

The Life of Edwin Arlington Robinson

Edwin Arlington Robinson The Life Of

H Kauffman

Edwin Arlington Robinson The Life Of:

Edwin Arlington Robinson Louis Coxe,1962 Critically examines the motifs structure and metaphysical content of the poems in which Robinson expressed his transcendental views of life **Edwin Arlington Robinson** Scott Donaldson,2007 The best of Edwin Arlington Robinson s poetry rings with a lyrical and emotional purity and singularity that should assure his place as one of the treasured poets of his generation Scott Donaldson s book should help to revive appreciation for this solitary figure and the unique resonance of his work W S Merwin Edwin Arlington Robinson Louis O. Coxe,1969 Presenting Robinson as both a man and a poet with some emphasis on the split between the two the book delves deeply into Robinson s life and works brilliantly characterizes the era and the region to which he belonged and reveals how Robinson obeyed yet transcended the exigencies of both as well as those of his personal heritage and experience The author surveys the entire canon of Robinson s poetry from the earliest works the masterful vignettes through the Arthurian poems on to the last poems the long narratives such as *Amarinthe* and *King Jasper* The book offers enriching new perspectives on both Robinson and his poetry and a new understanding of his poetic vision What he saw he saw steadily what often redeems a flawed poem and ensures a sound one is his awareness of other people and his Wordsworthian conviction that the poet was only a man like other men but in a particular way more so The more so is what counts **A Study of the Life and Poetry of Edwin Arlington Robinson** William H. Richardson,1933* **Friendship in the Life and Poetry of Edwin Arlington Robinson** Don Ballew Graham,1964 *Edwin Arlington Robinson* Scott Donaldson,2007-01-09 At the time of his death in 1935 Edwin Arlington Robinson was regarded as the leading American poet the equal of Frost and Stevens In this biography Scott Donaldson tells the intriguing story of this poet s life based in large part on a previously unavailable trove of more than 3 000 personal letters and recounts his profoundly important role in the development of modern American literature Born in 1869 the youngest son of a well to do family in Gardiner Maine Robinson had two brothers Dean a doctor who became a drug addict and Herman an alcoholic who squandered the family fortune Robinson never married but he fell in love as many as three times most lastingly with the woman who would become his brother Herman s wife Despite his shyness Robinson made many close friends and he repeatedly went out of his way to give them his support and encouragement Still it was always poetry that drove him He regarded writing poems as nothing less than his calling what he had been put on earth to do Struggling through long years of poverty and neglect he achieved a voice and a subject matter all his own He was the first to write about ordinary people and events an honest butcher consumed by grief a miser with eyes like little dollars in the dark ancient clerks in a dry goods store measuring out their days like bolts of cloth In simple yet powerful rhetoric he explored the interior worlds of the people around him Robinson was a major poet and a pivotal figure in the course of modern American literature yet over the years his reputation has declined With his biography Donaldson returns this remarkable talent to the pantheon of great American poets and sheds new light on his enduring legacy *Consistency in the Life and Poetry of*

Edwin Arlington Robinson Marjorie Robinson, 1939 **Three Books of Poems by Edwin Arlington Robinson** Edwin Robinson, 2016-01-09 *Three Books of Poems by Edwin Arlington Robinson* The Children of the Night The Three Taverns and The Man against the Sky Edwin Arlington Robinson 1869 1935 Edwin Arlington Robinson December 22 1869 April 6 1935 was an American poet who won three Pulitzer Prizes for his work Career With his father gone Edwin became the man of the household He tried farming and developed a close relationship with his brother's wife Emma Robinson who after her husband Herman's death moved back to Gardiner with her children She twice rejected marriage proposals from Edwin after which he permanently left Gardiner He moved to New York where he led a precarious existence as an impoverished poet while cultivating friendships with other writers artists and would be intellectuals In 1896 he self published his first book *The Torrent and the Night Before* paying 100 dollars for 500 copies Robinson meant it as a surprise for his mother Days before the copies arrived Mary Palmer Robinson died of diphtheria His second volume *Children of the Night* had a somewhat wider circulation Its readers included President Theodore Roosevelt's son Kermit who recommended it to his father Impressed by the poems and aware of Robinson's straits Roosevelt in 1905 secured the writer a job at the New York Customs Office According to Edmund Morris author of *Theodore Rex* a tacit condition of his employment was that in exchange for his desk and two thousand dollars a year he should work with a view to helping American letters rather than the receipts of the United States Treasury Robinson remained in the job until Roosevelt left office Gradually his literary successes began to mount He won the Pulitzer Prize three times in the 1920s and posterity has him described as more artful than Hardy and more coy than Frost and a brilliant sonneteer During the last twenty years of his life he became a regular summer resident at the MacDowell Colony in New Hampshire where several women made him the object of their devoted attention Robinson and artist Elizabeth Sparhawk Jones visited the MacDowell Colony at the same times over a cumulative total of ten years They had a romantic relationship in which she was in love with him devoted to him and understood him and was relaxed in her approach with him He called her Sparhawk and was courteous towards her They had a relationship that D H Tracy described as courtly quiet and intense She described him as a charming sensitive and emotionally grounded man with high moral values Robinson never married He died of cancer on April 6 1935 in the New York Hospital now New York Cornell Hospital in New York City When he died Sparhawk Jones attended his vigil and then painted several paintings in his memory His childhood home in Gardiner was designated a National Historic Landmark in 1971 Robinson's grandnephew David S Nivison later became a noted expert on Chinese philosophy and Chinese history **Edwin Arlington Robinson's View of Life** Pearl Maxadell Minker, 1935 *Selected Poems* Edwin Arlington Robinson, 1997-12-01 Edwin Arlington Robinson's finely crafted formal rhythms mirror the tension the poet sees between life's immutable circumstances and humanity's often tragic attempts to exert control At once dramatic and witty his poems lay bare the loneliness and despair of life in genteel small towns the tyranny of love and unspoken unnoticed suffering The fictional characters he created in Ruben Bright Miniver

Cheevy and Richard Cory and the historical figures he brought to life Lincoln in *The Master* and the great painter in *Rembrandt* to Rembrandt harbor demons and passions the world treats with indifference or cruelty With an introduction that sheds light on Robinson's influence on poets from Eliot and Pound to Frost and Berryman this collection bring an unjustly neglected poet to a new generation of readers *The Man Against the Sky* Edwin Arlington Robinson, 2010-01 Edwin Arlington Robinson *Child of Scorn* Alexander Grinstein, 2007-02 Edwin Arlington Robinson *Child of Scorn* examines from a psychological standpoint Robinson's works and their relation to his own life Robinson was a famous American poet the winner of three Pulitzer prizes for poetry In addition to his major works he is particularly well known for his short poems including *Richard Cory* and *Miniver Cheevy* which many people memorized in school Robinson was born in 1869 and died in 1935 His life was a troubled one His emotional problems and conflicts as reflected in his work are carefully analyzed in this book *Edwin Arlington Robinson* Yvor Winters, 1971 *The Poetry of Edwin Arlington Robinson* Lloyd Morris, 2013-10 This is a new release of the original 1923 edition *A Study Guide for E. A. Robinson's "Richard Cory"* Gale, Cengage Learning, 2016 A Study Guide for E A Robinson's *Richard Cory* excerpted from Gale's acclaimed *Poetry for Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Poetry for Students* for all of your research needs *The Poetry of Edwin Arlington Robinson* Lloyd R. Morris, 1923 **The Three Taverns: A Book of Poems** Edwin Arlington Robinson, 2022-09-16 In *The Three Taverns A Book of Poems* Edwin Arlington Robinson explores the depths of human experience through a series of poignant and introspective verses Published in 1920 this collection showcases Robinson's sophisticated use of blank verse and his keen observation of life's ephemeral nature The poems often infused with the ambiance of small town America reflect themes of loneliness mortality and the complexity of personal relationships Robinson's literary style combines a lyrical quality with philosophical undertones giving voice to the struggles and triumphs of everyday life all while drawing on the rich tradition of American realism Edwin Arlington Robinson a three time Pulitzer Prize winner drew from his own experiences of isolation and longing throughout his life particularly during his early years in Gardiner Maine His personal encounters with loss and disappointment often permeated his work providing a deeply empathetic lens through which he examined the human condition These themes resonate powerfully in *The Three Taverns* as Robinson crafts a narrative that is both universal in its emotional depth and unique to his own experiences I highly recommend *The Three Taverns* to readers who appreciate poetry that marries psychological insight with artistic expression Robinson's masterful craftsmanship and emotional authenticity invite reflection and provoke thought making this collection a lasting contribution to American poetry *Edwin Arlington Robinson* Edwin Arlington Robinson, 1990 Traditional yet original realistic but not in the reductive sense he is too good to be forgotten ROBERTSON DAVIES Robinson's Arthurian poems published between 1917 and 1927 won him a Pulitzer prize and yet are almost unknown today With his introspective

New England style and quiet tone he brilliantly catches the tension between reason and passion that drives the characters of the Arthurian stories these are modern lovers with the philosophical and psychological concerns of the early 20th century The sense of vision and the feeling that the world of Arthur mirrors the fate of all mankind binds the diverse characters together and makes Robinson's poems essential reading for everyone interested in the Arthurian legend in the twentieth century A Study of Edwin Arlington Robinson with Especial Emphasis on New England Influences in the Life and Poetry of Robinson Chloe McNamee Wood, 1938 *E. A. Robinson's Narrative Poetry* Faisal Al-Doori, 2023-07-10 Edwin Arlington Robinson was a prolific American poet during the 1920s This book approaches one of the critical features of Robinson's poetry often overlooked by critics which is his method of narration Narration is one of the crucial points in Robinson's poetry that puzzles his critics Robinson's poems are portraits that include characters setting a method of narration and all other points that fit any narrative piece This book takes as its point of departure the idea that unless Robinson's narrative approach is discussed no proper understanding of his poems will be achieved The book deals with the influence of New England and Puritanism on the poet's life and works The book studies the poet's shorter and longer poems It also includes the study of his masterpiece *The Man Against the Sky*

Enjoying the Beat of Phrase: An Mental Symphony within **Edwin Arlington Robinson The Life Of**

In some sort of taken by screens and the ceaseless chatter of quick connection, the melodic splendor and psychological symphony produced by the published word often diminish into the backdrop, eclipsed by the persistent noise and distractions that permeate our lives. Nevertheless, set within the pages of **Edwin Arlington Robinson The Life Of** a charming fictional prize brimming with natural emotions, lies an immersive symphony waiting to be embraced. Constructed by an outstanding composer of language, that interesting masterpiece conducts visitors on a mental trip, well unraveling the hidden songs and profound impact resonating within each carefully crafted phrase. Within the depths with this moving analysis, we can examine the book is main harmonies, analyze its enthralling writing type, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
