Eight Black Horses:

Eight Black Horses Ed McBain,2015 Finding a dead body was not unusual for an autumn night in the 87th Precinct But this young woman s body was naked and potentially related to the series of odd missives received at the station house All signs point to the Deaf Man s return this time with a plot more diabolical than even the jaded policemen could imagine He s been sending them mysterious pictures of police equipment nightsticks helmets black horses and more But what did they mean Detective Steve Carella would be one of the first to find out but only after he discovered that the Deaf Man was impersonating him which leads to more violence Now Carella and his fellow officers must face down the Deaf Man in a lethal confrontation a confrontation more surprising shocking and explosive than anything the cops of the 87th Precinct have ever experienced Eight Black Horses is an inventive tightly woven 87th Precinct novel and it s Ed McBain at his incomparable best

Eight Black Horses Ed McBain,1986 It all got terribly confusing when the Deaf Man put in an appearance and the criminal mastermind is making his presence known by the dead bodies that are turning up around Isola Then there are the notes with cryptic patterns including eight black horses dancing across a page that look like they mean nothing But Detectives Kling Carella and Meyer know that with the Deaf Man the seemingly meaningless always means something Something bad And as late fall hurtles toward Christmas the Deaf Man is counting down the days luring the cops of the 87th Precinct with a series of taunting clues all leading toward a horrifying act of revenge orchestrated by a psychopathic killer
