from both traditional and newly emerged elite lineages embraced a chivalric ideology that was fundamentally martial and violent Chivalry helped to shape a common identity among these men based on the profession of arms and the ready use of violence against both their peers and those they perceived to be their social inferiors This violence often transgressive in nature was not only crucial to asserting and defending personal familial and corporate honor but was also inherently praiseworthy In this way Sposato highlights the sharp differences between chivalry and the more familiar civic ideology of the popolo grasso the Florentine mercantile and banking elite who came to dominate Florence politically and economically during the thirteenth and fourteenth centuries As a result in *Forged in the Shadow of Mars* Sposato challenges the traditional scholarly view of chivalry as foreign to the social and cultural landscape of Florence and contests its reputation as a civilizing force By reexamining the connection between chivalric literature and actual practice and identity formation among historical knights and men at arms he likewise provides an important corrective to assumptions about the nature of elite violence and identity in medieval Italian cities
