Eighty Souls A Journey For A Lifetime:

The Soul's Journey and How It Affects Your Life J.M. Farley, 2019-08-19 On ending up in a too familiar situation after years of emotional and physical pain I began searching for answers as to why all these difficulties kept happening It was at this life threatening time that I was first approached by the energy vibration of the four archangels Due to the fact I had always seen spirits as physical people I didn't believe the angels instructions but after another very special visitation where they showed themselves to me which is no easy feat for them I agreed to write their words and that's how this book manifested As I wrote my life began to make sense which now enables me to live with more awareness of what part I have to play in my soul's journey opening my eyes to wonderful new possibilities When angels speak do you listen I did and now you too can experience the higher healing knowledge of how your soul's journey affects your human existence and how you can work with your soul to ease life's impact So give yourself permission to engage with the timeless angelic knowledge that will enable you to encounter a freedom never felt or known before

Reawakening Howard Lawrence Scheiner MD/AAHIVS, 2011-04-28 DR HOWARD SCHEINER WELCOMES YOU TO A GREATER REALITY REAWAKENING A BOOK OF LIFE AND A STORY BEYOND TIME New York NY Dr Howard Scheiner welcomes you to a Greater Reality Located on a point of intersection of science and spirituality called belief his new book REAWAKENING details a highly personal journey of life and spirit that lead him to a greater understanding of universal truth and offers readers enlightenment and wisdom through their own journey of life A successful Manhattan physician Scheiner awakes each day happy to be alive feeling blessed with all the joys and sorrows of his life joyfully connected to All That Is and thoroughly savoring his singular journey With greater understanding came a new perspective His first manuscript A BOOK OF LIFE was and is the story of his journey to understanding and belief in a Greater Reality In REAWAKENING the words he now writes come from this new and different perspective words that come to him outside his five senses They come from spirit from greater wisdom and expanded consciousness The big questions of the meaning and purpose of life have always been with me in some subliminal manner but the easier questions of life and death seemed more within my grasp Perhaps that is part of the reason I became a physician So over many years I have become very well acquainted with both the mode of entry to and exit from this life When it came to religious dogma and faith in a higher power I completely recoiled in disbelief

says Scheiner I made a leap of faith and as a result achieved a sense of freedom that I have never before experienced That leap was to believe the reality I experienced and not doubt the truth of what happened Soul bearing highly personal sometimes humorous and often shocking REAWAKENING offers a new interpretation regarding the concept of God Universe Through examples of his own life Scheiner gives readers understanding and insight into their own personal journeys
