A. Nathan, 2017 *Baseball Beyond Our Borders* celebrates the globalization of the game while highlighting the different histories and cultures of the nations in which the sport is played. This collection of essays tells the story of America's national pastime as it has spread across the world and undergone instructive, entertaining, and sometimes quirky changes in the process. But what lies in store as baseball's passport fills up with far-flung stamps? Will the international migration of players homogenize baseball? What role will the World Baseball Classic play? These are just a few of the questions the authors pose.
