Effective Family Planning Programs

Judith Banister, Christina Wu Harbaugh

Effective Family Planning Programs:

Strategic Management of Family Planning Programs Cynthia P. Green, 1992 Program management especially logistics management remains the Achilles heel of family planning programs Private Sector Approaches to Effective Family Planning Karen G. Foreit, 1992 Supporting the participation of the private sector in family planning is beneficial because it can 1 expand the total family planning market to help satisfy existing and future unmet needs for contraception and 2 shift current users from subsidized to more nearly self supporting outlets without compromising coverage equity or quality of care

The Origins and Evolution of Family Planning Programs in Developing Countries Judith R. Seltzer, 2002-04-22 This book analyzes the origins and rationale of family planning programs and how they have evolved based on experience in different country settings **Status and trends of family planning. Population programs in developing countries** United

States. Congress. House. Select Committee on Population, 1978 China's Family Planning Program Judith Banister, Christina Wu Harbaugh, 1994 *Family Planning Programs* Bernard Berelson, Voice of America (Organization), 1969 In a comprehensive and up to date survey of family programs twenty six of the world's leading population experts many of them directly in charge of family control programs in their own countries describe and evaluate what is currently being done to cope with the world's population explosion especially in developing nations Everything from the latest birth control methods to the development of more precise population statistics is covered in this progress report from one of mankind's most fateful battlefronts from inner flap of dust jacket Federal Family Planning Program Reauthorization United States. Congress. House. Committee on Energy and Commerce. Subcommittee on Health and the Environment, 1989 Strengthening the Bank's Population Work in the Nineties Steven W. Sinding, 1991 These recommendations for the nineties focus on changing Bank strategies not Bank policy A Review of the HHS Family Planning Program Institute of Medicine, Board on Children, Youth, and Families, Board on Health Sciences Policy, Committee on a Comprehensive Review of the HHS Office of Family Planning Title X Program, 2009-08-07 A Review of the HHS Family Planning Program provides a broad evaluation of the Title X family planning program since its establishment in 1970 The program successfully provides family planning services to its target audience of low income individuals but there is room for improvement While the program's core goals are apparent a secondary set of changing priorities has emerged without a clear evidence based strategic process Also funding for the program has increased in actual dollars but has not kept pace with inflation or increased costs Several aspects of the program's structure could be improved to increase the ability of Title X to meet the needs of its target population At the same time the extent to which the program meets those needs cannot be assessed without a greater capacity for long term data collection A Review of the HHS Family Planning Program recommends several specific steps to enhance the management and improve the quality of the program as well as to demonstrate its direct contribution to important end results such as reducing rates of unintended pregnancy cervical cancer and infertility The book will guide the Office of Family Planning

toward improving the effectiveness of the program Other parties who will find the research and recommendations valuable include programs receiving Title X funding from the Office of Family Planning policy makers researchers and professional organizations *Oversight on Family Planning Programs Under Title X of the Public Health Service Act, 1984* United States. Congress. Senate. Committee on Labor and Human Resources. Subcommittee on Family and Human Services,1984
