**The Master Prints** Sheila Metzner, Edward S. Curtis, 2001 In Sheila Metzner's photographs beauty is truly more than skin deep She is known for creating rich and refined images for the fashion and television industries and her textural surfaces and attention to aesthetics have made her work popular since the 1970s with clients as diverse as Fendi Ralph Lauren Chanel and Victoria's Secret Recasting history for her own demands Metzner hovers between the pictorialist aesthetic of Alfred Stieglitz or Edward Steichen and the modernist edge of such photographers as Man Ray and Charles Sheeler The end results while paying homage are uniquely Metzner's own and have left a major impression on the history of photography Form and Fashion presents a generous commingling of Metzner's fashion work with her sensual and erotic nudes and formalist still lifes created between 1980 and 2000 The effect of this retrospective juxtaposition suggests a heady romanticism balanced by her precisionist style and sense of detail Form and Fashion presents the singularity of a creative mind showcasing for the very first time images that resound on their own terms with elegance and distinction BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Edward S.
