Fútbol, Jews, and the Making of Argentina Raanan

Rein, 2014-11-05 If you attend a soccer match in Buenos Aires of the local Atlanta Athletic Club you will likely hear the rival teams chanting anti-Semitic slogans This is because the neighborhood of Villa Crespo has long been considered a Jewish district and its soccer team Club Atlético Atlanta has served as an avenue of integration into Argentine culture Through the lens of this neighborhood institution Raanan Rein offers an absorbing social history of Jews in Latin America Since the Second World War there has been a conspicuous Jewish presence among the fans administrators and presidents of the Atlanta soccer club For the first immigrant generation belonging to this club was a way of becoming Argentines For the next generation it was a way of maintaining ethnic Jewish identity Now it is nothing less than family tradition for third generation Jewish Argentines to support Atlanta The soccer club has also constituted one of the few spaces where both Jews and non-Jews affiliated Jews and non-affiliated Jews Zionists and non-Zionists have interacted The result has been an active shaping of the local culture by Jewish Latin Americans to their own purposes Offering a rare window into the rich culture of everyday life in the city of Buenos Aires created by Jewish immigrants and their descendants *Fútbol Jews and the Making of Argentina* represents a pioneering study of the intersection between soccer ethnicity and identity in Latin America and makes a major contribution to Jewish History Latin American History and Sports History

¿Qué es boniato, maestro? Masculinities Eduardo P. Archetti, 2020-12-23 The complex relationship between nationalism and masculinity has been explored both historically and sociologically with one consistent conclusion male concepts of courage and virility are at the core of nationalism In this ground-breaking book the author questions this assumption and advances the debate through an empirical analysis of masculinity in the revealing contexts of same-sex football and polo and cross-sex tango relations Because of its rich history Argentina provides the ideal setting in which to study the intersection of masculine and national

constructs hybridization creolization and a culture of performance have all informed both gender and national identities Further the author argues that counter to claims made by globalization theorists the importance of performance to Argentinian men and women has a long history and has powerfully shaped the national psyche But this book takes the analysis far beyond national boundaries to address general arguments in anthropology which are not culture specific and the discussion poses important comparative questions and addresses central theoretical issues from the interplay of morality and ritual to a comparison between the popular and the aristocratic to the importance of othering in national constructions particularly those relating to sport This book represents a major contribution not only to anthropology but to the study of gender nationalism and culture in its broadest sense *El fútbol a sol y sombra* Eduardo Galeano, 2017-06-27 Este libro

Soccer in Sun and Shadow Eduardo Galeano, 2022-10-18 One of the greatest magical and most lyrical accounts of the beautiful game In this witty and rebellious history of world soccer award winning writer Eduardo Galeano searches for the styles of play players and goals that express the unique personality of certain times and places In Soccer in Sun and Shadow Galeano takes us to ancient China where engravings from the Ming period show a ball that could have been designed by Adidas to Victorian England where gentlemen codified the rules that we still play by today and to Latin America where the crazy English spread the game only to find it creolized by the locals All the greats Pelé Di Stéfano Cruyff Eusebio Puskás Gullit Baggio Beckenbauer have joyous cameos in this book yet soccer Galeano cautions is a pleasure that hurts Thus there is also heartbreak and madness Galeano tells of the suicide of Uruguayan player Abdón Porte who shot himself in the center circle of the Nacional's stadium of the Argentine manager who wouldn't let his team eat chicken because it would bring bad luck and of scandal ridden Diego Maradona whose real crime Galeano suggests was always the sin of being the best Soccer is a game that bureaucrats try to dull and the powerful try to manipulate but it retains its magic because it remains a bewitching game a feast for the eyes and a joy for the body that plays it exquisitely rendered in the magical stories of Soccer in Sun and Shadow

La era del fútbol Juan José Sebreli, 2011-06-01 Una visión negativa del deporte más popular de la Argentina El fútbol visto críticamente por un agudo observador de la realidad argentina y mundial Juan José Sebreli tiene una visión negativa del deporte más popular en la Argentina Por eso con implacable determinación no contempla el entusiasmo de fanáticos y simpatizantes ni se detiene a enumerar los atractivos del fútbol sino que denuncia los negocios que se mueven a su alrededor y se niega a pasar por alto la hipocresía y la devaluación moral que acarrea La crítica detractora del deporte de multitudes avalada por argumentos sostenidos con entereza moral e intelectual

Comediantes y mártires Juan José Sebreli, 2016-12-01 Tras deslumbrar a los lectores y la crítica con su análisis de la filosofía del siglo XX en El olvido de la razón Juan José Sebreli dedica su nueva y brillante obra a la figura del héroe en la sociedad contemporánea a partir de cuatro mitos universales de origen argentino Evita Gardel el Che Guevara y Maradona Como se construye el mito Qué similitudes guarda con la vida real de los personajes Con estas dos preguntas como guía Sebreli pasa revista a las circunstancias vitales y las características personales de estos cuatro iconos y desentierra un elenco de contradicciones rabiosas y paradojas flagrantes la pasión por la alta costura de la abanderada de los humildes el desgano oportunismo de Gardel el amor a la violencia del Che Guevara y los devaneos y alardes de Diego Maradona siempre entre el escándalo y el fraude Sebreli observa con precisión microscópica las conductas y logra un ensayo maduro y reflexivo para todos los lectores Ilustrados que no podrán sino coincidir con la cita de Bertolt que encabeza el libro Pobres los pueblos que necesitan héroes Libro galardonado con el I Premio de Ensayo Debate Casa de América

Hinchas en tránsito Gastón Julián Gil, 2007 Hinchas en tránsito cuenta con una impresionante validez interna su autor fatigado más de 30 000 kilómetros con

la hinchada de Aldosivi un equipo de Mar del Plata que durante aquellos viajes disputaba campeonatos en la tercera categoría del fútbol argentino Pero este conocimiento profundo de un caso de fanáticos supuestamente resignados a transitar está muy lejos de agotar al libro Aquí se habla de fútbol sin canonizar a Diego Armando Maradona Se habla de la identidad argentina sin vindicar las causas de Evita Se dan explicaciones científicas de hechos sociales relacionados con la marginalidad el uso de estimulantes la violencia o el desarrollo de identidades locales La lectura de estas explicaciones no puede ser tibia o epistemológicamente neutral sin suscribir a ningún proyecto político y sin respaldarse en ningún estudio de mercado Hinchas en tránsito sugiere que los proyectos sociales que excluyen a la mayoría no sólo son injustos sino también irracionales e ineficaces
