Educational Psychology, Active Learning Edition, My Lab School Edition Anita Woolfolk, Anita Woolfolk Hoy, 2004-12-01

The best selling Educational Psychology has been reformatted and chunked to give instructors greater course flexibility and to help students master the material easily. Derived from Anita Woolfolk's market leading Educational Psychology Ninth Edition, the most thorough, accessible, and authoritative text on the market, the Active Learning Edition breaks the material into manageable modules. To provide customers with an alternative version to the longer chapters of the standard 9th Edition, that version's 15 chapters now appear as 43 briefer modules which are easy to cover in shorter academic terms and will make learning easier for students. In addition to presenting comprehensive expert coverage of all topics teachers need to understand about how students learn and all the classroom applications for which the author is justly renowned, the modules are grouped into clusters that allow for deeper context and background for each topic. Further, each module is a self-contained learning unit with learning objectives and review questions. Check Yourself that provide immediate reinforcement of key concepts and build students' confidence in their grasp of the material.
