## **Edgar Degas The Impressionists:**

**Edgar Degas** Karen Wilkin, Dominique H. Vasseur, 1994      Odd Man Out Carol M. Armstrong, 2003 In Odd Man Out Carol Armstrong offers an important study of Edgar Degas's work and reputation Armstrong grapples with contradictory portrayals of Degas as odd man out within the modernist canon he was a realist whom realists rejected a storyteller in pictures who did not satisfy novelist critics a painter of modern life who was not a modernist a member of the impressionist group who was no impressionist Armstrong confronts these and other paradoxes by analyzing the critical vocabularies used to describe Degas's work By reading several groups of the artist's images through the lens of a sequence of critical texts Armstrong shows how our critical and popular expectations of Degas are overturned and subverted This is a reprint of the book first published by the University of Chicago Press in 1991      Edgar Degas, 1834-1917 Bernd Grobe, 2001 An introduction to the life and work of nineteenth century French artist Edgar Degas discussing his cultural and historical importance and including a chronology and over one hundred color illustrations with explanatory captions      **Degas, Impressionism, and the Paris Millinery Trade** Simon Kelly, Esther Bell, Susan Hiner, Françoise Tétart-Vittu, Melissa E. Buron, Laura L. Camerlengo, Kimberly Chrisman-Campbell, Abigail Yoder, 2017 Filled with beautiful works by Edgar Degas Mary Cassatt and other Impressionist painters this richly illustrated book showcases artistic portrayals of France's millinery trade during the Belle époque Filled with beautiful works by Edgar Degas Mary Cassatt and other Impressionist painters this richly illustrated book showcases artistic portrayals of France's millinery trade during the Belle Époque Though best known for his depictions of dancers and bathers Edgar Degas repeatedly returned to the subject of millinery over the course of three decades In masterpieces such as *The Millinery Shop* 1879-86 and *The Milliners* ca 1898 he captured scenes of milliners fashioning and women wearing elaborate colorful hats Featuring sumptuous paintings pastels and preparatory drawings by Degas Cassatt Manet Renoir and Toulouse-Lautrec among others this generously illustrated book surveys the millinery industry of 19th century Paris Peppered throughout with photographs posters and prints of French hats this book includes essays that explore Degas's particular interest in the millinery trade the tension between modern fashion and reverence for history and the grand art historical tradition a chronicle of Parisian milliners from Caroline Reboux to Coco Chanel and examples of how the millinery trade is depicted in literature Brilliantly linking together the worlds of industry art and fashion this groundbreaking book examines the fundamental role of hats and hat makers in 19th century culture      **Edgar Degas** Richard Thomson, 1995 Edgar Degas was one of the great pioneers of modern art and the J. Paul Getty and Norton Simon museums are fortunate to own jointly one of his finest pastels *Waiting (L'Attente)* which he made sometime between 1880 and 1882 about midway in his career In this fascinating monograph author Richard Thomson explores this brilliant work in detail revealing both the intricacies of its composition and the source of the emotional pull it immediately exerts upon the viewer For *Waiting* is indeed an extraordinary object both in its craftsmanship and color and perhaps most especially in its aura of

ambiguity and even mystery      **Edgar Degas** Nathalia Brodskaya, Edgar Degas, 2023-12-28 Degas was closest to Renoir in the impressionist's circle for both favoured the animated Parisian life of their day as a motif in their paintings Degas did not attend Gleyre's studio most likely he first met the future impressionists at the Caf Guerbois He started his apprenticeship in 1853 at the studio of Louis Ernest Barrias and beginning in 1854 studied under Louis Lamothe who revered Ingres above all others and transmitted his adoration for this master to Edgar Degas Starting in 1854 Degas travelled frequently to Italy first to Naples where he made the acquaintance of his numerous cousins and then to Rome and Florence where he copied tirelessly from the Old Masters His drawings and sketches already revealed very clear preferences Raphael Leonardo da Vinci Michelangelo and Mantegna but also Benozzo Gozzoli Ghirlandaio Titian Fra Angelico Uccello and Botticelli During the 1860s and 1870s he became a painter of racecourses horses and jockeys His fabulous painter's memory retained the particularities of movement of horses wherever he saw them After his first rather complex compositions depicting racecourses Degas learned the art of translating the nobility and elegance of horses their nervous movements and the formal beauty of their musculature Around the middle of the 1860s Degas made yet another discovery In 1866 he painted his first composition with ballet as a subject *Mademoiselle Fiocre dans le ballet de la Source* *Mademoiselle Fiocre in the Ballet* The Spring New York Brooklyn Museum Degas had always been a devotee of the theatre but from now on it would become more and more the focus of his art Degas first painting devoted solely to the ballet was *Le Foyer de la danse l'Opéra de la rue Le Peletier* *The Dancing Anteroom at the Opera on Rue Le Peletier* Paris Musée d'Orsay In a carefully constructed composition with groups of figures balancing one another to the left and the right each ballet dancer is involved in her own activity each one is moving in a separate manner from the others Extended observation and an immense number of sketches were essential to executing such a task This is why Degas moved from the theatre on to the rehearsal halls where the dancers practised and took their lessons This was how Degas arrived at the second sphere of that immediate everyday life that was to interest him The ballet would remain his passion until the end of his days      *Degas and the Laundress* Britany

Salsbury, Aleksandra Bursac, Michelle Foa, Gretchen Schultz, Charles Sowerwine, 2023-10-10 An exploration of Edgar Degas's laundress works and their significance within broader debates art urban life and women's work in the nineteenth century Edgar Degas's depictions of Parisian laundresses are some of the famed Impressionist's most revolutionary works In paintings drawings and prints throughout his long career Degas emphasized the strenuousness of women's labor and highlighted social class divides in his idiosyncratic avant garde style Laundresses washing ironing and carrying heavy baskets of clothing were a highly visible presence within late nineteenth century Paris and their job was difficult dangerous and poorly paid Indeed many laundresses were forced to supplement their income through prostitution Degas's portrayals of this harsh and complicated life were included in his most significant exhibitions and were praised by artists and critics of his time as epitomizing modernity Contextualizing Degas's laundress works with those of his contemporaries such as Gustave

Caillebotte Berthe Morisot Pierre Auguste Renoir and Henri de Toulouse Lautrec this volume also looks at examples by painters that Degas influenced and was influenced by from Honor Daumier to Pablo Picasso Richly illustrated and featuring essays by an interdisciplinary group of authors this study draws on art history literature and history to reveal how Degas's stunning works take part in a more widespread debate concerning the topic of laundresses during the late nineteenth century Distributed for the Cleveland Museum of Art Exhibition Schedule The Cleveland Museum of Art October 8 2023 January 14 2024      **Edgar Degas** Pierre Cabanne,1958      **Edgar Degas, Life and Work** Denys Sutton,1986 Contains reproductions of the artist's work extracts from his correspondence and a study of the artist's personality and work

**Edgar Degas: Paintings in Close Up** Annabelle Thornhill,2015-01-06 Edgar Degas seems never to have reconciled himself to the label of Impressionist preferring to call himself a Realist or Independent Nevertheless he was one of the group's founders an organizer of its exhibitions and one of its most important core members Like the Impressionists he sought to capture fleeting moments in the flow of modern life yet he showed little interest in painting plain air landscapes favoring scenes in theaters and cafes illuminated by artificial light which he used to clarify the contours of his figures adhering to his Academic training He is especially identified with the subject of dance more than half of his works depict dancers He also was a superb draftsman and particularly masterful in depicting movement as can be seen in his interpretations of dancers and female nudes His portraits are notable for their psychological complexity and for their portrayal of human isolation
