The Southern Baptist Convention & Civil Rights, 1954-1995 David Roach, 2021-12-17 According to conventional wisdom theological liberals led the Southern Baptist Convention to reject segregation and racism in the twentieth century That's only half the story Liberals criticized segregation before mainstream Southern Baptists They created racially integrated ministry opportunities They pressed the Southern Baptist Convention to reject segregation Yet historians have discounted the role of conservative theology in the convention's shift away from racial segregation and prejudice This book chronicles how conservative theology proved remarkably compatible with efforts toward racial justice in America's largest Protestant

denomination between 1954 and 1995 At times conservative theology was even a catalyst for rejecting racial prejudice Efforts to eradicate racism and segregation were in fact least successful when they appealed to the social gospel or appeared to draw from liberal theology **Benjamin Elijah Mays, Schoolmaster of the Movement** Randal Maurice

Jelks,2012-05-15 In this first full length biography of Benjamin Mays 1894 1984 Randal Maurice Jelks chronicles the life of the man Martin Luther King Jr called his spiritual and intellectual father Dean of the Howard University School of Religion president of Morehouse College and mentor to influential black leaders Mays had a profound impact on the education of the leadership of the black church and of a generation of activists policymakers and educators Jelks argues that Mays s ability to connect the message of Christianity with the responsibility to challenge injustice prepared the black church for its pivotal role in the civil rights movement From Mays s humble origins in Epworth South Carolina through his doctoral education his work with institutions such as the National Urban League the NAACP and the national YMCA movement and his significant career in academia Jelks creates a rich portrait of the man the teacher and the scholar Benjamin Elijah Mays Schoolmaster of the Movement is a powerful portrayal of one man s faith thought and mentorship in bringing American apartheid to an end
