Hong Kong's Reunion with China: The Global Dimensions Gerard A. Postiglione, James Tuck-Hong Tang, 2016-07-01 The issues surrounding Hong Kong's global position and international links grow increasingly complex by the day as the process of Hong Kong's transformation from a British colony to a Chinese Special Administration Region unfolds This volume addresses a number of questions relating to this process How international is Hong Kong What are its global and international dimensions How important are these dimensions to its continued success How will these dimensions change especially beyond the sphere of economics Is Hong Kong's internationalization defined in terms of its willingness to embrace international values and its capacity to maintain its international presence at risk These questions are presented as they pertain to the changing situation relations between mainland China Taiwan and Hong Kong the positions of Australia Canada and the United States on Hong Kong internalization of international legal values Americanization vs Asianization linkages to the world through Guangdong strategies to emigrate overseas cultural internationalization media internationalization and universities within the global economy

The Hong Kong-Guangdong Link Reginald Yin-Wang Kwok, Alvin Y. So, 2020-11-25 This text focuses on the relationship of Hong Kong with the adjacent Chinese province Guangdong the territories most directly involved in the 1997 transfer of Hong Kong to Chinese rule The socio economic political and cultural impact of this crucial link and the implications for the future of both Hong Kong and China are studied A multi disciplinary approach is taken to examine the complexity of economic political and cultural transformation of the Hong Kong Guangdong link and this book presents a historical perspective to trace the long term structural transformation The dynamics of the integration process between the two territories is also explored

Reluctant Exiles? Ronald Skeldon, 2016-09-16 This work presents an assessment of the migration from Hong Kong that has occurred since the second half of the 1980s This pronounced outflow of highly educated people a brain drain is having a profound impact on destination areas as well as on Hong Kong itself

Education and Society in Hong Kong Gerard A. Postiglione, Julian Leung Yat Ming, 2017-09-29 This title was first published in 1992 Explores the implications of the transfer of sovereignty over Hong Kong in 1997 to the People's Republic of China and the political economic and cultural impact of the social transition on education

Media Messages Linda Holtzman, 2000-12 Using sources in Japanese Chinese and American archives this text reassesses Woodrow Wilson's agenda at the Paris Peace Conference It argues Wilson did not betray China but negotiated a compromise with the Japanese to ensure that China's sovereignty would be respected in Shandong Province

(Un)Learning to Teach Through Intercultural Professional Development Candace Schlein, 2017-12-01 This book comprises

an examination of novice teachers experiences in schools and cultures of schooling across the contexts of Hong Kong Japan and Canada Drawing on narrative inquiry and arts based approaches this study employs experience as a starting point for making sense of both professional and personal encounters in local and foreign settings This work thus sheds light on how people make sense of shifting landscapes in an era of increasing intercultural communication and interaction while addressing important curricular implications of intercultural professional development for equity and social justice

Higher Education in the Developing World David W. Chapman, Ann E. Austin, 2002-04-30 Identifies five critical issues with which higher education institutions in the developing world must grapple as they respond to changing external contexts offers examples of institutional responses to these issues and considers these within a systems perspective which recognizes that each response impacts how institutions handle other critical issues Half of the students enrolled in higher education worldwide live in developing countries Yet in many developing countries government and education leaders express serious concerns about the ability of their colleges and universities to effectively respond to the pressures posed by changing demographics new communication technologies shifts in national political environments and the increasing interconnectedness of national economies This book identifies five critical issues with which higher education institutions in the developing world must grapple as they respond to these changing contexts seeking a new balance in government university relationships coping with autonomy managing expansion while preserving equity raising quality and controlling costs addressing new pressures for accountability and supporting academic staff in new roles These papers offer examples of institutional responses and consider these within a systems perspective that recognizes that each response has a rippling effect impacting institutions responses to other critical issues Only as government and education leaders understand the interwoven nature of the problems now facing colleges and universities and the interconnections among the intended solutions they seek to implement can they offer effective leadership that strengthens the quality and improves the relevance of higher education in their countries *The Hong Kong Reader* Ming K. Chan, Gerard A. Postiglione, 2016-09-16 This paperback reader provides the student and general reader with easy access to the major issues of the Hong Kong transition crisis Contributors include both editors as well as Frank Ching Berry F Hsu Reginald Yin wang Kwok Peter Kwong Julian Y M Leung Ronald Skeldon Alvin Y So Yun wing Sung and James T H Tang the majority of whom live and work in Hong Kong and experience the transition firsthand personally and professionally *Crisis and Transformation in China's Hong Kong* Ming K. Chan, Alvin Y. So, 2016-07-08 Hong Kong has undergone sweeping transformation since its return to Chinese sovereignty in 1997 This is a multidisciplinary assessment of the new regime and key issues challenges crises and opportunities confronting the Hong Kong Special Administrative Region HKSAR **Criminal Justice in Hong Kong** Carol Jones, Jon Vagg, 2017-09-29 Containing a wealth of archival material and statistical data on crime and criminal justice Criminal Justice in Hong Kong presents a detailed evaluation of Hong Kong s criminal justice system both past and present Exploring the justice system and

the perceptions of popular culture this book demonstrates how the current criminal justice system has been influenced and shaped over time by Hong Kong's historical position between East and West Jones and Vagg's examination of the justice system not only takes into account geographical changes like the erection of the border with communist China in 1950 but also insists that any deep understanding of the current system requires a dialogue with the rich and complex narratives of Hong Kong's history It explores a range of questions including How were Hong Kong's criminal justice institutions and practices formed What has been its experience of law and order How has Hong Kong's status as between East and West affected its social political and legal institutions Careful and detailed this analysis of one of the most economically successful politically stable and safe yet frequently misrepresented cities is a valuable addition to the bookshelves of all undergraduate and postgraduate students studying Asian law

The Politics of Education Reform in China's Hong Kong Sonny Shiu-Hing Lo, Chung Fun Steven Hung, 2022-03-31 Education reform has become a highly political issue in the Hong Kong Special Administrative Region HKSAR since the transfer of sovereignty to the People's Republic of China PRC Lo and Hung focus on the political struggles among stakeholders including the government of Hong Kong the Catholic Church parents students teachers the central authorities of Beijing and even the bureaucratic politics between Beijing the Hong Kong government and the Examination Authority They examine the key elements of education reform in the HKSAR including language and curriculum reform national security education civic and patriotic education the rise of the pro Beijing education elites and interest groups and the revamp of examination questions and examination authority The entire education reform in the HKSAR has pushed the Hong Kong education system toward a process of mainlandization making Hong Kong's education system more similar to the mainland system with emphasis on political correctness in the understanding of Chinese national security history and culture Highlighting the political struggles among the various stakeholders this book is essential for scholars of Hong Kong and China especially those with an interest in the relationship between education and politics

Precarious Balance Ming K. Chan, John D. Young, 2015-06-11 This work closely considers the history and political importance of Hong Kong in the period 1842 to 1992

The A to Z of the Hong Kong SAR and the Macao SAR Ming K. Chan, Sonny Shiu-hing Lo, 2010 The Hong Kong Special Administrative Region of the People's Republic of China is located on the southeastern coast of China and the Macao SAR can be found off of China's southern coast Both regions have recently been released from European colonial rule Hong Kong from British control in 1997 and Macao from Portugal in 1999 As SARs Hong Kong and Macao retain a high degree of autonomy and they control all issues except those of state e.g diplomatic relations and national defense The A to Z of the Hong Kong SAR and the Macao SAR includes maps photographs a list of acronyms a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on important persons places and events as well as political economic and social background However unlike the rest of the series all these sections are presented in duplicate one for Hong Kong and one for Macao The authoritative analysis and

informative data presented clearly elucidate the unique situation of these two territories The Hong Kong Basic Law Ming K. Chan, David J. Clark, 1991-01-01 Analyses how China's socialist legal principles are incorporated into the Basic Law and examines the conflicts in the drafting process between maintaining China's control and achieving genuine democracy and autonomy **General Aspects of Applying Generative AI in Higher Education** Mohamed Lahby, Yassine Maleh, Antonio Bucchiarone, Satu Elisa Schaeffer, 2024-09-27 This book explores the transformative impact of generative artificial intelligence GenAI on teaching and learning examining how recent advancements in GenAI are revolutionizing educational practices across disciplines The book is organized into three parts an overview of GenAI in education its application in diverse educational contexts and future perspectives on how educators and GenAI can interface The first part addresses the pressing concerns within the educational landscape both the bridges GenAI allows us to build and the remaining as well as the emerging gaps The middle part explores specific academic disciplines such as history sports medicine mathematics engineering and the humanities dissecting the influence of GenAI on each The final part looks ahead discussing the ethical implications the evolving role of prompting and innovative frameworks for personalized learning By presenting a balanced view of the opportunities that are now within reach through GenAI and the challenges such leaps pose to the way we learn and teach this book allows interested educators to learn from the early adopting contributors to fruitfully and responsibly integrate such technologies into their pedagogical practices It serves as a resource for anyone interested in the future of educational practices and research of education offering insights that can spark further exploration and discussion within the academic community and educational policy makers *Hong Kong School Curriculum* Paul Morris, 1996-08-01 This book is intended for students who are studying courses on the school curriculum and also for teachers and principals who are keen to improve the quality of schooling they provide their pupils The book introduces the reader to the components of the school curriculum and concepts used to analyse it This second edition has been substantially revised to reflect changes in educational policy *Crisis and Transformation in China's Hong Kong* , **Lost in China?** Carol A.
