Hess,2001 Although studies of Modernism have focused largely on European nations Spain has been conspicuously neglected As Carol A Hess argues in this compelling book such neglect is wholly undeserved Through composer Manuel de Falla 1876-1946 Hess explores the advent of Modernism in Spain in relation to political and cultural tensions prior to the Spanish Civil War The result is a fresh view of the musical life of Spain that departs from traditional approaches to the subject and reveals an open and constantly evolving aesthetic climate      *Asile Hereditaire* Francois Nouvion,2012-10 Francois Nouvion is well known collector and author of operatic subjects He was born in Zurich and is a US citizen He studied at the Swiss Federal Institute of Technology in Zurich and at Stanford University in Palo Alto He worked mostly in the semiconductor testing equipment field and sold US Equipment from Russia to Tokyo Early on he became very interested in Opera and developed his knowledge in singing from the reissues by Guy Dumazert He currently maintains a comprehensive website on tenors [historicaltenors.com](http://historicaltenors.com) and a YouTube channel on Historical tenors Although his interest on Irish French tenor John O Sullivan dates from his early days he finally started researching the tenor's career in the early 90s after meeting O Sullivan's children Jacques Colette and Raymonde After much work contacting the different libraries all over the world with the Paris and Marseilles libraries being the most difficult to work with he finally started writing the O Sullivan biography in 2007 It is now published He only regrets that Jacques O Sullivan the tenor's son did not live to witness the publication      **El futuro de la ópera** Universidad Complutense de Madrid,1990      *The Nineteenth-Century Theatre in Spain* Margaret A Rees,2018-10-24 First Published in 2002 The present volume forms part of a major Bibliography of the Hispanic Theatre forthcoming in several volumes by different specialists As such it is one of the products of a still larger computer assisted Project of Hispanic Research Bibliographies The aim has been to give as wide a coverage to the area as possible listing not only books and articles in periodicals but also data of a documentary character such as items on playbills and the local regulation of theatres Annotation is confined to information and critical appraisal is excluded      *Diccionario biográfico-bibliográfico de efemérides de músicos españoles.
