Hebert Th.D., 2024-12-18 This book has been the culmination of over forty years of study on the concept of defending the Christian faith against false religions and cults that oppose that faith by exposing them Since 2007 the study took on a more academic researched scholarly tone while writing one chapter in the doctoral work It was during that time frame that studying the false religions and cults took on a more focused biblical historical and Christian orthodox direction So the foundation of this book uses the Parable of the Wheat and the Weeds Tares in Matthew 13 24 30 36 43 and a clear understanding of the core orthodox Christian beliefs as the standard for Christians to compare the kingdom of God versus the kingdom of darkness and God s truth versus Satan s lies error throughout biblical history from the Garden of Eden to the present day especially as the day of Jesus Christ s return so rapidly approaches *They Knew Jesus* Joe Steiner, 2000-05-20 Many people go through very difficult times in life The author documents the journey through his dark night of the soul The poetry paints vivid word pictures with brutally honest feelings about what he is experiencing He does not pretend to be something he is not He merely writes from the darkness as he struggles to find the light As the book progresses the light at the end of the tunnel becomes apparent He becomes in fact what he always thought he was in theory This book is not a light read but it is very easy to read
