Gold Rush Diary Thomas D. Clark,2021-11-21 Among the hundreds captivated by the vision of quick riches in the gold fields of California was Elisha Douglass Perkins a tall handsome youth from Marietta Ohio who has here left a remarkable first hand account of the great trek westward in 1849 Perkins diary is an unusually full and intimate record of crossing the plains and mountains of the Great West Extensive notes supplement the text associating it with numerous other published and unpublished accounts while an appendix of reports and letters from the Marietta newspaper reveals the involvement of those at home with the Gold Rush An annotated map shows Perkins progress along the Overland Trail *The Pacific Historical Review* Anna Marie Hager,1976 **On the Trail to the California Gold Rush** Alonzo Delano,2005-01-01 Lured by the astonishing accounts of the vast deposits of gold in California Alonzo Delano 1806 74 of Ottawa Illinois bid farewell to his wife and children and joined the rush to El Dorado For the next five months April to early September 1849 he persevered in writing his remarkably detailed diary recounting his experiences among the more than thirty thousand goldseekers representing all thirty states who struggled across half of the continent to California s gold fields With each entry the reader is drawn into the changing circumstances from a hurried trailside burial of a comrade to a defense against an Indian attack

from suffering thirst in the desert to anger at a lazy campmate Unlike most diarists who at the end of the epic journey gave up their demanding task Delano continued his vivid account until the summer of 1851 He went on to report as a professional journalist ranging far and wide across the scenes of life in the diggings and the cities from prospecting along the Yuba River to witnessing lynch law in San Francisco First published in 1854 as *Life on the Plains and among the Diggings* and deemed a California Gold Rush classic this new edition will carry on the adventure for thousands of new readers
