Mann,1986 The bold and unusual religious paintings of the Spanish artist El Greco c 1541 1614 have aroused widespread interest and wonder but until now little has been known about the artist s patrons This is the first comprehensive study of the several individuals who financed encouraged and influenced El Greco s extraordinary artistic endeavours Mann reconstructs the lives of several of the artist s patrons and demonstrates how El Greco s pictorial ensemble reflected the patrons concerns Thus the actual context of El Greco s work is established The book indicates that the artist s patrons helped to shape both the style and iconography of the paintings and clarifies the precise nature of the connection between the paintings and Spanish mysticism In studying the purposes and meaning of El Greco s religious paintings the author thereby provides the basis for a new interpretation of the artist s work and presents many insights into life in sixteenth century Spain **The Pictorial Art of El Greco** Livia Stoenescu,2019-01-18 This book investigates El Greco s pictorial art as foundational to the globalising trends manifested in the visual culture of early modernity It also exposes the figurative semantic and allegorical senses he created to challenge an Italian Renaissance centered discourse Even though he was guided by the unprecedented flowering of devotional art in the post Tridentine decades and by the expressive possibilities of earlier religious artifacts especially those inherited from the apostolic past the author demonstrates that El Greco forged his own independent trajectory While his paintings have been studied in relation to the Italian and Spanish school traditions his pictorial art in a global Mediterranean context continues to receive scant attention Taking a global perspective as its focus the book sheds new light on El Greco s highly original contribution to early Mediterranean and multi institutional configurations of the Christian faith in Byzantium Venice Rome Toledo and Madrid **El Greco's Paintings** Ludwig Goldscheider,1938 **El Greco** El Greco,Ludwig Goldscheider,1954
