Jagla,Joseph A. Erickson,Alan S. Tinkler,2013-12-01 *Transforming Teacher Education through Service Learning* provides a fresh look at educational reform through the lens of teacher preparation It poses the question Why service

learning now as it discusses the meaningful ways service learning pedagogy can transform the approaches used to prepare teachers to educate tomorrow's children. The pedagogy of service learning has significant implications for teacher education. Its transformative aspects have far-reaching potential to address teacher candidate dispositions and provide deeper understanding of diversity. Knowledge of the pedagogy and how to implement it in candidates' future classrooms could alter education to a more powerful experience of democracy in action and enhance the civic mission of schools. The current and ongoing research found within this volume is meant to continue support of the notion of educational reform. Because the vision we hold becomes the reality we experience, it is imperative to consider the question: Why service learning now as we adjust teacher preparation programs to promote engaging opportunities for today's youth? **Community-based**

**Transformational Learning in Early Childhood Settings** Christian Winterbottom, Vickie E. Lake, Adrien Malek-Lasater, 2024-06-03. This comprehensive research-based resource illuminates the challenges and benefits of integrating community-based transformational learning (CBTL) experiences of teachers, students, and the community in early childhood settings. Balancing historical context with theoretical underpinnings, ongoing research, and current practice, this multi-authored volume demystifies the praxeology of CBTL. It uses annotated case studies to explore the importance of considering contextual factors, i.e., cultural practices, community health, and demographics, and student level that may influence what early years students gain from CBTL experiences, and it encourages a community dialogue that is both challenging and affirming to support students' confidence in their own capacity to make a better world for all people. As the first CBTL book specific to early childhood settings, it is key reading for future teachers. It is also of great interest to current educators, administrators, and community organizers who want to help center CBTL as a vital part of early childhood curriculum.
