El Conde Olinos:

Second Thoughts Concerning El Conde Olinos William James Entwistle, 1953 "El Conde Olinos" in America Robert J. Forbes, Curry College. Programa para el Desarrollo de un Currículo Universitario en Estudios Etnicos Puertorriqueño y Cubanos, 1976 **The Singer and the Scribe**, 2004-01-01 The Singer and the Scribe brings together studies of the European ballad from the Middle Ages to the twentieth century by major authorities in the field and is of interest to students of European literature popular traditions and folksong It offers an original view of the development of the ballad by focusing on the interplay and interdependence of written and oral transmission including studies of modern singers and their repertoires and of the role of the audience in generating a literary product which continues to live in performance While using specific case studies the contributors systematically extend their reflections on the ballad as song and as poetry to draw broader conclusions Covering the Hispanic world including the Sephardic tradition Scandinavia The Netherlands Greece Russia England and Scotland the essays also demonstrate the interconnections of a European tradition beyond national boundaries A Critical Anthology of Spanish Verse E. Allison Peers, 2023-11-15 A Critical Anthology of Spanish Verse is an essential collection for anyone seeking to deepen their understanding and appreciation of Spanish poetry across centuries This meticulously curated volume provides not only a rich selection of poems but also insightful commentary that sheds light on their themes structure and cultural significance From medieval epics like Cantar de Mio Cid to modern lyrical masterpieces the anthology traverses a vast literary landscape offering readers a cohesive exploration of Spanish poetic traditions By focusing on the intrinsic qualities of each work rather than exhaustive biographical or source related details this anthology invites readers to engage critically and meaningfully with the text The thoughtful organization of the book ensures accessibility for both seasoned scholars and general readers with a solid grasp of Spanish The editor's approach modernizing texts where appropriate while preserving linguistic nuances enhances the reader's experience without sacrificing historical authenticity Exclusions such as Spanish American and dramatic verse reflect a deliberate focus ensuring the integrity and depth of the selections presented Whether delving into the grandeur of long form poetry or savoring the lyrical beauty of sonnets this anthology celebrates the timeless art of Spanish verse and its enduring resonance This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1950 **Music I - LOMLOE - Ed. 2022** Alicia Rodríguez Blanco, 2022 Project Tradicional music The characteristics of sound The characteristics of sound pitch The characteristics of sound duration The characteristics of sound intensity The characteristics of sound timbre Sound organization beat melody texture Music structure the music form Music content and function the music form Historia, reescritura y pervivencia del romancero Rafael Beltrán Llavador, 2000
