Jose Williams,2025-04-23 The world is a beautiful place that God created There is much to see enjoy and explore However there is also danger in the world Children in particular need to be encouraged to explore and enjoy the beauty of the world around them At the same time they should be taught that there is also danger in the world and there are things and people that can harm them There are people who may lie to them and can t be trusted Their parents and adults that they can trust love them and are there to protect them from harm They should therefore listen to and obey their parents and the adults who are in charge of caring for them This unique bilingual fiction book uses animals from the beautiful Chihuahua Desert to teach this powerful lesson All though it is fiction the mountains vegetation and animals are all realistically portrayed and drawn with the famous Organ Mountains of southern New Mexico as the backdrop Each picture has details of hidden southwestern icons such as arrow heads and pottery as well as insects unique to the Chihuahua desert The colors are bright and eye catching with a southwestern style Finally even though the message is serious it is written in a lighthearted witty way that reflects the culture of the border region of Mexico and the USA Both children and adults will enjoy the pictures the dialogue between characters and understand the message
