*Handbook of Research in Social Studies Education* Linda S. Levstik, Cynthia A. Tyson, 2010-04-15 This Handbook outlines the current state of research in social studies education a complex dynamic challenging field with competing perspectives about appropriate goals and on going conflict over the content of the curriculum Equally important it encourages new research in order to advance the field and foster civic competence long maintained by advocates for the social studies as a fundamental goal In considering how to organize the Handbook the editors searched out definitions of social studies statements of purpose and themes that linked or divided theory research and practices and established criteria for topics to include Each chapter meets one or more of these criteria

research activity since the last Handbook that warrants a new analysis topics representing a major emphasis in the NCSS standards and topics reflecting an emerging or reemerging field within the social studies The volume is organized around seven themes Change and Continuity in Social Studies Civic Competence in Pluralist Democracies Social Justice and the Social Studies Assessment and Accountability Teaching and Learning in the Disciplines Information Ecologies Technology in the Social Studies Teacher Preparation and Development The Handbook of Research in Social Studies is a must have resource for all beginning and experienced researchers in the field      **Resources in Education** ,1994      **The Praeger Handbook on Contemporary Issues in Native America** Bruce E. Johansen,2007-04-30 Most Americans know very little about Native America For many most of their knowledge comes from an amalgam of three sources a barely remembered required history class in elementary school Hollywood movies and debates in the news media over casinos or sports mascots This two volume set deals with these issues as well as with more important topics of concern to the future of Native Americans including their health their environment their cultural heritage their rights and their economic sustainability This two volume set is one of few guides to Native American revival in our time It includes detailed descriptions of efforts throughout North America regarding recovery of languages trust funds economic base legal infrastructure and agricultural systems The set also includes personal profiles of individuals who have sparked renewal from Sheila Watt Cloutier a leader among the Inuit whose people deal with toxic chemicals and global warming to Ernest Benedict and Ray Fadden who brought pride to Mohawk children long before the idea was popular Also included are descriptions of struggles over Indian mascots establishment of multicultural urban centers and ravages of uranium mining among the Navajo The set ends with a detailed development of contemporary themes in Native humor as a coping mechanism Delving occasionally into historical context this set includes valuable background information on present day controversies that are often neglected by the news media For example the current struggles to recover Native American trust funds and languages both emerged from a cradle to grave control system developed by the U S and Canadian governments These efforts are part of a much broader Native American effort to recover from pervasive poverty and reassert Native American economic independence Is gambling an answer to poverty the new buffalo as some Native Americans have called it The largest Native American casino to date has been the Pequots Foxwoods near Ledyard Connecticut In other places such as the New York Oneidas lands in Upstate New York gambling has provided an enriched upper class the means to hire police to force anti gambling traditionalists from their homes Among the Mohawks at Akwesasne people have died over the issue This two volume set brings together all of these struggles with the attention to detail they have always deserved and rarely received      *American Educational Digest* ,1923

*Activist Rhetorics and American Higher Education, 1885-1937* Susan Kates,2001 In this study of the history of rhetoric education Susan Kates focuses on the writing and speaking instruction developed at three academic institutions founded to serve three groups of students most often excluded from traditional institutions of higher education in late nineteenth and

early twentieth century America white middle class women African Americans and members of the working class Kates provides a detailed look at the work of those students and teachers ostracized from rhetorical study at traditional colleges and universities She explores the pedagogies of educators Mary Augusta Jordan of Smith College in Northhampton Massachusetts Hallie Quinn Brown of Wilberforce University in Wilberforce Ohio and Josephine Colby Helen Norton and Louise Budenz of Brookwood Labor College in Katonah New York These teachers sought to enact forms of writing and speaking instruction incorporating social and political concerns in the very essence of their pedagogies They designed rhetoric courses characterized by three important pedagogical features a profound respect for and awareness of the relationship between language and identity and a desire to integrate this awareness into the curriculum politicized writing and speaking assignments designed to help students interrogate their marginalized standing within the larger culture in terms of their gender race or social class and an emphasis on service and social responsibility *Handbook of Research in the Social Foundations of Education* Steven Tozer, Bernardo P. Gallegos, Annette Henry, Mary Bushnell Greiner, Paula Groves Price, 2011-07-05 This groundbreaking volume helps readers understand the history evolution and significance of this wide ranging often misunderstood and increasingly important field of study
