

European Parliament

Richard Whitaker

European Parliament:

The European Parliament Ariadna Ripoll Servent, 2017-11-03 This broad ranging text examines the political dynamic of the European Parliament EP showing how the EP is a key component of the political system of the EU It looks at how and how effectively the parliament translates citizen demands into policies and in so doing contributes to wider debates around democracy and legitimacy in the EU

The European Parliament's Committees Richard Whitaker, 2011-04-05 This book analyzes the development of the European Parliament's EP committees and their relationship with national political parties in the light of the EP's increased legislative role over the last three decades The book argues that national parties have a greater incentive to care about what goes on in the EP given the growth in its legislative power Because most of the EP's detailed legislative work takes place in its committees national parties should be concerned about their involvement with the EP's committee system Based on extensive original research this book shows how the EP's committees have changed over time in response to legislative empowerment and analyzes how national parties and individual MEPs use the committee system to further their policy goals The book makes a theoretical contribution by providing an explanation for the variation in powers of committees between separated and fused systems of government and by adapting theories of legislative organization developed in the context of the US Congress to the EP The European Parliament's Committees will be of interest to students and scholars studying the European Parliament EU institutions policy making and the development of legislatures and political parties

European Parliament's Political Groups in Turbulent Times Petra Ahrens, Anna Elomäki, Johanna Kantola, 2022-07-08 This open access book provides the first ever authoritative collection of scholarly insights based upon original research into the political groups of the EP tackling the fundamental changes since the Lisbon Treaty and the upsurge of radical right parties It analyses political groups and their importance from multiple perspectives critically assessing their role and significance in EU politics Each chapter is authored by leading scholars in the field working on key topics in relation to political groups political group formation and function their role in parliamentary and EU policy making the way that Eurosceptic MEPs influence or not the Parliament and the nature and form of interactions with external actors In doing so each chapter opens hitherto unexplored black boxes in the political work of the EP such as the internal practices of and power relations within the political groups and informal arenas of intra group decision making

The European Parliament in Challenging Times Martin Steven, 2025-10-27 This book analyses the different dimensions of the European Parliament's work in the 2019-2024 session with each chapter focusing on one of the many challenges that MEPs have faced and are still facing as a result of political volatility These include the impact of the increase in profile of Eurosceptic Members on both coalition building and the committee work that have been a traditional strength of the legislature the activities of parliamentarians in relation to key policy areas such as public health and immigration as well as the wider and broadly respected role of the EP in democracy promotion Having faced these challenges for a number of years

it is even possible to argue that the 2020s will see a new era of the Parliament following on from previous periods when either the European Commission or the Council of Ministers each in turn dominated European Union affairs in Brussels and Strasbourg This volume spans the fields of European politics legislative studies international relations and comparative governance making it an essential resource for academics researchers and graduate students in political science and European studies It will also appeal to policy professionals diplomats and EU officials seeking to understand the evolving role of the European Parliament The chapters in this book were originally published as a special issue of Journal of Legislative Studies

The European Parliament's Role in Closer EU Integration R. Corbett, 2015-12-22 Nearly 20 years after it first became an elected institution it is time to assess the impact of the European Parliament on the process of European integration This book does so beginning with an analysis of what integration theorists expected of the directly elected Parliament when such an idea was still on the drawing board and then examining what the Parliament has achieved in practice It concludes that the Parliament has been extremely significant though not always in the ways initially expected

The European Parliament and its International Relations Stelios Stavridis, Daniela Irrera, 2015-03-24 Following the Lisbon Treaty the powers of the European Parliament in external relations have gradually expanded and it is increasingly influencing the foreign policy of the European Union This book analyses the role of the European Parliament as an international actor and presents a new debate about its role outside the EU territory It explores different policy areas including human rights international aid trade crisis management and the environment to provide a systematic analysis of the modern global role of the European Parliament The book also considers the European Parliament's regional interactions with Africa Latin America the United States Asia and the Middle East With a common analytical framework and research covering the lifespan of the European Parliament from its first direct elections in 1979 to the present day this comprehensive volume presents an unparalleled analysis of one of the most important institutions in the European Union This book will be of interest to students and scholars of European Union politics and institutions European policy government international relations and European history

Inside European Parliament Politics Laura Landorff, 2019-02-18 The study of the informal dimension of EU politics is more important than ever in order to understand how the EU system works This book presents an innovative and original study on informal cross party cross committee groupings in the European Parliament so called Intergroups Building on extensive fieldwork including semi structured interviews and observations this study shows how parliamentarians of the seventh European Parliament 2009-2014 gain a variety of social resources such as social informational and political capital in Intergroups which they subsequently mobilise to foster opinion formation across political groups and parliamentary committees and to shape the EP's agenda and policy outcomes Drawing on an interdisciplinary Bourdieusian inspired framework this book makes a valuable contribution to sociological approaches in European integration studies Shedding new light on the informal dimension of parliamentary practices and politics this book

appeals to EPas well as EU scholars to students and practitioners of EU politics and civil society

Political Communication in European Parliamentary Elections Michaela Maier, Jesper Strömbäck, Lynda Lee Kaid, 2011 Written by a leading team of internationally distinguished political communication scholars this book offers the most comprehensive account on comparative political communication research in the context of European Parliamentary elections currently available

Parliamentary Cooperation and Diplomacy in EU External Relations Kolja Raube, Meltem Müftüler-Baç, Jan Wouters, In today s increasingly complex and interdependent world the role of parliaments in external affairs remains a relatively under explored topic of research The multiple patterns of global governance are mostly dominated by the executive branches of government with parliaments relegated to the sidelines This insightful book aims to challenge this dominant perspective and demonstrate the increased networking of parliaments both within the EU and with external actors outside the EU It not only sheds light on EU parliamentary cooperation and networking but also reveals the growing scope and role of parliamentary scrutiny control and conflict mediation

History, Memory, and Trans-European Identity Aline Sierp, 2014-06-20 This book questions the presupposition voiced by many historians and political scientists that political experiences in Europe continue to be interpreted in terms of national history and that a European community of remembrance still does not exist By tracing the evolution of specific memory cultures in two successor countries of the Fascist Nazi regime Italy and Germany and the impact of structural changes upon them the book investigates wider democratic processes particularly concerning the conservation and transmission of values and the definition of identity on different levels It argues that the creation of a transnational European memory culture does not necessarily imply the erasure of national and local forms of remembrance It rather means the creation of a further supranational arena where diverging memories can find their expression and can be dealt with in a different way Through the triangulation of agents of memory construction constraints and opportunities and actual portrayals of the past this volume explores the difficulties faced by a multinational entity like the EU in reaching some kind of consensus on such a sensitive subject as history

The European Parliament in Times of EU Crisis Olivier Costa, 2018-11-24 This book assesses the many changes that have occurred within the European Parliament and in its external relations since the Lisbon treaty 2009 and the last European elections 2014 It is undoubtedly the institution that has evolved the most since the 1950s Despite the many crises experienced by European integration in the last years the Parliament is still undergoing important changes in its formal competences its influence on policy making its relations with other EU institutions its internal organisation and its internal political dynamics Every contribution deals with the most recent aspects of these evolutions and addresses overlooked topics providing an overview of the current state of play which challenges the mainstream intergovernmental approach of the EU This project results from research conducted at the Department of European Political and Governance Studies of the College of Europe Individual research of several policy analysts of the European

Parliamentary Research Service EPRS have contributed to this endeavour

The European Parliament in the News Dimitrios Souliotis, 2022-02-13 This book analyzes the social legitimacy deficit of the European Parliament EP in the United Kingdom and Greece It does so by considering it partially a communication deficit and by addressing the relevant inadequacies of its communication and media relations performance Following this approach the book identifies and critically analyzes the problems that the European Parliament is facing in communicating and portraying itself to news websites in the United Kingdom and Greece and offers potential solutions to the issues presented The book provides an initial comparison of the scale of the problems that the EP is facing in its communication and media relations performance in Greece and in the United Kingdom focusing on a number of prominent carefully selected impartial or pro European websites The failures of the EP to secure adequate levels of visibility on these websites automatically signify serious basic weaknesses in its communication strategy This book identifies those weaknesses their causes and presents solutions on how to solve them Therefore this book is a must read for students and scholars of political science and media communication as well as policy makers and practitioners interested in a better understanding of the European Parliament's social legitimacy and communication deficit

European Dispute over the Concept of Man Michał Gierycz, 2021-01-11 The book represents original research in a field of study rarely pursued while analysing the intellectual dimensions of disputes over ethically sensitive issues that occur in European Union politics These disputes are generally analysed at ideological ethical economic and interstate levels However these references do not suffice in understanding the issue which is related to a divergent perception of the essence of humanity and thus the subject matter of anthropology The main research objective of the monograph is therefore to reconstruct the sources and the specific European Union way of thinking about the human being Methodologically the book expands the understanding of political anthropology within political science and presents a range of suitable instruments for pursuing anthropological research At the theoretical level it proposes an anthropological typology of the main currents of European political thought and reveals their prominence for the anthropological orientation of the EU's axiology Empirically it provides an analysis of the anthropological features of European Union institutions and policies in addition to discussing the relation between the axiological and anthropological positions of the main political and national groups within the EU

Subnational Parliaments in the EU Multi-Level Parliamentary System Gabriele Abels, Annegret Eppler, 2016-01-11 SUBNATIONAL OR REGIONAL PARLIAMENTS with legislative competences are increasingly active in EU affairs and are recognized as POTENTIAL ACTORS IN THE EU'S MULTI LEVEL SYSTEM BY EU LAW However studies on the territorial effects of European integration and on the Europeanization of parliaments as well as parliamentarism have so far disregarded this group of parliaments In the existing theoretical concepts of multi level parliamentarism subnational parliaments do not have a place until now The book addresses this theoretical and empirical gap Referring TO STUDIES ON PARLIAMENTARISM FEDERALISM AND EUROPEANIZATION the contributions discuss how to include subnational

parliaments in the existing research A total of 74 subnational parliaments from eight member states is affected by the new system which allows them to participate in the so called Early Warning Mechanism of subsidiarity control The situation in six EU member states is analyzed in detail The country chapters illustrate and analyze how subnational parliaments in the federal member states Austria Belgium Germany and in the decentralized devolved ones Great Britain Italy Spain functionally adapt to the new opportunity structure and discuss the repercussions on legislative executive relations as well as on interparliamentary relations With contributions from Gabriele Abels Katrin Auel and Martin Gro e H ttman Peter Bursens Frederic Maes and Matthias Vileyn Peter Bu j ger Josep Mar a Castell Andreu and Mario K lling Ben Crum Annegret Eppler John Erik Fossum Anna Lena H genauer Sabine Kropp Robert Ladrech Erik Miklin Matteo Nicolini Werner J Patzelt Tapio Raunio Werner Reutter Gerhard Stahl and Bert Kuby Gracia Vara Arribas *Lobbying in the European Parliament* Maja Kluger Dionigi, 2016-12-01 This book explains when and how interest groups are influential in the European Parliament which has become one of the most important lobbying venues in the EU Yet we know little about the many ways in which interest groups and lobbyists influence parliamentary politics The author offers insights on four key cases of lobbying based on the analysis of EU documents lobbying letters and 150 interviews She argues that lobbying success depends on a number of factors most notably the degree of counter lobbying issue salience and committee receptiveness These factors are brought together in the framework of Triple I interests issues and institutions to determine the success or failure of lobbying This book will be of use to students and scholars interested in EU politics and governance EU decision making and interest group politics along with policy makers and practitioners **EU Law** Paul|Burca Craig (Grainne de), 2024 **The European Union Democratic Deficit and the Public Sphere** David Ward, 2002 An assessment of EU communications policy judged against democratic and normative criteria within the framework of the question of the need for a European wide public sphere It argues that the EU should proceed through the mass media with a policy based on a public service philosophy

European Parliament Ascendant Adrienne H éritier, Katharina L. Meissner, Catherine Moury, Magnus G. Schoeller, 2019-06-08 If one wants to understand why from its modest beginnings the European Parliament has become a major player in EU decision making look no further than this book It presents to date the theoretically most compelling methodologically disciplined and empirically richest account of parliamentary self empowerment over time across key functions and policy areas This volume will be a main point of reference for work on the European Parliament the dynamics of inter institutional politics and EU integration more generally for years to come Berthold Rittberger Professor of International Relations University of Munich Germany Anyone interested in the rise of the European Parliament as a significant actor in the EU should read this book It offers a fascinating insight into the strategies used by the Parliament to achieve its aims and the conditions for its success or failure It ranges widely across time and policy areas to give a comprehensive analysis of the Parliament s changing institutional position Michael Shackleton Professor of European

Institutions Maastricht University The Netherlands and former EP official This book analyses the European Parliament's strategies of self empowerment over time stretching across cases of new institutional prerogatives as well as substantive policy areas It considers why and how the Parliament has managed to gain formal and informal powers in this wide variety of cases The book provides a systematic and comparative analysis of the European Parliament's formal and informal empowerment in two broad sets of cases on the one hand it examines the EP's empowerment since the Treaty of Rome in three areas that are characteristic of parliamentary democracies namely legislation the budget and the investiture of the executive On the other hand it analyses the European Parliament's role in highly politicised policy areas namely Economic and Monetary Governance and the shaping of EU trade agreements

The Routledge Handbook of Differentiation in the European Union Benjamin Leruth, Stefan Gänzle, Jarle Trondal, 2022-05-11 The Routledge Handbook of Differentiation in the European Union offers an essential collection of groundbreaking chapters reflecting on the causes and consequences of this complex phenomenon With contributions from key experts in this subfield of European Studies it will become a key volume used for those interested in learning the nuts and bolts of differentiation as a mechanism of dis integration in the European Union especially in the light of Brexit Organised around five key themes it offers an authoritative encyclopaedia of differentiation and addresses questions such as How can one define differentiation in the European Union in the light of the most recent events Does differentiation create more challenges or opportunities for the European Union Is Europe moving away from an ever closer Union and heading towards an ever more differentiated Union especially as leading political figures across Europe favour the use of differentiation to reconcile divergences between member states This handbook is essential reading and an authoritative reference for scholars students researchers and practitioners involved in and actively concerned about research in the study of European integration As European differentiation is multifaceted and involves a wide range of actors and policies it will be of further interest to those working on countries and or in policy areas where differentiation is an increasingly relevant feature The Introduction and chapters 13 21 30 and 35 of this book is available for free in PDF format as Open Access from the individual product page at www.routledge.com It has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

European Perspectives on Taiwan Jens Damm, Paul Lim, 2012-02-23 The initiative and leadership for this edited volume came from the European Institute for Asian Studies EIAS based in Brussels The book discusses questions related to the different European perspectives on Taiwan in various fields asking in particular How has the European Union dealt with the unsolved status of the Republic of China on Taiwan In which ways has Europe been seen as a model for Taiwan's transformation and does the example of the EU offer any lessons for cross Strait integration Furthermore the authors well known specialists drawn from disciplines such as economics political science international law history and cultural studies are equally interested in Taiwan's perspectives on Europe and in the historical relationship between Taiwan and Europe

As recognized, adventure as capably as experience nearly lesson, amusement, as skillfully as accord can be gotten by just checking out a ebook **European Parliament** after that it is not directly done, you could tolerate even more on this life, nearly the world.

We give you this proper as with ease as easy mannerism to acquire those all. We find the money for European Parliament and numerous book collections from fictions to scientific research in any way. in the middle of them is this European Parliament that can be your partner.

European Parliament Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading European Parliament free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading European Parliament free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading European Parliament free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free.

Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading European Parliament. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading European Parliament any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About European Parliament Books

1. Where can I buy European Parliament books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a European Parliament book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of European Parliament books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
