Edith Sitwell Fire Of The Mind An Anthology:

Edith Sitwell Edith Sitwell, Elizabeth Salter, 1976 Women's Poetry of the 1930s: A Critical Anthology Jane Dowson, 2008-02-21 Where were the women of the so called Auden Generation During this era of rapidly changing gender roles social values and world politics women produced a rich variety of poetry But until now their work has largely been lost or ignored in Women s Poetry of the 1930s Jane Dowson finally redresses the balance and recovers women s place in the literary history of the interwar years This comprehensive and beautifully edited collection includes Previously uncollected poems by authors such as Winifred Holtby and Naomi Mitchison Poems which are now out of print such as those by Vita Sackville West and Frances Cornford Poems previously neglected by poets including Ann Ridler and Sylvia Townsend Warner An extensive critical introduction and individual biographies of each poet Poetry lovers students and scholars alike will find Women s Poetry of the 1930s an invaluable resource and a collection to treasure **Edith Sitwell** Richard Greene, 2011-11-10 For the better part of forty years Edith Sitwell s poetry has been neglected by critics But born into a family of privileged eccentrics Edith Sitwell was highly regarded by her contemporaries the great writers and artists of the day who attended her unlikely London literary salon Her quips and anecdotes were legendary and her works like *English Eccentrics* confirmed her comic genius while later she established herself as the quintessential poet of the Blitz This masterly biography meticulously researched and drawing on many previously unseen letters firmly places Edith Sitwell in the literary tradition to which she belongs *Artistic Outlaws* Sonja Samberger, 2005 The creator of the new composition in the arts is an outlaw until he is a classic Gertrude Stein wrote in 1926 Unlike male modernists such as T S Eliot or Ezra Pound the modernist women poets Edith Sitwell Amy Lowell Stein and H D never became high modernist models but remained artistic outlaws The present study shows how these women were present on the modernist scene but followed their own concepts and struggled to establish their position as modernist women poets Defying definition the four poets not only richly contributed to modernism but were indeed its developers **Eco-Modernism** Jeremy Diaper, 2022-11-17 In drawing together contributions from leading and emerging scholars from across the UK and America *Eco Modernism* offers a diverse range of environmental and ecological interpretations of modernist texts and illustrates that ecocriticism can offer fresh and provocative ways of understanding literary modernism *Benjamin Britten* Paul Kildea, 2013-01-28 Published to mark the beginning of the Britten centenary year in 2013 Paul Kildea s *Benjamin Britten A Life in the Twentieth Century* is the definitive biography of Britain s greatest modern composer In the eyes of many Benjamin Britten was our finest composer since Purcell a figure who often inspired him three hundred years earlier He broke decisively with the romantic nationalist school of figures such as Parry Elgar and Vaughan Williams and recreated English music in a fresh modern European form With *Peter Grimes* 1945 *Billy Budd* 1951 and *The Turn of the Screw* 1954 he arguably composed the last operas from any composer in any country which have entered both the popular consciousness and the musical canon He did all this while

carrying two disadvantages to worldly success his passionately held pacifism which made him suspect to the authorities during and immediately after the Second World War and his homosexuality specifically his forty year relationship with Peter Pears for whom many of his greatest operatic roles and vocal works were created The atmosphere and personalities of Aldeburgh in his native Suffolk also form another wonderful dimension to the book Kildea shows clearly how Britten made this creative community notably with the foundation of the Aldeburgh Festival and the building of Snape Maltings but also how costly the determination that this required was Above all this book helps us understand the relationship of Britten's music to his life and takes us as far into his creative process as we are ever likely to go Kildea reads dozens of Britten's works with enormous intelligence and sensitivity in a way which those without formal musical training can understand It is one of the most moving and enjoyable biographies of a creative artist of any kind to have appeared for years Paul Kildea is a writer and conductor who has performed many of the Britten works he writes about in opera houses and concert halls from Sydney to Hamburg His previous books include *Selling Britten* 2002 and as editor *Britten on Music* 2003 He was Head of Music at the Aldeburgh Festival between 1999 and 2002 and subsequently Artistic Director of the Wigmore Hall in London

Acrobatic Modernism from the Avant-Garde to Prehistory Jed Rasula, 2020-02-27 This is a book about artistic modernism contending with the historical transfigurations of modernity As a conscientious engagement with modernity's restructuring of the lifeworld the modernist avant garde raised the stakes of this engagement to programmatic explicitness But even beyond the vanguard the global phenomenon of jazz combined somatic assault with sensory tutelage Jazz like the new technologies of modernity re-calibrated sensory ratios The criterion of the new as self-making also extended to names pseudonyms and heteronyms The protocols of modernism solicited a pragmatic arousal of bodily sensation as artistic resource validating an acrobatic sensibility ranging from slapstick and laughter to the pathos of bereavement Expressivity trumped representation The artwork was a diagram of perception not a mimetic rendering For artists the historical pressures of altered perception provoked new models and Ezra Pound's slogan Make It New became the generic rallying cry of renovation The paradigmatic stance of the avant garde was established by Futurism but the discovery of prehistoric art added another provocation to artists Paleolithic caves validated the spirit of all over composition unframed and dynamic Geometric abstraction Constructivism and Purism and Surrealism were all in quest of a new mythology Making it new yielded a new pathos in the sensation of radical discrepancy between futurist striving and remotest antiquity The Paleolithic cave and the USSR emitted comparable siren calls on behalf of the remote past and the desired future As such the present was suffused with the pathos of being neither but subject to both

[Collected English Verse](#) Margaret Bottrall, Ronald Bottrall, 1946 **The Many Facades of Edith Sitwell** Allan Pero, Gyllian Phillips, 2017-06-13 A fascinating book that takes us deep into Edith Sitwell's world of artifice disguise high camp and verbal ingenuity In these essays Sitwell emerges as a central figure in an alternative avant garde in early twentieth century Britain Faye Hammill author of *Sophistication A Literary and Cultural History*

Establishing Edith Sitwell at the center of British modernism this volume showcases her many achievements in poetry autobiography novel writing criticism art and performance Forgoing the gossip about her eccentric appearance and self fashioned persona that has too often overshadowed serious writing about her work the contributors explore how Sitwell combined persona and poetry to foster an outpouring of iconoclastic creativity The Many Facades of Edith Sitwell argues that Sitwell was crucial to the development of a British avant garde that operated alongside the conventionally accepted transatlantic modernism of Ezra Pound and T S Eliot With Sitwell as an influential literary player and social architect the British interwar arts scene was not an ascetic escape from personality as the modernism of Pound and Eliot has often been characterized but an alternative space of flamboyant extravagant and ornate performance Allan Pero is associate professor of English at the University of Western Ontario Gyllian Phillips is associate professor of English studies at Nipissing University
