Bro, Harmon Hartzell Bro, 1996-10-15 The gift of prophecy Millions worldwide have turned to the writings of Edgar Cayce for advice on holistic medicine and spiritual growth Hailed as the father of the New Age movement his works have been translated into dozens of languages and he has received outpourings of acclaim from individuals doctors and spiritual leaders around the

globe A Seer out of Season Drawing from his experience as Cayce's longtime associate Dr Harmon Bro has written the first ever full length biography of the gifted spiritualist Long awaited by followers and skeptics alike this definitive intimate account tells the story of how an enigmatic Kentucky farm boy with no formal education became the soft spoken seer who inspired so many It is also the story of a man hounded by disbelievers who again and again branded him a charlatan only to walk away stunned by his power *Edgar Cayce's Predictions for the 21st Century* Mark A. Little, Lora Little, John Van Auken, 2006-02 From the ancient Akashic Records renowned psychic Edgar Cayce gives an amazingly detailed and fascinating vision into the legendary world of Atlantis and its extraordinary people The section on the people and places of Atlantis is exclusive to Cayce's visions into this celebrated paradise Cayce's readings describe the powerful crystal the flying machines that could soar through the air under water and out into space the energy generators that harnessed the sun's rays and channeled them into building a magnificent country of luxury wealth and peace Cayce's discourses describe how the Atlanteans rejuvenated their bodies regularly allowing them to live hundreds of years longer than we do today But he also tells of how this great culture fell from grace and power destroying itself and its continent in the process In a strangely prophetic discourse Cayce says that many ancient Atlanteans are reincarnating in the world today bringing with them both the good and evil of that ancient land Drs Gregory and Lora Little and John Van Auken present this story in an absorbing narrative of the legends of Atlantis and the latest discoveries in the ongoing search for remnants of the lost continent The book contains over a hundred illustrations some never published before Included in the story of Atlantis are vignettes of the forgotten lands of Mu and Lemuria the legend of Lilith and Amilius Plato's history and strange creatures of Atlantean lore This book includes a complete description of and update on the three Atlantean record caches that Edgar Cayce identified and the modern day explorations seeking to find these lost halls of the ancient records Back cover **Edgar Cayce's Story of Jesus** Edgar Cayce, 1969 Based on the psychic readings of Edgar Cayce the author provides an illuminating narrative on the life of Jesus Amazon.com **Edgar Cayce's Story of the Bible** Robert W. classifications he is commonly referred to in a more soothing category as the sleeping prophet Through entering a self induced hypnotic trance he produced over 14300 health and spiritual Readings one of the largest psychic libraries in history allegedly from his unconscious mind and or the supposed akashic records Uniquely he may be considered the spiritual father of both the modern New Age movement and contemporary holistic medicine His influence has extended to millions of people This book takes a critical look at the life readings and health spiritual impact of Edgar Cayce It illustrates the timely warning of the old adage that the road to hell may be paved with perfectly good intentions and how benevolent concepts such as improved health and spirituality may indeed become the devil s playground Ironically this is the very thing Cayce himself had worried about in reference to the Readings New Age Religion and Western Culture Wouter J. Hanegraaff,2018-09-24

Recent years have seen a spectacular rise of the New Age movement and an ever increasing interest in its beliefs and manifestations This fascinating work presents the first ever comprehensive analysis of New Age Religion and its historical backgrounds thus providing the reader with a means of orientation in the bewildering variety of the movement Making extensive use of primary sources the author thematically analyses New Age beliefs from the perspective of the study of religions While looking at the historical backgrounds of the movement he convincingly argues that its foundations were laid by so called western esoteric traditions during the Renaissance Hanegraaff finally shows how the modern New Age movement emerged from the increasing secularization of those esoteric traditions during the 19th century This ground breaking publication is compulsive reading for all those involved or interested in the New Age movement **Edgar Cayce and the Kabbalah** John Van Auken,2010 John Van Auken combines his love of Kabbalah with his 40 years of studying the psychic readings of world famous seer Edgar Cayce to take us on a mind expanding journey through creation and the higher levels of our consciousness Van Aukens easy writing style helps to shed light on the most complicated concepts in Kabbalah making it easier to grasp the five divisions of our being the four planes of existence the seven heavens the ten emanations and the twenty two channels of the Infinite Creative Consciousness We also learn how to expand our minds to perceive these realms to journey through them and to remain sane healthy and active in our present life Van Auken brings in insights from Buddhism Hinduism Taoism and even ancient Egyptian theology and includes Gnosticism and Neo Platonism in this multi dimensional vista A reading journey into Edgar Cayce and the Kabbalah offers you a personal road map to higher consciousness and a happier more fulfilling life *Christianity: the One, the Many* John F. Nash,2008-02-29 What is Christianity Who was Jesus Christ What relevance does Christianity have in a post Christian age Why are there so many Christian sects and what are the prospects for bringing them together Does Christianity have a future Am I a Christian Are you Christianity the One the Many offers encouraging answers and options for modern spiritual seekers This second volume focuses on western Christianity from 1000 CE onward Decline of the medieval church led to the Reformation and emergence of the Lutheran Calvinist and Anglican Churches Baptists and Methodists soon followed and in due course the charismatic

movement The scientific revolution and the Enlightenment challenged Christianity's very foundations and produced innovative religious forms like Deism and Transcendentalism Meanwhile esoteric Christianity has established itself as a further option A bold new vision is offered that honors the diversity within Christianity as well as a transcendent unifying reality the Body of Christ Seven spiritual paths are identified which offer all sincere Christians opportunities to express personal and collective aspirations Archetypal in nature and cutting across denominational boundaries they are Devotion Ceremony Knowledge Service Healing Activism and Renunciation The unifying reality is a larger archetype the Ekklesia visualized as a great Cathedral into which all are invited to open themselves to the Divine love their neighbor humbly seek truth and work to make the world a better place A masterpiece of research insight and faith A must read for believers and nonbelievers alike Now I know there's a place in Christianity for me Front cover shows the Church of Our Savior on the Spilled Blood in St Petersburg Russia Photograph courtesy of Helen C Nash     [Healing and Christianity](#) Morton T. Kelsey, 1995-03-01 From biblical times to the present this is a comprehensive and reliable study on healing in the Christian church The author looks at medical and psychological phenomena over the past 2 000 years including the early church and the ministry of Jesus He also examines the connection between medicine and psychology in making the mind body and spirit whole again     *Claiming Knowledge* Olav Hammer, 2021-11-08 This volume deals with the transformation of unchurched religious creativity in the late modern West It analyzes the ways in which the advance of science globalization and individualism have fundamentally reshaped esoteric religious traditions from theosophy to the New Age This publication has also been published in paperback please click here for details     [Religion and American Cultures](#) Gary Laderman, Luis León, 2014-12-17 This four volume work provides a detailed multicultural survey of established as well as new American religions and investigates the fascinating interactions between religion and ethnicity gender politics regionalism ethics and popular culture This revised and expanded edition of *Religion and American Cultures Tradition Diversity and Popular Expression* presents more than 140 essays that address contemporary spiritual practice and culture with a historical perspective The entries cover virtually every religion in modern day America as well as the role of religion in various aspects of U S culture Readers will discover that Americans aren't largely Protestant Catholic or Jewish anymore and that the number of popular religious identities is far greater than many would imagine And although most Americans believe in a higher power the fastest growing identity in the United States is the nones those Americans who elect none when asked about their religious identity thereby demonstrating how many individuals see their spirituality as something not easily defined or categorized The first volume explores America's multicultural communities and their religious practices covering the range of different religions among Anglo Americans and Euro Americans as well as spirituality among Latino African American Native American and Asian American communities The second volume focuses on cultural aspects of religions addressing topics such as film Generation X public sacred spaces sexuality and new religious expressions The new third

**A Touch of Love from Heaven** Angel Love,2005-11 Standing in the Great Room at my home I see a rainbow appearing between the mirrors on my living room wall I note that the six colors of the chakra system are in the correct sequence red orange yellow green blue and lilac at the top of the rainbow Looking at my watch the time is 5 50 p m The rainbow disappears and now none can be seen The time is 5 55 p m Next almost immediately two rainbows appear The first one is on the back of the Great Room Wall to the right above the sofa while I stand there facing the mirrors The second rainbow appears on the lamp Both of them contain the six colors of the chakra system in the chronological order I am left wondering if these visuals are the light of God giving me the go ahead for putting my writings into the hands of the people Since the chakra system and the rainbow are both utilized in my writings I believe this sign is from God and no accident
