Edwardian Stories Of Divorce:

Edwardian Stories of Divorce Janice Hubbard Harris, 1996 much as abortion in the United States today is a contentious issue used for scripting women's roles and potential into the national agenda divorce was an issue dividing England in the Edwardian era Sex, Gender and Social Change in Britain since 1880 Lesley A. Hall, 2017-09-16 Sexual attitudes and behaviour have changed radically in Britain between the Victorian era and the twenty first century However Lesley A Hall reveals how slow and halting the processes of change have been and how many continuities have persisted under a facade of modernity Thoroughly revised updated and expanded the second edition of this established text explores a wide range of relevant topics including marriage homosexuality commercial sex media representations censorship sexually transmitted diseases and sex education features an entirely new last chapter which brings the narrative right up to the present day provides fresh insights by bringing together further original research and recent scholarship in the area Lively and authoritative this is an essential volume for anyone studying the history of sexual culture in Britain during a period of rapid social change **Irish Divorce** Diane Urquhart, 2020-02-06 Spanning the island of Ireland over three centuries this first history of Irish divorce places the human experience of marriage breakdown centre stage to explore the impact of a highly restrictive and gendered law and its reform on Irish society After Intimacy Karl Leydecker, Nicholas White, 2007 Divorce is a conspicuous character trait of modernity commonly portrayed in texts and on screen with its moral and social rationalisation firmly rooted in Enlightenment and Romantic thought The aim of this volume is to bring into focus this contemporary cultural fascination by assembling the variety of academic responses it has started to create Bringing together the reflections of scholars from the UK and North America who have worked in this domain this study offers for the first time a genuinely wide ranging account of the depiction of divorce across the northern hemisphere in a number of media fiction journalism film and television It reaches historically from the intellectual and legal aftermath of the Enlightenment right up to the present day As such the collection shows both the roots of this apparently contemporary phenomenon in nineteenth century literary practice and the very particular ways in which divorce characterises the different narrative media of modernity Health and the Modern Home Mark Jackson, 2008-02-07 Health and the Modern Home explores shifting and contentious debates about the impact of the domestic environment on health in the modern period Drawing on recent scholarship contributors expose the socio political context in which the physical and emotional environment of the modern home and family became implicated in the maintenance of health and in the aetiology and pathogenesis of diverse psychological and physical conditions In addition they critically analyze the manner in which the expression and articulation of medical concerns about the domestic environment served to legitimate particular political and ideological positions **A Cultural History of Marriage in the Age of Empires** Paul Puschmann, 2021-11-18 During the age of empires 1800 1900 marriage was a key transition in the life course worldwide a rite of passage everywhere with major cultural significance This

volume presents an overview of the period with essays on Courtship and Ritual Religion State and Law Kinship and Social Networks the Family Economy Love and Sex the Breaking of Vows and Representations of Marriage Using this framework this volume explores global trends in marriage In nineteenth century Western Europe marriage was increasingly regarded as the only way to reach happiness and self fulfilment In the United States former slaves obtained the right to marry leading to a convergence in marriage patterns between the black and white populations In Latin America marriage remained less common but marriage rates were nevertheless on the rise In African and Asian societies European colonial powers tried to change indigenous marriage customs like polygamy and arranged marriages but had limited success Across the globe in a time of turbulent political and economic change marriage and the family remained crucial institutions the linchpins of society that they had been for centuries *Feminists Who Changed America, 1963-1975* Barbara J. Love, 2006-09-22 Documenting key feminists who ignited the second wave women s movement Barbara J Love s *Feminists Who Changed America 1963 1975* will be the first comprehensive directory to document many of the founders and leaders including both well known and grassroots organizers of the second wave women s movement It tells the stories of more than two thousand individual women and a few notable men who together reignited the women s movement and made permanent changes to entrenched customs and laws The biographical entries on these pioneering feminists represent their many factions all parts of the country all races and ethnic groups and all political ideologies Nancy Cott s foreword discusses the movement in relation to the earlier first wave and presents a brief overview of the second wave in the context of other contemporaneous social movements

The Imprint of Another Life Margaret Homans, 2013-07-18 How adoption and its literary representations shed new light on notions of value origins and identity **Story of a Murder** Hallie Rubenhold, 2025-03-25 This is the story of a murder not a murderer In this epic examination of one of the most infamous murders of the twentieth century bestselling author of *The Five* Hallie Rubenhold gives voice to those who were never properly heard the women On February 1 1910 the vivacious diamond adorned music hall performer Belle Elmore suddenly vanished from her home causing alarm among her friends the entertainers of the Music Hall Ladies Guild Their demands for an investigation would lead to the unearthing of a gruesome secret and trigger a fevered international manhunt for Belle s husband medical fraudster Dr Hawley Harvey Crippen Ethel Le Neve Crippen s typist and lover who fled with Crippen in disguise has always hidden in the shadows of this tale was she really just an innocent young girl in thrall to a powerful older man And was there an equally sinister story behind the death of Crippen s first wife Charlotte Brimming with twists and featuring a carnival cast of eccentric entertainers star lawyers zealous detectives medics and liars *STORY OF A MURDER* offers an electrifying snapshot of Britain and America at the dawn of the modern era *Nineteenth-Century Radical Traditions* Joseph Bristow, Josephine McDonagh, 2016-09-08 This book takes a fresh look at the progressive interventions of writers in the nineteenth century From Cobbett to Dickens and George Eliot and including a host of lesser known figures popular novelists poets journalists political activists writers shared a

commitment to exploring the potential of literature as a medium in which to imagine new and better worlds The essays in this volume ask how we should understand these interventions and what are their legacies in the twentieth and twenty first centuries Inspired by the work of the radical literary scholar the late Sally Ledger this volume provides a commentary on the political traditions that underpin the literature of this complex period and examines the interpretive methods that are needed to understand them This timely book contributes to our appreciation of the radical traditions that underpin our literary past

Irish Novels 1890-1940 John Wilson Foster, 2008-02-21 Studies of Irish fiction are still scanty in contrast to studies of Irish poetry and drama Attempting to fill a large critical vacancy Irish Novels 1890 1940 is a comprehensive survey of popular and minor fiction mainly novels published between 1890 and 1922 a crucial period in Irish cultural and political history Since the bulk of these sixty odd writers have never been written about certainly beyond brief mentions the book opens up for further exploration a literary landscape hitherto neglected perhaps even unsuspected This new landscape should alter the familiar perspectives on Irish literature of the period first of all by adding genre fiction science fiction detective novels ghost stories New Woman fiction and Great War novels to the Irish syllabus secondly by demonstrating the immense contribution of women writers to popular and mainstream Irish fiction Among the popular and prolific female writers discussed are Mrs J H Riddell B M Croker M E Francis Sarah Grand Katharine Tynan Ella MacMahon Katherine Cecil Thurston W M Letts and Hannah Lynch Indeed a critical inference of the survey is that if there is a discernible tradition of the Irish novel it is largely a female tradition A substantial postscript surveys novels by Irish women between 1922 and 1940 and relates them to the work of their female antecedents This ground breaking survey should also alter the familiar perspectives on the Ireland of 1890 1922 Many of the popular works were problem novels and hence throw light on contemporary thinking and debate on the Irish Question After the Irish Literary Revival and creation of the Free State much popular and mainstream fiction became a lost archive neglected evidence indeed of a lost Ireland *Engines of Truth*

Wendie Ellen Schneider, 2016-01-28 During the Victorian era new laws allowed more witnesses to testify in court cases At the same time an emerging cultural emphasis on truth telling drove the development of new ways of inhibiting perjury Strikingly original and drawing on a broad array of archival research Wendie Schneider's examination of the Victorian courtroom charts this period of experimentation and how its innovations shaped contemporary trial procedure Blending legal social and colonial history she shines new light on cross examination the most enduring product of this time and the greatest legal engine ever invented for the discovery of truth
